I. INTRODUCTION

1. Definitions.

a. "Agent" means any director, officer, employee, representative, affiliate, third-party vendor or any other person acting on behalf of the Customer with the actual, implied or apparent authority of Customer. Bank may rely on any grant of authority until it receives written notice of its revocation and is given a reasonable amount of time to act upon such notice.

b. "Bank" means U.S. Bank National Association and each subsidiary or affiliate of U.S. Bank that provides Services to Customer.

c. "Business Day" means any day on which a majority of Bank’s offices are open to the public for substantially all banking functions. Saturdays, Sundays, federal or state holidays or any day recognized by a Federal Reserve Bank as a holiday shall not be considered a Business Day, even if Bank’s offices are in fact open.

d. “Customer” means the business entity and any parent company, subsidiary or affiliate for whom Bank provides a Service.

e. “Service” or “Services” means one or more global treasury management, foreign exchange, or money center and safekeeping services offered by Bank.

2. Other Agreements, Laws and Regulations. These terms and conditions and the Master Services Agreement (or existing Treasury Management Service Agreement or equivalent document executed by Customer) are collectively referred to herein as the “Agreement”. The Services are provided to Customer subject to the following other documents, laws and regulations, which are hereby incorporated into and made part of this Agreement:

a. the set-up materials, user guides, and any supplement thereto required by Bank to implement a specific Service (referred to in the Agreement as the “Implementation Documents”);

b. the most current fee and availability schedule and other fee disclosures provided to Customer, including account statements;

c. the provisions of the then current deposit account agreement and accompanying disclosures, which govern deposit accounts and other depository services;

d. the Uniform Commercial Code, as enacted in the State of Minnesota;

e. any applicable automated clearinghouse operating rules, including, without limitation, the National Automated Clearing House Association Operating Rules and Guidelines (the “NACHA Rules”) and the rules promulgated by the Electronic Check Clearing House Organization (the “ECCHO Rules”); and

f. federal, state and local laws and regulations applicable to Bank or Customer, including, without limitation, Regulation CC promulgated by the Board of Governors of the Federal Reserve System, 12 CFR Section 229.1, et seq. ("Regulation CC"), all Operating Circulars promulgated by the Board of Governors of the Federal Reserve System, and the regulations overseen by the Office of Foreign Assets Control ("OFAC")

3. Change of Terms. Bank may change the terms of this Agreement at any time upon reasonable written or electronic notice to Customer or by any other method permitted by law. Customer’s continued use of the Services after the effective date of any change to the terms shall be deemed Customer’s consent to the revised terms. Any other variations to this Agreement must be in writing and executed by Bank. In the event performance of the Services in accordance with the terms of this Agreement would result in violation of any present or future statute, regulation, government policy, or relevant clearing or central bank agreements or settlement systems to which Bank is subject, and which governs or affects the transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation policy, agreement or systems, and Bank shall incur no liability to Customer as a result of such violation or amendment. No course of dealing between Bank and Customer will constitute a modification of this Agreement or constitute an agreement between the Bank and Customer regardless of whatever practices and procedures Bank and Customer may use.

4. No Third Party Beneficiaries/Third Party Claims. Services provided by Bank are for the sole and exclusive benefit of Customer, and no other persons or organizations shall have any of the rights and remedies arising under this Agreement. Customer agrees to indemnify, defend and hold Bank harmless from and against any and all claims, demands, expenses, losses, liabilities and damages of third parties of any nature whatsoever, including, without limitation, reasonable attorney fees and court costs at trial or appeal arising directly or indirectly from any Service delivered to Customer pursuant to this Agreement.

5. Images. Bank may create a microfilm, optical disk, or other electronic image of the Agreement or Implementation Document. Bank may store the electronic image of such Agreement and Implementation Document in its electronic form and then destroy the paper original as part of Bank’s normal business practices, with the electronic image deemed to be an original.

6. Foreign Account Tax Compliance Act. If a payment made by either party under this Agreement is or could become subject to the U.S. Federal withholding tax imposed by Sections 1471 through 1474 of the Internal Revenue Code of 1986, as amended (“FATCA”), then (i) each party shall provide to the other party such information, and shall disclose to the applicable governmental authorities such information, as may be required in order for such party to comply with all applicable requirements of FATCA and to determine that the other party has complied with FATCA, and (ii) a party that fails to comply with FATCA shall indemnify the other party for all costs, damages, and liabilities arising out of such party’s failure to comply with FATCA.

7. Disclaimer of Warranties. NOTICE: BANK MAKES NO WARRANTIES, EXPRESS OR IMPLIED, IN LAW OR IN FACT, INCLUDING, WITHOUT LIMITATION, THE IMPLIED WARRANTIES OF MERCHANTABILITY, MERCHANTABILITY, EITHER TO CUSTOMER OR TO ANY OTHER PARTY, WITH RESPECT TO THE SERVICES PROVIDED BY BANK OR ITS AGENTS OR WITH RESPECT TO SOFTWARE PRODUCTS PROVIDED OR MADE AVAILABLE TO THE CUSTOMER FOR ITS USE BY BANK IN CONNECTION WITH THIS AGREEMENT AND ANY SERVICE.
II. TERMS APPLICABLE TO ALL GLOBAL TREASURY MANAGEMENT, FOREIGN EXCHANGE AND MONEY CENTER AND SAFEKEEPING SERVICES

1. Services. Bank may provide Services that are not specifically included in the Services section of this Agreement. By accepting and using any Service, Customer agrees that the Service will be governed by this Agreement and any other conditions communicated to Customer by Bank. Certain Services included in this Agreement may not be available or may not be provided in certain market areas.

2. Proprietary Information. Customer acknowledges that this Agreement, all related documentation and computer programs and systems used in providing Services, and all information related thereto constitute proprietary property of Bank that is of great commercial value. Customer agrees that it shall not acquire any proprietary interest or rights therein as a result of its use of the Services and shall keep all such proprietary information strictly confidential.

3. Representations and Warranties. Customer and Bank each represent and warrant to the other, as of the date this Agreement is entered into and at the time any Service is used or performed, that: (a) it is validly existing and in good standing under the laws of the jurisdiction of its organization; (b) it has all requisite power and authority to execute and deliver, and to perform its obligations under, this Agreement and each Service used or performed by it; (c) this Agreement has been duly authorized and executed by it and constitutes its legal, valid and binding obligation; (d) any consent or authorization of any governmental authority or third party required to be obtained by it in connection with this Agreement or any Service used or performed by it has been obtained; and (e) the Services received are for business use only and are not primarily for personal, family or household use. In addition, Customer represents and warrants to Bank that this Agreement will not violate: (i) any law, rule, regulation, order, writ, judgment, injunction, decree or award binding on Customer; or (ii) the provisions of any agreement to which Customer is a party or is subject, or by which it, or its assets, is bound, or conflict with or constitute a default thereunder.

4. Financial Review. Bank’s willingness to provide Services to Customer is dependent on the Customer’s financial condition. Customer’s financial condition is subject to review by Bank from time to time, and such reviews must be satisfactory to Bank in its sole discretion and opinion. Customer shall, upon request, provide to Bank any such information as Bank may require to perform any such review. Customer’s failure to meet such standards or provide such information or assistance when requested shall constitute a breach of this Agreement and shall permit Bank to cease providing Services upon written notice to Customer.

5. Fees. Unless otherwise agreed by Bank in writing, Customer shall pay Bank the fees, charges and assessments set forth for the Services provided in the most current fee schedules and other fee disclosures provided to Customer (including account statements), plus additional fees and expenses for extraordinary Services. The price schedule for each Service shall be deemed accepted by Customer upon provision of the Service to Customer. In addition, Customer shall pay Bank the amount of any taxes levied or imposed on fees charged pursuant to this Agreement, including, without limitation, federal, state, or local privilege, excise or sales taxes based on gross revenue, any taxes or amount in lieu thereof paid or payable by Bank, excluding Bank’s income taxes and any assessments charged to Bank directly as a result of providing the Services. Bank may change the amount or type of service charges from time to time. Fees for Services used by Customer may be charged in full to Customer’s account(s) or may be offset through account analysis by applying earnings credit to Customer’s service charges to determine a single monthly net service charge. The applicable earnings credit rate is established by the Bank and will change from time to time without advance notice to Customer. Customer’s net service charge could be zero if such earnings credit exceeds total charges in a given month. If Customer’s earnings credit is insufficient to offset the amount due hereunder, Customer agrees to pay such amount to Bank upon demand. Customer authorizes Bank to debit Customer’s account(s) with Bank for all fees, expenses or other charges owed by Customer to Bank under this Agreement.

6. Deposit Accounts. Most Services require that Customer maintain one or more deposit accounts with Bank. All checks, wire transfers, ACH payments and other items deposited into such accounts are provisionally credited and taken subject to later verification by Bank and Bank’s receipt of final settlement. Deposited items that are deposited and later returned unpaid will be charged against the account without prior notice. Customer agrees to pay Bank for any overdraft or overpayment in any of Customer’s accounts. Customer authorizes Bank to charge any account Customer maintains with Bank for any amount remaining due under this section.

7. Security Interest. Customer grants to Bank a consensual possessory security interest in Customer’s deposit accounts maintained with Bank and the funds held therein to secure payment of all of Customer’s obligations under this Agreement.

8. Accuracy and Timeliness of Information. Bank will use reasonable efforts to provide the information requested through the Services in a prompt fashion, but shall not be liable for temporary failure to provide timely information. In such event, Customer shall be responsible for carrying out banking business through alternative delivery channels. Bank shall not be liable for any inaccurate or incomplete information with respect to transactions which have not been completely processed or posted to Bank’s systems prior to being made available pursuant to the Services.

9. Authorized Signers and Users. Customer shall appoint certain Authorized Signer(s) in the U.S. Bank Master Services Agreement or in such other format or document as may be agreed by Bank. Customer agrees that Authorized Signers shall be authorized to act on behalf of Customer in all actions taken under this Agreement and may enter into all transactions contemplated in this Agreement, including, without limitation, selecting Services for the benefit of Customer, appointing initial system administrator(s), and signing additional documentation that may be necessary to implement Services and giving instructions with regard to any Service, including, without limitation, wire transfers, ACH transfers and other electronic or paper transfers from or to any account Customer maintains with Bank. The Authorized Signer(s) or Customer’s designated system administrator(s) shall appoint Agents to use the Services provided for the benefit of Customer (“Authorized Users”). Authorized Users may act on behalf of Customer for a particular Service in accordance with the relevant Implementation Documents or other document(s) establishing the Authorized Users’ responsibilities, or in accordance with the authority granted by Customer. Customer may revoke the authority of or change the Authorized Signers at any time upon prior written notice and execution of additional documentation required by Bank. Such change or revocation shall not be binding upon Bank until it has received the required written notice and has had a reasonable opportunity to act thereon. In any event, Bank may act on instructions that it believes in good faith were provided by an Authorized Signer or Authorized User, or anyone purporting to be an Authorized Signer or Authorized User.

10. Forms Approval and Service Implementation. Bank reserves the right to approve the form of Customer’s checks, drafts, deposit slips and similar documentation. Prior to initiating a new account or Service, or at any other necessary time, Customer agrees to provide all information and conduct any test that Bank may reasonably request, including, without limitation, completing Implementation Documents, signature cards, corporate resolutions and other documents and assessing test tapes and transmissions. Customer acknowledges that Services will not commence or continue until such time as an approved item or test is provided to Bank and determined by Bank to be satisfactory. Customer shall be responsible for initial product installation, whether or not Bank provides telephone or on-site installation support.

a. Introduction. Bank and Customer shall agree to one or more security procedures that must be used in connection with certain Service(s). Customer acknowledges and agrees that it has been informed of and understands Bank’s security procedures and that such security procedures are commercially reasonable. Customer agrees to be bound by any payment order, transaction or service change order that is acted upon by Bank in accordance with such security procedure. Customer understands that the security procedures are not for the purpose of detecting errors in the transmission or content of information controlled
by Customer. If Customer selects certain security procedures to use in connection with a Service and those security procedures provide less protection against unauthorized transactions or activity than other security procedures offered by Bank in connection with such Service, the security procedures selected by Customer shall be deemed commercially reasonable to the same extent as the security procedures offered by Bank that provide greater protection. Bank reserves the right to issue new security procedures and/or to cancel or change any security procedures by giving verbal or written notice to Customer. Bank also reserves the right to periodically audit Customer's security procedures and information technology processes, and to mandate controls or suspend Services until Customer complies with such security procedures.

b. Access. Customer shall be solely responsible for designating individuals authorized to access Services. Access to Services will be controlled through the use of user IDs, personal identification numbers, passwords, digital certificates/signatures, private keys or other security devices ("Codes"). Customer is solely responsible for maintaining its own internal security and agrees to use the utmost care in selecting any company or individual given access to use one or more of the Services. Codes that are assigned to individual Authorized Users shall not be shared with any other person, including other Authorized Users and Customer shall not disclose any information regarding the Services that an unauthorized user would find helpful to obtain access to all or part of any Service. Customer assumes all risk of accidental disclosure or inadvertent use of any Codes by any party, whether such disclosure or use is on account of Customer’s negligent or deliberate acts or otherwise. If Customer or its Agents has reason to believe that any security procedures or Codes have or may become known by unauthorized persons (whether or not employed by Customer) or if Customer believes its network or computer systems have been compromised or its computers infected, Customer shall immediately notify Bank by telephone and confirm such verbal notification in writing to Bank within 24 hours. Bank will replace the security procedures and/or Codes in accordance with Bank’s procedures. Customer shall be solely responsible for funds transfer instructions and other communications or transactions initiated before Bank received Customer’s notice and had a reasonable time to act on such notice. Customer agrees to defend and indemnify Bank against any claims, losses, damages, costs, expenses, fines and other liabilities arising out of Customer’s failure to maintain the security and confidentiality of the Codes or arising out of the unlawful use of any website or portal by Customer or any person who obtains access to a website or portal using the Codes.

c. Confidentiality. Customer and Bank represent, warrant and mutually agree that all confidential information concerning the other party or parties that comes into its possession in connection with any of the Services will be maintained in strictest confidence and shall not be used or divulged to any other party except as may be necessary or advisable for the due performance of any of the Services or as required by applicable law. Bank shall maintain physical, electronic, and procedural safeguards to keep Customer’s confidential information secure. Customer’s obligation to maintain the confidentiality of all security procedures shall survive the termination of any Service or this Agreement. Customer acknowledges that certain Services may involve the handling of confidential consumer information that may be subject to privacy laws and regulations, including unauthorized access or breach notification regulations. Customer agrees to notify Bank immediately if Customer sends or receives protected health information that requires the execution of a business associate agreement.

d. Verbal or Written Instructions. For some Services, Bank may choose to honor Customer’s request to give Bank verbal or written instructions regarding the Services. Customer agrees that Bank may in good faith rely on such verbal or written instructions that purport to come from an authorized Agent of the Customer without independent verification by Bank.

e. Fraud prevention measures. Bank offers certain products and Services such as Positive Pay and account blocks or filters that are designed to detect or deter fraud. Failure to use such Services could substantially increase the likelihood of fraud. If Customer fails to implement any of these products or Services, or if Customer fails to follow these or other precautions reasonable for its particular circumstances, Customer agrees: (i) it will be precluded from asserting any claims against Bank for paying any unauthorized, altered, counterfeit or other fraudulent item that such product, Service, or precaution was designed to detect or deter; (ii) Bank will not be required to re-credit Customer’s account or otherwise have any liability for paying such items; and (iii) Customer will pay all costs and expenses incurred by Bank for all efforts undertaken by Bank to recover any losses incurred by Customer.

12. Unsecured Electronic Transmissions and Instructions. Bank shall transmit to Customer information related to Services via secure electronic transmissions. If Customer elects to send or receive instructions or reports from Bank via unsecured electronic means, including, without limitation, facsimile transmission, voice mail, unsecured e-mail, pager or other unsecured electronic or telephonic methods ("Electronic Transmission"). Customer acknowledges that such Electronic Transmissions are an inherently insecure communication method due to the possibility of error, delay and observation or receipt by unauthorized personnel. Bank may rely in good faith on Customer’s instructions regarding how and to what number or e-mail address Electronic Transmissions should be sent and may rely on any Electronic Transmission that it reasonably believes to have been initiated by the Customer. Should Customer elect to send or receive unsecured Electronic Transmissions to or from Bank, Customer assumes all risks, and Bank shall not be liable for any loss, that results from the nonreceipt, disclosure, alteration or unauthorized access of any such unsecured Electronic Transmission.

13. Account Blocks and Filters. ACH debit blocks and check blocks prevent ACH debits and checks from posting to Customer’s account. ACH filters and check filters enable Customer to set various criteria to authorize certain transactions to post to Customer’s account while excluding others. If an ACH debit or check filter is established by Customer, any ACH debit entry or check presented that does not specifically meet the criteria will be dishonored or sent back to the originator of the transaction. Customer acknowledges that the effectiveness of the filters is dependent on the accuracy and timeliness of the information provided by Customer. In addition, certain ACH transactions such as returns or adjustments cannot be blocked per NACHA Rules. If Customer desires to modify a block or filter setting, Customer shall notify Bank at least 72 hours in advance of the changes taking effect.

14. Computer Equipment and Software. Many Services require the use of computer hardware and software or other equipment. Customer is responsible for maintaining its computer and equipment (including those provided by or through Bank for use with Services) in good working order. Customer shall ensure that computers and other equipment have the necessary compatibility and format to interface with Bank’s systems, including, without limitation, the ability to support the Bank’s security procedures. Customer agrees to install upgrades and other system enhancements within a reasonable time after being requested to do so by Bank. Customer shall agree to cooperate with Bank in good faith to ensure that the software shall either be embedded in the software or separately documented. Customer agrees to comply with all applicable software license agreements, whether or not such agreements have been executed by Customer. Customer has no rights or ownership in any software provided by or through Bank and shall not transfer, copy, alter, modify, reverse engineer, reproduce, or convey in any manner, in whole or in part, any such software. Customer shall return all software and user manuals associated with any software upon request. Bank makes no representations or warranties with respect to any equipment or software provided by Bank.

15. Transactions on Non-Business Days/Cutoff Times. Transactions, deposits, payment orders, entries or other requests by Customer received by Bank on a non-Business Day or after established cutoff deadlines may be treated by Bank as received on the next Business Day. Bank may change any cutoff time or other deadline at any time. Bank will make a reasonable effort to notify Customer of any changes in advance.

16. Customer-initiated Transactions and Instructions. Bank will honor Customer’s transactions and instructions (including adjustments, amendments and cancellations) only when Customer has complied with this Agreement and related policies and procedures. Bank will be under no obligation to honor, either in whole or in part, any transaction or instruction that:

Page 3 (Effective 06/30/2016)
a. exceeds Customer’s collected or available funds on deposit with Bank; 

b. Bank has reason to believe may not be authorized by Customer; 

c. involves funds subject to a hold, dispute or legal process preventing their withdrawal; 

d. violates any provision of any applicable regulation of the Federal Reserve Bank or any other federal, state or local regulatory authority; or 

e. Bank has reasonable cause not to honor, for the protection of either Bank or Customer. 

17. Inconsistent Name and Account Number. If Customer or third party acting on Customer’s instruction initiates a fund transfer instruction or payment order (“Payment Order”) to Bank that describes the person to receive the proceeds of such Payment Order (the “Beneficiary”), the Beneficiary’s bank, or an intermediary bank by name and an account or other identifying number, Bank and subsequent parties to the Payment Order may rely on and act solely on the basis of such number, even though the name and number do not agree and even though Bank and subsequent parties know or have reason to know of the inconsistency. Customer’s obligation to pay the amount of the Payment Order to Bank is not excused in such circumstances. With respect to incoming Payment Orders that do not include an account number recognizable to Bank, Bank may return the Payment Order to the sending financial institution without incurring any liability to Customer.

18. Intercompany Services/Authority to Transfer or Commingle Funds. In the event that Customer requests Bank to provide Services to a parent company, subsidiary, affiliate or other company or Company, Customer agrees that it shall be jointly and severally liable for such Company’s obligations under this Agreement. Customer hereby represents and warrants to Bank that any and all transfers and commingling of funds required or permitted by any Service or requested by Customer, and all other aspects of the performance hereby Bank and Customer, have been duly authorized by all necessary parties, including, without limitation, the account holder of each account, and that Customer has obtained and shall maintain in its regular business records and make available to Bank upon reasonable demand, for a period of seven (7) years after termination of the Service, adequate documentary evidence of such authorization from the account holder of each account, executed by the duly authorized officer(s) of such account holder in accordance with that account holder’s bylaws and/or board resolutions. Customer further represents and warrants that each transfer or commingling of funds authorized hereunder is not in violation of any agreement, bylaw or board resolution of Customer or any of its affiliates or subsidiaries, nor is it in violation of any applicable federal, state, local law, regulation, of any decree, judgment, order of any judicial or administrative authority. Each representation and warranty contained herein shall be continuing and shall be deemed to be repeated upon Bank’s effecting each transfer and commingling of funds authorized hereunder.

19. Customer Records. This Agreement and the performance of Services by Bank shall not relieve Customer of any obligation imposed by law, clearinghouse rules (including the NACHA Rules and ECCHO Rules), or by contract regarding the maintenance of records or from employing adequate audit, accounting and review practices as are customarily followed by similar businesses. In addition, Customer shall retain and provide to Bank, upon request, all information necessary to remake or reconstruct any deposit, transmission, file or entry for thirty (30) days following receipt by Bank of the deposit, file, entry, transmission or other order affecting an account.

20. Account Communications and Review Period. Customer agrees to regularly and promptly review and verify all statements, reports, check payment records, wire transfer instructions, confirmations, adjustments, charges, or other transactions (“Account Communications”). Customer may receive or access Account Communications electronically, including without limitation, delivery by posting to a password protected Web site or database. Customer acknowledges that Account Communications provided by Bank through electronic delivery is deemed to constitute good and effective delivery when posted by Bank, regardless of whether Customer actually or timely receives or accesses the Account Communications. Unless a different record retention period is specified elsewhere in this Agreement, Customer shall, within a reasonable time, which in no event shall be greater than thirty (30) calendar days following the day Bank first mails, electronically transmits or otherwise makes data available to Customer (“Review Period”), notify Bank of any error or discrepancy between Customer’s records and any Bank notice or statement, or any transaction or transfer Customer believes was not authorized. If Customer fails to notify Bank of such unauthorized transaction within the Review Period, Customer agrees that the failure to report any such errors or unauthorized transactions shall relieve Bank of any liability for the unreported erroneous or unauthorized transaction. In accordance with NACHA Rules, Customer must report an unauthorized ACH debit entry to the Customer’s account by the established deadline on the Business Day following the settlement date of the unauthorized entry. Otherwise, Customer’s sole recourse is to the originator of the transaction.

21. Monitoring and Recording Communications. Customer acknowledges and agrees that Bank, or anyone acting on Bank’s behalf, may monitor and/or record any communication between Customer, or its Agent, and Bank, or anyone acting on Bank’s behalf, for quality control and other purposes. Customer also acknowledges and agrees that this monitoring or recording may be done without any further notice to Customer or its Agent. The communication that may be monitored or recorded includes telephone calls, cellular or mobile phone calls, electronic mail messages, text messages, instant or live chat, or any other communications in any form.

22. Limitation of Bank’s Liability for Services. Customer acknowledges that Bank’s fees for Services are very small in relation to the amounts of transfers initiated through these Services and consequently Bank’s willingness to provide such Services is based on the liability limitations contained in this Agreement. In addition to greater limitations on Bank’s liability that may be provided elsewhere in this Agreement, Bank’s liability related to any Service shall be limited exclusively to actual proven damages arising directly from its own gross negligence or willful misconduct. Bank will not, under any circumstances, be liable for any special, incidental, indirect, consequential, punitive or similar losses or damages, whether or not the likelihood of such losses or damages was known by either party at the time Customer first obtains Services from Bank or at the time any instruction or order is given to Bank pursuant to any Service, and whether such losses or damages arise from tort, contract or otherwise. Bank’s maximum liability for any loss of interest shall be calculated using a rate equal to the average Federal Funds rate at the Federal Reserve Bank of New York for the period involved. Notwithstanding the foregoing, Bank shall not be liable for any losses or damages caused, in whole or in part, by the action or inaction of Customer, or any Agent or employee of Customer, whether or not such action or inaction constitutes negligence or a breach of this Agreement. Bank shall not be liable for any damage, cost, loss, liability or delay caused by a force majeure event, including but not limited to, accident, strike, labor dispute, fire, flood, war, riot, terrorist act, government restrictions, exchange or market rulings, extraordinary market volatility, suspension of trading, equipment breakdown, electrical, telephone, Internet, or mechanical failures, acts of nature, any cause which is attributable to a third party, or any other cause or event that was beyond Bank’s reasonable control. Customer agrees that the fees charged for the performance of the Services shall be deemed to have been established in contemplation of these liability limitations.

23. Dispute Resolution.

a. Governing Law. Except as otherwise provided herein, this Agreement shall be governed by the laws of the State of Minnesota, without regard to conflicts of law principles.

b. Jury Trial Waiver. To the fullest extent permitted by law, Bank and Customer hereby agree to waive trial by jury in any judicial proceeding involving, directly or indirectly, any matter (whether in tort, contract or otherwise) in any way arising out of, related to or connected with these Services or this Agreement. Bank and Customer represent and warrant to each other that this jury trial waiver is knowingly, willingly and voluntarily given.

c. Jurisdiction and Venue. Customer consents to the jurisdiction of the courts of the State of Minnesota, waives any argument that such venue is inconvenient and agrees to bring litigation commenced in connection
with this Agreement in either the District Court of Hennepin County or the United States District Court, District of Minnesota, Fourth Division.

d. Collection Costs. Should Bank have to undertake any action to recover any amount due under this Agreement for the Services, including, without limitation, fees, overdrafts or overpayment, Customer will be liable to Bank for the cost of such effort, plus reasonable attorney fees.

e. Adverse Claims. If Bank receives an adverse claim against any account, and Bank reasonably believes that it will not be protected if the claim is ignored, Customer agrees that Bank may place a hold on the affected account. Any such hold will remain in place only so long as reasonably necessary to resolve the claim or employ legal remedies to allow a court to decide such claim. Assuming compliance with this section, Bank shall have no liability for dishonored transactions due to the hold, and Customer agrees to reimburse Bank all costs, including reasonable attorney fees, incurred due to such adverse claim.

a. Third Party Networks. Some Services are provided by Bank through access to a third party network. Such Services are dependent upon the availability of the third party network on conditions acceptable to Bank. Bank reserves the right to discontinue the Service or provide the Service through an alternative third party network and shall have no liability should such network become unavailable. Bank does not warrant and shall not be responsible for Services received by Customer from any third party network.

b. Third Party Vendors. Some Services and/or computer equipment and software are provided to Customer by a third party vendor selected by Customer who is unaffiliated with Bank. In those cases, the third party vendor is acting as Customer’s Agent rather than an agent of Bank, and Customer agrees to be bound by such third party’s acts or omissions. Bank does not warrant and shall not be responsible for Services provided by unaffiliated third party vendors. Customer authorizes Bank to disclose to any third party vendor of Customer or Bank information concerning Customer to the extent required to deliver the requested Service. Customer acknowledges that Bank’s third party vendors may perform certain services offshore.

25. Notices. All written notices to Bank shall be delivered or mailed to the address designated by Bank. Notices, including but not limited to, Account Communications sent to Customer shall be delivered or mailed to Customer’s current lead account address or other known address if deemed more appropriate by Bank under the circumstances. Notices may be delivered to some Customers in electronic format, including posting to Bank’s Web site, if requested or appropriate.

26. Severability. To the extent possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision shall be held to be invalid, illegal or unenforceable, such provision shall be ineffective only to the extent of such invalidity, illegality or unenforceability, without rendering invalid, illegal or unenforceable the remainder of any such provision or the remaining provisions of this Agreement.

27. Waiver. A waiver by Bank or Customer of any term or provision shall not be construed as a waiver of such term or provision at any other time, or of any other term or provision. Bank’s waiver of the enforcement of any of the terms of this Agreement with respect to any transaction or series of transactions will not affect Bank’s right to enforce any of its rights with respect to other Customers or to enforce any of its rights with respect to later transactions with Customer.

28. Assignment. In addition to section 24 above, Bank may at any time assign or delegate its rights and duties under this Agreement. Customer may not assign or transfer its rights or obligations hereunder to any other person or entity without Bank’s written consent, whose consent shall not be unreasonably withheld.

29. Termination. Any Services may be terminated by either party upon 30 days’ prior written notice to the other. Bank may also terminate or suspend any Services immediately without notice to Customer if any of the following occurs: (a) Customer becomes insolvent or files, or has filed against it, any bankruptcy or other insolvency, reorganization, liquidation or dissolution proceeding of any kind; (b) a material adverse change occurs in Customer’s business or financial condition; (c) Bank has reason to believe that Customer has engaged in fraudulent or illegal activity; (d) Customer fails to maintain balances in accounts sufficient to cover overdrafts; (e) Customer violates, or is in default under, the terms of this Agreement or any other agreement with Bank; (f) Customer fails to comply with security procedures or fails to provide financial information reasonably requested by Bank; (g) Bank determines it is impractical or illegal to provide any Services because of changes in laws, regulations or rules; (h) Bank, in good faith, is unable to satisfy itself that any Services have been properly authorized by Customer; or (i) Bank, in good faith, deems itself insecure. Notwithstanding any termination, the terms of this Agreement shall apply to all transactions which have been initiated prior to termination.
III. TERMS APPLICABLE TO ALL INTERNET-BASED SERVICES

1. Introduction. Bank offers a number of Services over the Internet. If requested by Customer and agreed to by Bank, Bank will grant Customer access to one or more of Bank’s Internet Services in the manner established by Bank. Customer agrees that its use of Services from time to time offered by Bank via the Internet (collectively, the “Internet Services”) shall be governed by:

(i) this Section and all other relevant sections of this Agreement, including, without limitation, sections governing the specific Services that are offered online;

(ii) the other agreements, laws and regulations described in Section I.2. of this Agreement; and

(iii) the applicable Terms of Use, as defined in Section III.2. below.

2. Terms of Use. Bank may post terms or rules of use (“Terms of Use”) governing Customer’s use of the Internet Services on Bank’s Web site(s) for accessing such Services. Such Terms of Use shall supplement and amend the terms set forth in this section. In the event of a conflict between the Terms of Use and the rules set forth in this Agreement, the Terms of Use shall govern. Customer’s initial use of an Internet Service shall constitute an acceptance of the Terms of Use posted on the Web site. Bank may change the Terms of Use for any Internet Service at any time by posting notice of such change via an alert or message on a broadcast or message page of the Web site (“Broadcast Message”). All changes shall have an effective date. Customer’s use of the Internet Service after the effective date of any such change shall constitute an acceptance of the revised Terms of Use by Customer. Customer is responsible for establishing an internal procedure for reviewing the Broadcast Message page on a regular basis to obtain timely notice of changes to the Terms of Use. In the event that a specific Internet Service does not have Broadcast Message capability, Customer will be notified of any changes in accordance with section II.25 hereof. Neither Bank nor Customer will contest the validity, enforceability, or admissibility of hard copy printouts of the Terms of Use for any Web site or notices of changes to such Terms of Use provided in accordance with this section. Copies of such Terms of Use or notices, if introduced as evidence in tangible form in any judicial or administrative proceeding, will be admissible to the same extent and under the same conditions as other business records originated and maintained in documentary form.

3. Security Procedures. Customer agrees to use the Internet Services in accordance with the security procedures established by Bank. Bank reserves the right to reject any transaction or Service request that is not made in accordance with these procedures. Customer shall at all times use a Web browser that supports the level of encryption used by Bank as part of its security procedures. Due to emerging technologies and ensuing changes in security practices, Bank reserves the right to supplement or change its security procedures from time to time upon reasonable notice to Customer. Customer acknowledges and agrees that, notwithstanding anything to the contrary set forth in the Agreement, in matters of security, reasonable notice may be less than a day’s notice or even, in some cases, notice after the fact. Customer is solely responsible for maintaining a secure work environment to ensure against the use of Internet Services by unauthorized individuals. Security procedures to be followed by Customer include, without limitation, informing Authorized Users that any passwords should not be shared and to secure physical access to the terminals used for Internet Services when an Authorized User has logged in to an application or system.

4. System Administrator. Customer shall designate one or more System Administrator(s). The System Administrator shall be responsible for setting up Internet Services and for establishing internal security procedures related to such Internet Services, which may be made available through applications or systems offered by Bank, including, without limitation, accepting delivery of software, system-wide configuration of Bank accounts, appointing Authorized Users, establishing authority levels, authorization requirements and payment limits, and distributing and re-setting IDs, passwords and other internal security devices related to the Internet Services. Company represents and warrants to Bank that any actions taken by the System Administrator in relation to the Internet Services including, without limitation, the appointment of Authorized Users and the access and privileges granted to such Authorized Users, are duly authorized by Company.

5. Other Customer Responsibilities.

a. Equipment and Software. Customer is responsible for obtaining (from Bank, in some instances), installing and maintaining the computer and communications equipment (including, without limitation, personal computers and modems), software, Web browsers, Internet access and communications services necessary to access and use the Internet Services in accordance with this Agreement.

b. Use of Internet Services. Customer shall use its access to Internet Services and Web sites operated by or on behalf of Bank only to conduct its business through or with Bank and agrees to limit access to those Agents who require access to Internet Services.

c. Antivirus Protection. Customer agrees to run antivirus software before transmitting data to or through any Web site. Customer may use any commercially available, industry recognized antivirus software of the type that detects and disinfects viruses automatically, without the need for the Customer to execute virus scanning for each file manually. Customer shall update its antivirus software on a regular basis and in no event less often than once every week.

d. Anti-malware Protection. Bank may offer complimentary anti-malware software for use with certain Services that is designed to detect, deter or destroy different types of malware. Failure to install anti-malware software offered by Bank could substantially increase the likelihood of fraud and other losses. If Customer fails to install software offered by Bank, Customer agrees it will be precluded from asserting claims against Bank for any losses caused by malware which such software would have detected, deterred or destroyed. Bank will not be required to re-credit Customer’s account or otherwise have any liability for such losses.

e. Network Security. Customer agrees to install and utilize current industry-standard network security for its information technology systems that access Services via the Web. Network security protection includes, but is not limited to, firewalls and intrusion detection systems. For certain Services, Bank may require Customer maintain specific network security protection in order to access the Services.

6. Disclaimer of Warranties. NOTICE: BANK PROVIDES ALL INTERNET SERVICES ON AN “AS IS,” “AS AVAILABLE” BASIS AND MAKES NO REPRESENTATIONS OR WARRANTIES OF ANY KIND WITH RESPECT TO THE INTERNET SERVICES OR THE CONTENT OR SECURITY OF ANY WEB SITE. BANK DISCLAIMS ALL SUCH REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ALL WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. WITHOUT LIMITING THE FOREGOING, BANK DOES NOT WARRANT THAT THE OPERATION OF ANY WEB SITE WILL BE UNINTERRUPTED OR ERROR-FREE. CUSTOMER IS RESPONSIBLE FOR TAKING APPROPRIATE PRECAUTIONS AGAINST DAMAGE TO ITS OPERATIONS WHICH COULD BE CAUSED BY INTERRUPTIONS OR MALFUNCTIONS OF ANY WEB SITE AND ASSUMES THE RISK OF SUCH OCCURRENCES.
IV. TERMS APPLICABLE TO SPECIFIC GLOBAL TREASURY MANAGEMENT SERVICES

The following are additional terms and conditions applicable to specific Treasury Management Services offered by Bank. Bank may change the number or type of Services offered at any time. Customer shall not be bound by the terms and conditions for the specific Services described in Sections IV, V and VI of this Agreement to the extent Customer is not using such Service(s).

A. E-PAYMENT SERVICE

Customer may select the E-Payment Service that would allow its customers ("Payers") to make convenient payments to Customer through the Internet, an Integrated Voice Response (IVR) system, a 'live' call center, a bill payment kiosk, or a walk-in cash payment channel. In addition, Customer may distribute electronic invoices, bills or statements to Payers who can pay such invoices, bills or statements via multiple payment channels accessible through the E-Payment Service. Customer agrees that this Service shall be governed by this Section and all other relevant sections of this Agreement.

1. Internet.

a. “Customer Payment Site” means the interactive Internet payment site hosted by Bank where Payers may make payments to Customer over the Internet. Bank will configure, implement, host and support the Customer Payment Site. If Customer provides the content for the Customer Payment Site, Customer agrees to indemnify and hold Bank harmless for any content that violates applicable law or payment network rules.

b. Customer License. Bank shall have the right and license to use Customer's name, trademarks, service marks, copyrights and logos and other textual information in connection with the Customer Payment Site solely for the purposes contemplated herein.

c. “Administrative Website” means the interactive Internet site hosted by Bank where Customer may access reports, initiate payments on behalf of Payers, or initiate refunds. Bank will configure, implement, host and support the Administrative Website. Customer shall be solely responsible for setting up Authorized Users, access entitlements and internal controls within the Administrative Website.

d. Links. Customer shall provide and maintain a secure link on its Web site to the Customer Payment Site. Customer shall be responsible for ensuring that the link to the Customer Payment Site takes Payer to the appropriate area within the Customer Payment Site. Customer shall be responsible for providing the agreed-upon data concerning Payer in a manner that meets Bank’s encryption or security methods during the exchange. Customer and Bank agree to use industry-standard security procedures and technology to ensure the security of the Customer’s Web site and the Customer Payment Site and to prevent data theft or unauthorized access.

e. Payer Authentication. Depending on the applicable payment processing channel, Customer shall be responsible for verifying the identity of each Payer prior to the time Payer is linked to the Customer Payment Site. Customer agrees that Payers shall not be granted access to the Customer Payment Site link until Customer has verified the identity of each Payer using a commercially reasonable fraud detection system. For every Payer that accesses the Customer Payment System, Bank may rely on Customer to have completed such verification.

2. Compliance with laws and regulations. Customer agrees to comply with all applicable laws, rules and regulations, including without limitation, those issued by: (i) the National Automated Clearing House Association; (ii) any governmental entity, including (without limitation) the requirements contained in the Electronic Fund Transfer Act, Regulation E, and the Electronic Signatures in Global and National Commerce Act; (iii) the American with Disabilities Act; and (iv) any other entity or association that issues or sponsors a payment device, including (without limitation) the requirements of the Payment Card Industry (PCI) Data Security Standard and any credit card association, including Visa and MasterCard. Customer further agrees to comply with all payment network regulations for ATM debit networks.

3. Integrated Voice Response (IVR). To make an automated payment via a touch-tone phone, Payers may access the IVR system by calling a toll-free number provided by Bank or Customer. Customer shall have previously submitted Payer registration data ("registration data") to Bank. In order to make a payment via the IVR system, Payers are required to input information that matches their user information submitted in the registration data.

4. Call Center. If this option is selected by Customer, Payers may make a payment by phone by calling a 24-hour call center and speaking to 'live' Bank personnel. Bank shall authenticate a Payer's identity in the manner specified by Customer, and agreed to by Bank, in the Implementation Documents. Customer acknowledges and agrees that the authentication of the Payer's identity in such manner shall constitute a commercially reasonable fraud detection system and Bank shall have no liability for all payments so authenticated.

5. Payer Authorization. If payment is made via the Internet, Payer will be prompted to authorize the payment and print a confirmation once Payer has reviewed the payment data and input the information necessary to complete the payment. If payment is made via the IVR or call center, the confirmation number will be read to Payer. Bank is not responsible for the detection of errors made by Payer or Customer and may rely on the information submitted or communicated by Payer or Customer.

6. Payment Processing. Payments shall be processed in the manner mutually agreed to between Bank and Customer, which may include ACH debit entries, debit cards, credit cards or other payment processing methods. Customer shall at all times be considered the originator of Payer’s payment. Depending on the applicable payment processing channel, payment processing may also be subject to the terms of any other agreement between Bank and Customer and between Customer and the payment transaction processor supported by Bank. Payments may be initiated through the Customer Payment Site, IVR system or Administrative Terminal. Bank will notify Customer of the payments that were initiated either through the Administrative Terminal or by delivering a file in the manner set forth in the Implementation Documents.

Customer acknowledges that all payments are subject to adjustment, return, reversal and/or chargeback in accordance with the rules governing the applicable payment processing channel. Customer agrees to be liable to Bank for any such adjustment, return, reversal or chargeback.

7. Recurring Payments. The E-Payment Service provides Customer with the ability to offer Payers the option of making fixed or variable recurring payments. If permitted by applicable regulations, Payers have the ability to initiate a payment that recurs semi-weekly, weekly, semi-monthly, monthly or quarterly. Payers must be pre-registered in order to initiate variable recurring payments.

8. Fees. In addition to Bank’s standard fees, Customer agrees to pay additional fees and expenses for implementation of the E-Payment Service or other additional Services, if any, as may from time to time be disclosed to Customer by Bank. Customer also agrees to pay the applicable fees and expenses charged by the payment transaction processor supported by Bank, as set forth in Customer’s agreement with such processor.

9. Convenience Fee.

a. If permitted by applicable regulations, the E-Payment Service offers a flexible convenience fee option that allows Customer or Bank to define and collect a convenience fee to be charged to Payers in connection with the payment transaction. Payers are provided with the opportunity to stop the payment process if they do not wish to pay the convenience fee.

b. If Customer desires to collect the convenience fee, Customer shall be responsible for ensuring that convenience fee assessments comply with the relevant laws, rules and regulations.

c. If agreed to by Bank and Customer, Bank may collect and retain the convenience fee. Customer agrees that Bank may, in its sole discretion, set, adjust, manage and collect the convenience fee as a means to wholly or partially offset Bank fees that may otherwise have been incurred by Customer. Bank’s willingness to collect the convenience fee shall be based on Customer’s projected payment volume, average ticket, type of transactions, or other considerations such as changes to
interchange fees and assessments. Bank may, in its sole discretion, establish or modify payment caps for sums paid by Payers. If the actual payment volume, average ticket or other considerations fail to meet Customer’s stated projections or do not completely offset Bank fees, Customer agrees that Bank may, in its sole discretion, require Customer to wholly or partially reimburse Bank for any resulting shortfall in Bank fees.

10. Transaction Controls. Customer agrees to notify Bank of any material change or anticipated material change in daily dollar activity or type of transaction processing, and obtain Bank’s consent to such change. Bank may, in its sole discretion, immediately upon written notice to Customer, place a maximum dollar limit on the E-Payment transactions or require Customer to provide reasonable security for Bank’s continued handling of such transactions.

11. Bill Payment Kiosk. If selected by Customer and agreed to by Bank, Customers may deploy bill payment kiosks at their public locations to accept cash and card payments from Payers. Customer’s kiosk payment data will be consolidated with their payment data from other E-Payment channels. While using the bill payment kiosk:

a. Customer is responsible for safeguarding the kiosk and agrees to hold harmless and indemnify Bank and its officers, agents and employees from and against any and all claims, losses, damages, liability, causes of action and costs (including but not limited to court costs and attorney’s fees and disbursements), in any way relating to or arising out of the kiosk, including but not limited to bodily injury, property damage, damage to the kiosk, economic damages, fines and/or penalties. Customer agrees to protect the kiosk and its contents from damage, loss, or theft. Customer waives any rights of recovery against Bank arising from such loss, theft, damage, or destruction. Customer is solely responsible for providing security against theft at any kiosk location and Bank will have no liability to Customer in the event of theft or damage. Customer shall be responsible to physically inspect the kiosk at least weekly to insure that no tampering/skimming devices have been installed on the kiosk. Customer is responsible for any and all losses stemming from such occurrence.

b. Customer is solely responsible for ensuring that: (i) the location for the kiosk has adequate and uninterrupted power and broadband internet connectivity via ethernet or digital subscriber line; (ii) each network port for a kiosk has a public IP address; (iii) the location for the kiosk is secure and protected from weather and high or low temperatures beyond the design tolerances of the machine; and (iv) kiosk sites are free of old equipment, obstructions, and other material that may hinder proper placement of kiosk or end-user access to the kiosk.

c. Customer shall also be solely responsible for any site modifications and construction and for the removal of packaging and waste materials.

12. Walk-In Cash Payment Channel. If selected by Customer and agreed to by Bank, Customer may establish a walk-in cash payment channel wherein Payers may remit cash payments at any retail merchant location offering PayXchange services (the “PayXchange Merchant”), such cash payments to be credited to Customer’s account at Bank. While using the Walk-In Cash Payment Channel:

a. Customer will receive an electronic message from Bank upon confirmation of a cash payment received by a PayXchange Merchant.

b. All cash payments received by the PayXchange Merchant will be sent via ACH to Customer’s designated account at Bank.

c. Payers will be assessed a service fee by the PayXchange Merchant.

d. Customer acknowledges and agrees that Bank shall not be liable for any actions or inactions taken by any PayXchange Merchant and releases Bank for any and all claims related to any and all actions or inactions of any PayXchange Merchant.

13. Bill Presentment Services. If selected by Customer and agreed to by Bank, Customer may distribute electronic invoices, bills or statements to Payers who can pay such invoices, bills or statements via multiple payment channels accessible through the E-Payment Service. Customer represents and warrants that it will not include use or include any reference to untruncated credit card numbers, banking account numbers, social security numbers or Personal Health Information (as defined in the Health Insurance Portability and Accountability Act of 1996) in any electronic invoice, bill or statement distributed via Bank’s Bill Presentment Service. Customer shall indemnify and hold Bank harmless from and against any and all claims, demands, damages, losses, liabilities, penalties and expenses (including, without limitation, reasonable attorney fees and court costs at trial or on appeal) arising directly or indirectly from Customer’s breach of the representation or warranty contained in this paragraph. In addition, Bank makes no representation or warranty regarding, and assumes no responsibility with respect to, any services performed or promised by any third party (including, without limitation, any other bank or financial institution) in connection with Customer’s use of the Bill Presentment Services.
B. INFORMATION REPORTING AND TRANSACTION SERVICES

Information reporting and transaction Services may be provided by Bank to Customer through SinglePoint®, Global Trade or other applications or systems as may be introduced by Bank ("System(s)"). The System may also be used by Customer to automate many of the Services offered by Bank and also may provide access to other Bank systems that initiate transactions. Customer agrees that such use of the System shall be governed by this Section and all other relevant sections of this Agreement.

1. Introduction. If requested by Customer and agreed to by Bank, Bank will grant access to Bank’s System(s) in the manner agreed to by Bank. Customer agrees to be bound by any terms of use and license agreements associated with these Systems.

2. Information Reporting. Bank is authorized to store, process, transmit and make available through Bank’s agencies and Systems and through third party data processing providers ("Providers") information regarding accounts designated by Customer. Bank or Providers will transmit to Customer information regarding its account(s) and/or other financial data through the System on a periodic basis. Customer may elect to receive data through one or more delivery mechanisms, including, without limitation, the Internet, facsimile, CD-Rom or secure e-mail or other data transmission options supported by Bank. Section II.12. shall apply in the event Customer elects to receive facsimile reports via an Electronic Transmission. Balance and related information for Customer’s account(s) held at other financial institutions may be made available by these financial institutions or Providers that input information into Bank’s System. Bank will use reasonable care in submitting data into the System, but assumes no responsibility for the accuracy or timeliness of the account information and other financial data supplied by other financial institutions or Providers. Bank will make every reasonable effort to deliver information by the mutually agreed upon time, but does not guarantee a specific delivery time. Accordingly, Bank’s responsibility to Customer with respect to the delivery of information shall be to deliver such work as close to the agreed time as may be reasonably practicable.

3. Transaction Services. Customer may use SinglePoint®, Global Trade, or other similar System to access treasury management or trade finance transaction Services offered by Bank for which Customer has enrolled. Depending on the type of Service or System feature offered by Bank and selected by Customer, access to the transaction Services may include, but are not limited to, ACH, cash vault, check payables, wire transfer payments, book transfers, positive pay services, investments, loan services, trust services, letter of credit services, adjustments, returns, and exceptions management, receivables management, transaction research and annotation, and system administration. Customer agrees that use of the System for transaction Services shall be governed by this Section B and all other sections of this Agreement that are applicable to the product or Service being accessed.

4. Security Procedures/System Administrator. Customer agrees to operate the System in accordance with Sections III. 3 and 4 of this Agreement.

5. Manuals. Bank will provide Customer with a manual in electronic format that will set forth the applicable System’s policies and procedures with which Customer agrees to comply. Bank may, without prior notification, make amendments to any manual. Bank owns or has obtained all proprietary rights to the manuals and Customer agrees not to duplicate, distribute or otherwise copy Bank’s manuals without Bank’s prior written consent. Any manual will at all times remain the property of Bank and Bank reserves the right to request Customer to return all printed copies of such manual within thirty (30) days of termination of this Service.

6. Customer Responsibilities. Customer will purchase (from Bank, in some cases) and provide all equipment and software necessary to use the applicable System in accordance with this Agreement. Bank shall have no responsibility and makes no warranties for such equipment or software. Customer agrees to use the System solely to conduct its business with Bank and agrees to limit access to those Agents who require access to the System. Customer agrees that in addition to other limitations to Bank’s liability elsewhere in this Agreement, Bank shall not be liable for any loss or damage arising directly or indirectly from the following:

- a. any inaccuracy or incompleteness in the input of an order or instruction from the Customer;
- b. any failure by Customer to obtain a confirmation of an order or instruction; or
- c. any cancellation or attempted cancellation by Customer of an order or instruction.

7. International Information Reporting. If requested by Customer and agreed to by Bank, Bank may provide incoming international information reporting through Providers or via SWIFT, which shall be governed by the terms of this Section B, other applicable sections of this Agreement, and other applicable agreements or law. Bank shall receive the international information reporting data through Providers or via SWIFT from Customer’s account-serving Bank (“Servicing Bank”) and shall display such data to Customer using SinglePoint® or other similar System. If Customer makes a request to Bank for an off-schedule international information report from the Servicing Bank, Customer agrees that Bank shall have no liability if the Servicing Bank does not support the off-schedule request or does not respond to the request in a timely manner.
C. ELECTRONIC DEPOSIT SERVICES

Electronic Deposit Services provide Customer with the option of making electronic deposits using one or more products offered by Bank. Customer agrees that the Electronic Deposit Services shall be governed by this Section and other relevant sections of this Agreement.

1. Processing Options. Customer shall at all times maintain an account with Bank. Customer captures checks or check information received from its Payor Customers into Check Images, and transmits the same to Bank for processing and collection. Bank will seek to capture such Check Images through the check collection system by presenting or exchanging Check Images, or using Check Images to create a Substitute Check, or a Photo-In-Lieu (“PIL”) for collection. If ACH processing is selected by Customer, checks that are eligible to be used as source documents to originate ARC entries, POP entries, or BOC entries are converted to ACH Entries and processed through the ACH system. Checks ineligible for ACH conversion are sent through the check collection in the manner previously described.

2. Definitions.

a. “ACH Entry” means an ARC, POP or BOC debit entry originated to debit funds from a Payor Customer’s account at a financial institution in accordance with the NACHA Rules.

b. “Check Image” means an electronic image of the front and back of an original paper check (including a paper Demand Draft), or an electronic image of a Substitute Check that is created by Customer, Bank or another bank or depository institution in the check collection system.

c. “Check Image Metadata” means information about the Check Image, as well as pointers to the actual image data (also known as image tags).

d. “Customer System” means the computer hardware and/or software and/or Web-based applications located at Customer’s site that is used by Customer to access Electronic Deposit Services and to access the Electronic Deposit Services.

e. “Demand Draft” or “Remotely Created Check” means a paper item, other than a Substitute Check or PIL, which (i) is drawn on a Payor Customer account, (ii) does not bear the signature of the Payor Customer, and (iii) is authorized by the Payor Customer to be issued in the amount for which the item is drawn.

f. “Electronic Deposit” means electronic information (including Check Images, Check Image Metadata, MICR Data, dollar amount or ACH Entry information), obtained from capturing information from an original paper check and remittance documentation that is transmitted to Bank for deposit, processing and collection.

g. “Electronic Deposit Service” means an array of products and services that allow organizations that receive check payments and/or remittance payments to deposit all payments electronically at Bank, as further described in the applicable User Manual.

h. “Electronic Deposit System” means Bank or its vendors’ computer systems or databases that Customer may access in order to obtain Electronic Deposit Services.

i. “MICR Data” means information from the Magnetic Ink Character Recognition stylized printing on the bottom of checks comprising of routing, transit, account and check serial numbers.

j. “Payor Customers” means clients and/or customers of Customer that submit original paper checks or check information to Customer for payment obligations owed to Customer.

k. “Photo-In-Lieu” or “PIL” means a photocopy of the front of an original paper check created from a Check Image.

l. “Substitute Check” means a paper check document that meets the definition of a “substitute check” in the Check Collection for the 21st Century Act as implemented by Regulation CC of the Federal Reserve Board.

3. Customer Authorizations and Notifications. Customer shall adhere to any and all applicable laws, regulations and clearinghouse rules, including but not limited to, obtaining all necessary consents and authorizations from, and/or providing all necessary disclosures to its Payor Customers concerning the creation of Demand Drafts or the conversion of Payor Customers’ checks to ACH Entries. Customer is solely responsible for ascertaining the content, method, and frequency of any required authorizations and notifications.

4. Determination of Items Eligible for Electronic Deposit.

a. Only original paper checks that qualify as a source document may be converted to an ACH Entry under NACHA Rules. Bank will apply certain automated internal edits and screens to the Electronic Deposit submitted by Customer to determine whether the original paper check is a source document that qualifies for conversion to an ACH Entry. Customer acknowledges and agrees that Customer is the Originator of such ACH Entries under NACHA Rules regardless of whether Customer or Bank initiates the ACH Entry into the payment system.

b. Only a paper item, payable on demand, and drawn on or payable through or at an office of a bank, is eligible for deposit as a Check Image. Unless permitted by applicable law, Customer represents and warrants to Bank that Customer shall not use the Electronic Deposit Services to transmit electronically created payment orders (which are electronic images that are not captured from original paper checks). Without limiting the generality of the preceding sentence, the following items are not eligible for deposit as Check Images or an Electronic Deposit under the Electronic Deposit Services, and Customer must deposit these original paper items with Bank: (i) checks, including traveler's checks, that are drawn on banks located outside of the United States; (ii) non-cash items (as defined under Section 229.2(u) of Federal Reserve’s Regulation CC); (iv) promissory notes and similar obligations, such as savings bonds (unless explicitly permitted as an Electronic Deposit in the applicable User Manual); (v) checks issued by and drawn on Customer or an affiliate of Customer; and (vi) any other class of checks or drafts as identified by Bank to Customer from time to time in the User Manual.

5. Capture of Checks and Check Information.

a. For certain Electronic Deposit Services, Customer shall use scanning hardware and/or software that meets Bank’s specifications. Depending on the type of Electronic Deposit Service or processing option(s) selected by Customer, in the event the condition of a paper check precludes a complete automated read, Customer shall be responsible for visually inspecting the Check Image. Customer shall be responsible for the repair of any MICR Data (if applicable) and for ensuring that any and all information on the front and back of a paper check is accurately captured and legible in the resulting Check Image and otherwise complies with any Check Image or MICR Data quality standards and guidelines that may be established by the American National Standards Institute (ANSI), ECHOO Rules, the Federal Reserve, other applicable regulatory agency or clearinghouse, or which Bank may provide to Customer from time to time. Customer acknowledges that current image technology may not capture all security features (e.g., watermarks) contained in the original paper checks, and agrees to assume any and all losses resulting from claims based on security features that do not survive the image process.

b. Customer further acknowledges that Bank does not verify the accuracy, legibility or quality of the Check Image prior to processing an Electronic Deposit. Bank may, in its sole discretion, reject, repair, alter, amend, re-format or convert the Check Image Metadata or MICR Data submitted in an Electronic Deposit in accordance with general check collection practices and industry presentment standards, but Bank shall have no obligation to reject, repair, alter, amend, re-format or convert the Check Image Metadata or MICR Data. If Bank requires that Customer comply with certain formatting standards or other guidelines outlined in the applicable User Manual when submitting Electronic Deposits (for example, requiring use of the external processing code for identifying Remotely Created Checks) and Customer declines to implement, or comply with, such standards or guidelines, Customer acknowledges that Bank shall not be liable for any error or loss that results from Bank processing such Electronic Deposit or from Bank’s re-formatting or conversion of the Electronic Deposit prior to processing.

c. Bank shall not be liable to Customer for failure to process an Electronic Deposit, or any error that results in processing or collecting an Electronic Deposit: (i) for which Customer has not provided Bank an accurate, complete and legible image of, or information from, the original
paper check; (ii) for which Customer has failed to comply with formatting standards or other guidelines required by Bank; or (iii) which would violate this Agreement, the User Manual or any other agreement between Customer and Bank.

d. If Customer desires to make an Electronic Deposit outside of the contiguous United States, Customer shall seek Bank’s prior approval. Bank may reject a deposit transaction or terminate the Electronic Deposit Services immediately if Customer fails to obtain Bank’s prior approval. If Customer chooses to access Electronic Deposit Services from locations outside the contiguous United States, Customer is responsible for compliance with local laws. Customer agrees not to use Electronic Deposit Services in any country that is subject to geographically-based restrictions imposed by OFAC.

6. Upload of Electronic Deposit to Bank.

a. Customer shall upload the Electronic Deposit transmission (containing one or more Electronic Deposits) to Bank prior to the daily cut-off time established by Bank from time to time for the receipt of Electronic Deposits. Any Electronic Deposit transmission received by Bank after its daily cut-off time shall be deemed to have been received by Bank at the opening of its next Business Day. Performance of the Electronic Deposit Services may be affected by external factors such as communication networks latency. Customer is responsible for the transmission of the Electronic Deposit until the Electronic Deposit System reports a successful acknowledgement of receipt of the transmission.

b. An Electronic Deposit is received when the entire Electronic Deposit transmission in which that Electronic Deposit is contained is received by Bank in accordance with section 6.a. above. If only a portion of that Electronic Deposit transmission is received by Bank for any reason, including without limitation a failure during the transmission to Bank, the Electronic Deposit transmission is deemed to have been not received by Bank with respect to any Electronic Deposit contained in that Electronic Deposit transmission (including any Check Image contained in the portion of that Electronic Deposit transmission that was received).

c. Bank will process Electronic Deposit transmission received from Customer either via ACH Processing, Check Image or Substitute Check collection in accordance with the processing options selected by Customer. For each Check Image sent to Bank in an Electronic Deposit transmission, Customer agrees not to deposit the original paper check nor re-deposit the Check Image at Bank or any other financial institution.

d. A per item limit, dollar limit, or deposit limit may be established by Bank in its sole discretion and communicated to Customer. If any such limit is established, Bank shall have no obligation to process items or files in excess of the limit.

7. Funds Availability. Customer agrees that the transmission of Check Images using Electronic Deposit Services is not subject to the funds availability requirements of Regulation CC. Bank may, at any time, and in its sole discretion, provide a one-time notification to Customer if Bank intends to delay funds availability beyond ordinary Regulation CC funds availability time frames for items submitted by Customer using Electronic Deposit Services. In such instance, funds deposited will be available for withdrawal 3 business days after electronic transmission to Bank. Bank may, but is not required to, make such funds available sooner.

8. Collection of Check Images. Notwithstanding anything to the contrary in this Agreement, Bank may in its sole discretion determine the manner in which Bank will seek to collect a Check Image deposited by Customer for check collection. Without limiting the generality of the preceding sentence, Bank may, at its option: (i) present or transfer the Check Image to the paying bank, a Federal Reserve Bank, check clearinghouse, image share/exchange network, or other bank; (ii) create a Substitute Check or a PIL from the Check Image and collect such item, or (iii) request that Customer provide to Bank the original paper check from which the Check Image was created and then collect the original paper check. Depending on the collection method, the Check Image or physical item is subject to the rules of that clearinghouse, Federal Reserve Bank, or image share/exchange network or financial institution agreement.

9. Representment of Returns. If Customer identifies to Bank a returned ACH Entry as being returned because the original paper check was ineligible as a source document for the ACH Entry, Bank shall use reasonable efforts to collect the check related to the ACH Entry by creating, in Bank’s sole discretion, a Substitute Check, or a PIL from the image of the original paper check.

10. Storage of Check Images. Bank shall store Check Images and other check information on the Electronic Deposit System in accordance with Bank’s record retention schedule, and shall make such information available to Customer according to the applicable User Manuals and fee schedule. If the Electronic Deposit Services are terminated, Customer may obtain Check Images or check information at the price outlined in the fee schedule.

11. Franking, Retention and Destruction of Original Paper Checks. Depending on the requirements outlined in the applicable User Manual, Bank may require, or strongly recommend, that Customer frank or mark the face of each original check after successfully capturing each Check Image to help ensure that an item is not deposited more than once either as a Check Image or physical check. Customer shall destroy the original paper check based on guidelines identified in the applicable User Manual and shall employ commercially reasonable methods to securely store the original paper check until destruction. At Bank’s request, Customer shall provide the original paper check to Bank if the original paper check has not been destroyed by Customer and Bank needs the original paper check to process a payment or resolve a dispute arising from an Electronic Deposit.

12. Representations and Warranties. With respect to each Check Image or Electronic Deposit that Customer transmits to Bank, Customer is deemed to make any representation or warranty that would have applied had Customer deposited the original paper check. In addition Customer is deemed to make to Bank any representation or warranty that Bank makes, under applicable law, clearance house rule, Federal Reserve Operating Circular, bi-lateral agreement or otherwise, to any person (including without limitation a collecting bank, a Federal Reserve Bank, a Receiving Depository Financial Institution, a paying bank, a returning bank, the drawee, the drawer, any endorser, or any other transferee) when Bank transfers, presents or originates a Check Image, Substitute Check, PIL or ACH Entry created from the Electronic Deposit.

13. Customer Responsibility. With respect to each Check Image or Electronic Deposit that Customer transmits to Bank, Customer shall indemnify and hold Bank harmless from and against any and all claims, demands, damages, losses, liabilities, penalties and expenses (including, without limitation, reasonable attorney fees and court costs at trial or on appeal) arising directly or indirectly: (a) from Customer’s breach of a representation or warranty as set forth in section 12 above; (b) as a result of any act or omission of Customer in the capturing, creation or transmission of the Check Image or Electronic Deposit, including without limitation the encoding of the MICR Data from the original paper check; (c) from any duplicate, fraudulent or unauthorized check, Check Image, Substitute Check, PIL or ACH Entry; or (d) for any loss caused by Bank’s acceptance of a Check Image, or creation of a Substitute Check PIL or ACH Entry instead of presentment of the original paper check; or (e) from any other act or omission arising out of Bank’s action or inaction taken pursuant to any request by Customer or pursuant to this Agreement. This section 12 shall survive termination of the Agreement.

14. User Manual. Bank will provide Customer with one or more user guides ("User Manual") in paper or electronic format that will set forth the policies and procedures for the relevant Electronic Deposit Services product with which Customer agrees to comply. Bank may, without prior notification, make amendments to any User Manual. Bank may require that certain employees of Customer attend periodic training as a condition to using the Electronic Deposit Services.

15. Security Procedures and Right to Audit. Customer shall comply with all security procedures for the Electronic Deposit Services that are established by Bank or set forth in the applicable User Manual. Customer is solely responsible for (i) maintaining its own internal security procedures; (ii) safeguarding the security and confidentiality of any information that is obtained from Payor Customers’ checks, Check Images and other information that is either printed from, stored on, or downloaded to, the Customer System, Electronic Deposit System, or Customer’s other computer/data systems or portable media; and (iii) preventing errors or unauthorized access to the Customer System or the Electronic Deposit System. Bank reserves the right to periodically audit
16. Mobile Remote Deposit Services ("Mobile Services"). Depending on the type of Electronic Deposit Service selected by Customer, Mobile Services is an optional add-on service that will allow Customer to make remote check deposits and obtain check deposit history made through the Mobile Services using a supported mobile device. If Customer selects Mobile Services, Customer will need to download and install a Mobile Service application on compatible and supported mobile phones, tablets or other devices (collectively, “Devices”).

a. Description of Mobile Services. Mobile Services allow Customer to use a Device to take photographs of the front and back of the check and to transmit the Check Image to Bank in a secure data encrypted format using Customer’s mobile service provider’s cellular network or the Internet (collectively, “Network”). Certain Mobile Services may allow Customer to use a Device to enter remittance data and to take photographs of the front and back of remittance and general documents associated with the Check Image for reporting and research purposes.

b. Use of Mobile Services. Customer agrees to use Mobile Services in accordance with this Agreement, other user requirements provided in the User Manual, and the downloaded mobile application. Bank reserves the right to modify the scope of Mobile Services at any time, or change or upgrade Mobile Services from time to time, including the right to cease offering the Service on a previously supported Device. Bank also reserves the right to refuse any Electronic Deposit requested through the Service because a Check Image fails image quality standards, is detected as a duplicate item, or for any other reason in Bank’s sole discretion. Customer understands and agrees that Mobile Services may not be accessible at all times due to Network connectivity or may have limited utility over some Networks, such as while roaming. Customer acknowledges and agrees that Bank may use geolocation technology to track that Mobile Services activity occurs within the contiguous United States.

c. Software. Customer agrees not to use Mobile Services or the content or information delivered through Mobile Services in any way that would infringe upon any third-party copyright, patent, trademark, trade secret, or other proprietary rights or rights of publicity or privacy, including any rights in the Mobile Services software. In the event Mobile Services is terminated or Customer’s software license is revoked for any reason, Customer agrees to promptly delete the Mobile Services application from its Devices.

d. Service Limitations.

   i. Neither Bank nor Customer’s mobile service providers can always foresee or anticipate technical or other difficulties related to Mobile Services, which may result in loss of data, personalization settings or other interruptions. Bank assumes no responsibility for the timeliness of any Mobile Services transmissions or communications, or the loss or failure to store any user data, communications or personalization settings in connection with a Device and Customer’s use of Mobile Services.

   ii. Bank shall not be responsible for the operation, security, functionality, or availability of any Device or Network that Customer utilizes to access Mobile Services. Transmission of a Check Image shall not be deemed received unless the Device reports a successful acknowledgement of receipt of the transmission. Customer agrees to exercise caution when utilizing Mobile Services on Devices and to train its authorized users to exercise good judgment and discretion when accessing or transmitting information.

   iii. Information about activity is synchronized between the Mobile Services software and Bank’s Electronic Deposit System, however, deposit information available via the Mobile Services application may differ from the information that is available directly through the Electronic Deposit System. Information and features available directly through the Electronic Deposit System may not be available via the Mobile Services application, and may be described using different terminology. The method of entering information via the Mobile Services application may also differ from the method of entering instructions through the Electronic Deposit System. Customer agrees that Bank shall not be liable for any errors or delays in the content as a result of Customer’s use of the Mobile Services software.

   iv. Customer acknowledges that its mobile service carrier or provider may provide for fees, limitations and restrictions such as data usage charges or data throttling which may have an impact on Customer’s use of or interaction with Mobile Services. Customer agrees to be solely responsible for all such fees, limitations and restrictions.

e. Security.

   i. If Customer permits its employees or agents to use their own personal mobile devices to access Mobile Services, Customer assumes any and all risks associated with the use of personal mobile devices, including but not limited to, any risk that compromises the integrity of Customer’s corporate network or sensitive business data. Customer is solely responsible for implementing policies that will help mitigate the risk of allowing employees to use personally-owned mobile devices, which may include but are not limited to, requiring that Devices are configured and managed with information assurance controls commensurate with the sensitivity of the underlying data and employing Mobile Device Management (MDM) software or other software that secures, monitors, manages and supports mobile devices deployed across operators, service providers and enterprises.

   ii. Customer shall ensure that its employees or agents exercise appropriate precautions surrounding the use and safeguarding of the Devices at all times. Customer agrees not to leave Devices unattended when logged into Mobile Services and to log off immediately at the completion of each access. Customer agrees that a username and password are the agreed upon security procedures and that such security procedures are commercially reasonable. If these security procedures are used to access Mobile Services, Customer agrees that any transactions using Mobile Services are hereby authorized. If Customer permits other persons to use a Device, login information, or any other means to access Mobile Services, Customer will be responsible for the resulting transactions, and Bank shall have no liability for any damages Customer may incur.

   iii. Devices with internet capabilities are susceptible to viruses. Customer is responsible for ensuring that each Device is protected from and free form viruses, malicious software (“malware”), and other harmful components which could result in damage to programs, files, or the Device, or could result in information being intercepted by a third party. Bank shall have no liability for any damages which may result from such viruses, malware, or other harmful components.
D. ACH SERVICES

1. Introduction. If requested by Customer and agreed to by Bank, Customer or its Agent may initiate credit or debit Automated Clearing House ("ACH") transactions ("Entries") for payments ("Credit Entries") and/or collections ("Debit Entries") on Business Days to its accounts or the accounts of others ("Receivers") in accordance with Bank's security procedures and this Agreement. Bank will act as an Originating Depository Financial Institution ("ODFI") with respect to such Entries. Bank may process Entries directly, through one or more clearinghouses, or through the mechanism selected by Bank. Customer's rights and obligations with respect to such Entries are governed by applicable law and the NACHA Rules, as amended from time to time. Customer acknowledges that it shall be bound by NACHA Rules and agrees not to initiate any Entry in violation of the NACHA Rules or applicable federal, state or international law, regulation or clearinghouse rules, including, without limitation, Regulation E of the Board of Governors of the Federal Reserve System, regulations promulgated by the Office of Foreign Assets Control, FinCEN, rules governing the Canadian, Mexican and European payments systems, and Operating Circular 4 of the Federal Reserve Bank (collectively referred to herein as the "Rules"). Customer acknowledges and agrees that Bank shall have the right to examine Customer's books, records and systems to ensure Customer's compliance with the Rules and this Section IV, D and that Bank shall further have the right to suspend Services if Bank determines, in its sole and absolute discretion, that Customer is not complying with the Rules and/or this Section IV, D. Customer acknowledges that a copy of the NACHA Rules is available through NACHA at current NACHA prices. Capitalized terms not otherwise defined in this Agreement shall have the meanings ascribed to them in the NACHA Rules.

2. Entry Origination/Processing Dates/Deadlines. Customer may initiate Entries in the manner and format agreed to by Bank. ACH files transmitted to Bank shall be in an unbalanced file format. Bank has the right to restrict the standard entry class ("SEC") codes utilized by Customer. If notified by Bank of such restriction, Customer must cease use of the SEC code and the underlying transaction type. Customer agrees that all Entries (regardless of SEC Code) that involve the exchange or transmission of banking information via unsecured electronic networks shall be encrypted or transmitted via a secure session, using a commercially reasonable security technology that, at a minimum, is equivalent to 128-bit RC4 encryption technology. Bank will establish a deadline for the receipt of Entries from Customer ("Deadline"). Bank may establish different Deadlines for Entries depending on the method of delivery employed by Customer and all such Deadlines are subject to change. Bank must receive Customer's Entries at or prior to the Deadline for the Entries to be processed on the Business Day of receipt. Entries received after the Deadline, Entries that contain an Effective Entry Date that is invalid or stale, or Entries that are ineligible for Same Day ACH, will be processed on the next Deadline, which may be the next Business Day. Entries with settlement dates of more than thirty (30) calendar days from receipt will not be processed unless prior arrangements have been made. If Customer has opted-in for Same Day ACH, Customer acknowledges that any Entry using the current day's date as the Effective Entry Date. Customer acknowledges that such Entry shall be processed on the next Business Day.

3. Content and Secondary Authorization. In submitting any Entry, Customer shall be responsible for providing all information required by Bank. Customer bears sole and exclusive responsibility to verify that the information set forth in Entries submitted to Bank is authentic, accurate and conforms to the Rules. The Services hereunder are only designed to respond to information provided by Customer. Accordingly, any inaccuracy in any information provided by Customer may result in unauthorized processing by Bank. Bank bears no responsibility for detecting or reporting any error in data supplied by Customer and shall not be liable to Customer for any information provided by Customer with respect to an Entry which is inaccurate, incomplete or otherwise incorrect. Bank strongly recommends that Customer utilize a second individual to review and approve ACH files prior to submission to Bank. Customer acknowledges and agrees that such a security procedure is commercially reasonable and that Customer's failure to use this procedure substantially increases Customer's risk of an unauthorized ACH file.

4. Entry Limits and Payment. Customer agrees to comply with any applicable per transaction or aggregate Entry limits established by the Rules. Customer shall at all times maintain a settlement account with Bank for the purpose of funding Customer's Entries ("Account"). The total dollar amount of Entries initiated by Customer through Bank under all ACH Services and pending on a given day shall not exceed the lesser of collected or available balances in the Account or an exposure limit should one be established by Bank ("Exposure Limit"). Establishment of an Exposure Limit should not be interpreted or construed by Customer as an agreement to provide any credit or loans to a Customer and is subject to modification or termination at any time by Bank. Customer shall pay Bank for all Entries and authorizes Bank to charge its Account or any other account with Bank in the amount of such Entries. Bank shall have the right in its sole discretion to reject any or all Entries initiated by Customer without notice if Bank has reason to believe that there will be insufficient available funds on the relevant settlement date, even if Bank may have previously accepted Entries for processing with insufficient available funds in the Account. Customer will receive funds for any Debit Entry on the ACH settlement date. Bank shall credit the Account in any amount payable to the Customer, subject to Bank's right to make adjustments in accordance with this Agreement. Bank may establish, monitor and periodically review Customer's Exposure Limit and Customer's compliance thereof, and may, in Bank's sole discretion, cease processing Entries based on such review.

5. Prenotification. To the extent permitted by the Rules, Customer may elect to send a prenotification that it intends to initiate an Entry to a particular account in accordance with the procedures set forth in the Rules or by Bank. The prenotification can be returned or result in a Notification of Change ("NOC"). If the prenotification is returned, Customer shall research the problem and make any necessary corrections before transmitting another Entry. If the prenotification results in a NOC, Customer shall make the required change prior to initiating another Entry, or issue a Refused NOC. Bank offers an optional Service that allows Bank to track Customer's NOC on Customer's behalf. Customer acknowledges that Customer's books, records and systems to ensure Customer's compliance with the Rules and this Section IV, D and that Bank shall further have the right to suspend Services if Bank determines, in its sole and absolute discretion, that Customer is not complying with the Rules and/or this Section IV, D. Customer acknowledges and agrees that Bank shall have the right to examine Customer's books, records and systems to ensure Customer's compliance with the Rules and this Section IV, D and that Bank shall further have the right to suspend Services if Bank determines, in its sole and absolute discretion, that Customer is not complying with the Rules and/or this Section IV, D. Customer acknowledges and agrees that Bank shall have the right to examine Customer's books, records and systems to ensure Customer's compliance with the Rules and this Section IV, D and that Bank shall further have the right to suspend Services if Bank determines, in its sole and absolute discretion, that Customer is not complying with the Rules and/or this Section IV, D.

6. Notification of Change ("NOC"). A NOC is created by the Receiving Depository Financial Institution ("RDFI") to notify Customer (via Bank) that previously valid information contained in a posted Entry is outdated, or information contained in a prenotification or live transaction is erroneous or improperly formatted and should be corrected. Bank offers NOC Manager, which is a Service that allows Bank to track Customer's NOC on Customer's behalf. NOC Manager only manages the changes to routing numbers, account numbers and transaction codes. Bank, in its sole discretion, may require that Customer enroll in NOC Manager as part of ACH Services provided to Customer.

7. Data Breach Notification. Customer may have gathered personal or financial information of its customers for the purpose of initiating ACH transactions. Such information may include, without limitation, the customer's bank account number together with the bank routing number, or the customer's name together with the customer's social security number or tax identification number. Customer agrees to immediately report to Bank any loss, theft or unauthorized access of such information ("data breach") by or from Customer, its Agent, or third party service provider, if circumstances indicate that the misuse of such information has occurred or is reasonably possible. Customer acknowledges that Bank may have an obligation to report any data breaches to NACHA and other affected parties, and agrees to establish appropriate procedures to prevent, detect, investigate and report data breaches.

8. ACH Secured Funds. Bank may, at any time, and in its sole discretion, require Customer to prefund some or all Credit Entries that Customer desires to initiate. Customer acknowledges and agrees that such funds are held solely for the benefit of Bank and that Customer will not be entitled to earn any interest thereon. Upon initiation of such Credit Entries, Bank is authorized to immediately charge the Account (in the total amount of such Entries). If ACH Secured Funds is used to initiate Debit Entries, funds will be credited to the Account on the settlement date of the transaction. However, such funds shall not be
available for withdrawal from the Account for two Business Days after the settlement date.

9. File Confirmation System. Customer shall at all times comply with applicable file confirmation procedures and any other security procedures established by Bank. Such procedures are solely for the purpose of verifying the origination of Entries by Customer or Bank's receipt of the ACH file and/or batch (but not for errors in transmission or content).

a. Control Totals. If Customer elects to provide Bank with the total dollar value of Entries and any other necessary information (“Control Totals”), Customer must telephone Bank’s Interactive Voice Response system or input Control Totals through SinglePoint each time it originates Entries. After Bank receives Customer’s ACH file, Bank will compare the information in the ACH file to the Control Totals. If the information matches the Control Totals, Bank will process the ACH file. Bank will notify Customer if the Control Totals do not match the information in the ACH file, or if Bank receives an ACH file without receiving Control Totals or vice versa. Bank will not process an ACH file unless it receives confirming Control Totals before established Deadlines.

b. Confirmation of Receipt. If Customer elects not to provide Bank with Control Totals but elects to receive a confirmation report or file, Bank shall provide Customer with a confirmation that Bank received Customer's ACH file and/or batch. After Customer receives the confirmation report or file, Customer will compare the confirmation information to Customer's ACH transmission information. If the information does not match, Customer shall notify Bank before Bank’s established deadline, failing which, Bank shall process Customer’s ACH file and/or batch. Customer acknowledges that the confirmation report or file is for the sole purpose of verifying Bank's receipt of the file and does not signify any validation of data. Customer bears sole responsibility for any inaccurate or incomplete information provided to Bank if Customer fails to notify Bank prior to Bank’s processing of Customer’s file.

10. Rejected and Returned Entries, Unauthorized Entries. Bank may reject any Entry that is not initiated in accordance with this Agreement. In the event that an Entry is rejected, or returned by an ACH processor, for any reason whatsoever, it shall be Customer’s responsibility to reinstitute the Entry. Bank will give Customer or its designated Agent notice of any rejected or returned Entry in the manner agreed to by the parties. Bank is authorized to debit/credit the Account for Entries that are returned to Bank. Unless the return is caused by Bank’s failure to properly execute an Entry, Bank has no obligation to pay Customer interest on the amount of any returned Entry debited from the Account. A Receiver may, in some cases, have the right to have an unauthorized or erroneous Debit Entry credited to its account. Customer agrees that Bank may deduct the amount owing to the Receiver from Customer’s Account upon Bank’s receipt of proper notice from the Receiver’s bank. Bank may charge back against Customer any Debit Entry that is returned or reversed by the RDFI.

11. ACH Redeposit Service. If requested by Customer and agreed to by Bank, Bank will reinitiate (maximum of two times) each Debit Entry returned for insufficient or uncollected funds.

12. Amendment of Entries. Customer does not have the right to delete, reverse or amend any Entry (each, an “Adjustment Request”) after it has been received by Bank. If Customer sends Bank an Adjustment Request via internet, secure email, or fax in accordance with the terms of this Agreement, Bank will make reasonable efforts to act on the Adjustment Request. All Adjustment Requests must be received by Bank prior to the established deadlines, and even if the Adjustment Request is made in a timely manner, Customer acknowledges that an Adjustment Request may prove unsuccessful (for example, if it is returned by the RDFI for non-sufficient funds). Customer agrees to indemnify Bank in connection with any Adjustment Request in accordance with applicable law.

a. Internet Option. If Customer has selected the Internet Option, Customer may use SinglePoint® to transmit information to Bank for the purpose of amending ACH files. Customer agrees to comply with any applicable software agreement, user guide and any established security procedures.

b. Secure Email Option. If Customer has selected the Secure Email Option, Customer may send an Adjustment Request to a designated shared mailbox at Bank.

c. Fax Option. If Customer has selected the Fax Option, Customer may transmit an Adjustment Request to Bank via facsimile to a designated facsimile number. Customer acknowledges that the Internet and Secure Email Options are substantially more secure than the Fax Option. Customer agrees to be bound by any instructions submitted via the Fax Option, whether or not authorized, issued in its name and accepted by Bank in accordance with the agreed procedures.

13. Customer Representations/Indemnity. Customer represents and warrants to Bank that each Entry: (i) complies with the terms of this Agreement and the Rules; (ii) does not breach any warranty of Customer or Bank contained in this Agreement and the Rules; (iii) complies with applicable state, federal and international laws and rules, including, without limitation, the Electronic Funds Transfer Act, Regulation E and regulations overseen by the Office of Foreign Assets Control; (iv) is accurate, timely, and authorized; and (v) that any Debit Entry is for a sum that on its settlement date is due and owing from the Receiver to Customer or is a correction of a previously transmitted erroneous Credit Entry. With respect to each ACH Entry (regardless of SEC Code), Customer is deemed to make to Bank any representation or warranty that Bank makes, under applicable law and the Rules to any person, RDFI, or any other transferee. Receiver authorizations shall expressly authorize Bank to transmit corrective entries to Receiver’s accounts to correct a prior Entry and shall authorize Customer to release to Bank all information concerning its Receivers that is required by Bank to recover such Entries. Customer shall immediately cease initiating Entries upon receiving actual or constructive notice of the termination or revocation of the Receiver’s authorization. Customer will retain each authorization received by Customer for such period of time as may be required by the Rules or applicable law and shall provide Bank with copies of such authorizations upon request. Customer will indemnify, defend and hold Bank harmless from and against any and all claims, demands, expenses, losses, liabilities, and damages, including without limitation, NACHA fines, reasonable attorney fees and court costs at trial or on appeal that arise directly or indirectly out of any Entry initiated by Customer in violation of this Agreement and the Rules.

14. Re-presented Check Entries. NACHA Rules allow Customer to initiate an Entry to collect certain checks that have been returned unpaid for insufficient or uncollected funds (“RCK Entry”). In the event that Customer initiates an RCK Entry to Bank for check collection purposes, Customer agrees that such RCK Entry will comply with all provisions of this Agreement and applicable Rules and makes the following additional representations and warranties regardless of which entity initiates the RCK Entry on its behalf:

a. Each check is eligible under NACHA Rules to be collected via an RCK Entry.

b. Customer has no knowledge of any insolvency and it has good legal title to the returned item.

c. All signatures on the returned item are authentic and authorized, and the returned item is without alteration, not subject to claims or defenses, and will not be presented to the paying bank.

d. The RCK Entry accurately reflects the item and any information encoded after issue in magnetic ink is correct. (RCK Entries cannot be used for collection fees.)

e. Any restrictive endorsement placed on the item is void or ineffective.

f. Customer has provided clear and conspicuous notice of its electronic check representation policy in advance of receiving the item to which the RCK Entry relates.

g. The Customer will provide to Bank immediately upon request a copy of the front and back of the returned item, provided that the request is made within seven (7) years of the settlement date of the RCK Entry.

15. Internet-Initiated Entries. NACHA Rules allow Customer to initiate a Debit Entry to a consumer Receiver's account pursuant to an authorization obtained from the Receiver via the Internet (“WEB Entry”). In the event that Customer initiates a WEB Entry to Bank, Customer

c. Customer has taken commercially reasonable steps to verify that routing numbers are valid.

d. Customer has established a secure Internet session prior to the key entry by the Receiver of any banking information and through the transmission of the data to Customer. Currently, 128-bit RC4 encryption technology is the standard for financial transactions and is considered commercially reasonable. If technological advancements drive the commercially reasonable standard to change, Customer agrees to comply with the new standard.

e. Customer has and will conduct an annual audit to ensure that the financial information that Customer obtains from Receivers is protected by security practices that include adequate levels of: (1) physical security to protect against theft, tampering, or damage, (2) personnel and access controls to protect against unauthorized access and use, and (3) network security to ensure secure capture, storage and distribution of financial information. Customer will provide proof of Customer’s security audits to Bank upon request. Any such information provided to Bank shall be kept confidential. Bank may cease processing Entries for Customer if Bank in its sole discretion determines that Customer’s security procedures are inadequate.

16. Telephone-Initiated Entries. NACHA Rules allow Customer to initiate a Debit Entry to a consumer Receiver’s account pursuant to the Receiver’s oral authorization and banking information obtained via the telephone (“TEL Entry”). In the event that Customer initiates a TEL Entry to Bank, Customer agrees that such TEL Entry will comply with all provisions of this Agreement and applicable Rules, and makes the following additional representations and warranties regardless of which entity initiates the TEL Entry on its behalf:

a. Receiver Authorization. Customer shall obtain the Receiver’s explicit authorization prior to initiating a Debit Entry to the Receiver’s account. In the event that Customer obtains the Receiver’s authorization verbally, Customer will either tape record the Receiver’s oral authorization or provide, in advance of the settlement date of the Entry, written notice to the Receiver that confirms the oral authorization. Customer agrees that, at a minimum, the following specific information is disclosed to, and acknowledged by, the Receiver during the telephone call:

(i) the date on or after which the Receiver’s account will be debited;

If Customer chooses to provide the Receiver with written notice confirming the Receiver’s oral authorization, Customer will disclose to the Receiver during the telephone call the method by which such notice will be provided.

b. Security Procedures. In addition to all other representations and warranties contained herein, Customer also represents and warrants the following each time it delivers a TEL Entry to the Bank that it has (a) utilized a commercially reasonable security procedure to verify the identity of the Receiver, including name, address and telephone number; and (b) further that Customer has established commercially reasonable procedures to verify the accuracy of the RDFI’s ABA routing and transit number.

17. Accounts Receivable and Back Office Conversion Entries. NACHA Rules allow Customer to utilize ACH to collect consumer check payments received via U.S. mail or at a dropbox location (“ARC Entry”). NACHA Rules also enable Customer to convert during back office processing checks presented either at the point of purchase or a manned bill payment location (“BOC Entry”). In the event that Customer initiates an ARC or BOC Entry to Bank, Customer agrees that such ARC or BOC Entry will comply with all provisions of this Agreement and applicable Rules and makes the following additional representations and warranties regardless of which entity initiates the ARC or BOC Entry on its behalf:

a. Prior to the receipt of each check, Customer has provided clear and conspicuous notice to the Receiver: (i) that receipt of the check is authorization for a payment as a check transaction or for a one-time ACH debit to the Receiver’s account; and (ii) of Customer’s phone number for inquiries regarding BOC Entries.

j. For BOC Entries, Customer maintains a working telephone number that is answered during Customer’s normal business hours for Receiver inquiries regarding BOC transactions.

18. Point of Purchase (POP) Entries. NACHA Rules allow Customer to initiate a Debit Entry to a Receiver’s account for in-person purchases made by check at the point of-purchase (“POP Entry”). In the event that Customer initiates a POP Entry to Bank, Customer agrees that such POP Entry will comply with all provisions of this Agreement and applicable Rules and makes the following additional representations and warranties regardless of which entity initiates the POP Entry on its behalf:

Bank assumes no liability for delays, non-delivery, late returns or other events resulting from processing delays by the correspondent bank or for other causes beyond Bank’s control. Cancellation or amendment of an IAT Entry involving non-US dollar currency is subject to any rate exchange loss as determined by Bank. Customer agrees to sell any canceled or amended Entry to Bank at the then current applicable foreign currency buy rate.

b. Remittance Transfer Provider. If Customer is at any time classified as a Remittance Transfer Provider under Regulation E, Customer represents, warrants and agrees that:

(i) Customer shall be responsible for performing and complying with the requirements of 12 CFR Part 1005, including, but not limited to, providing disclosures to the consumer (sender), the error resolution procedures, the provision of any remedies to the consumer, and the cancellation and refund of remittance transfers;

(ii) Bank is acting as an agent and not as a Remittance Transfer Provider when performing activities on behalf of Customer; and

(iii) Even if Bank is deemed a Remittance Transfer Provider under applicable law, Customer shall take all actions necessary to comply with the obligations of a Remittance Transfer Provider.

Customer agrees to indemnify and hold Bank harmless from and against any and all loss, liability, damage, costs and expenses (including attorneys’ fees) that Bank may sustain in reliance on Customer’s representations and warranties set forth herein.

20. Third Party Vendors. If Customer initiates Entries through a third party vendor or processor ("Vendor"), Vendor is the agent of Customer and not of Bank. If Customer uses a Vendor, Customer shall be deemed to have authorized Bank to follow the instructions of such Vendor to the same extent and under the same conditions as would apply if the instructions came direct from Customer and Customer shall be responsible for insuring that such Vendor fully complies with the Rules and this Agreement. Bank is not responsible for the acts or omissions of Vendor and Customer agrees to be liable for and hold Bank harmless from, any losses caused by the acts or omissions of Customer’s Vendor.

21. Third Party Sender. If Customer is transmitting Entries as a third party vendor or processor on behalf of originators ("Third Party Sender"), Customer agrees to be bound by the applicable terms provided in this Section IV, D and NACHA Rules. Customer warrants to Bank that the originator has agreed to assume the responsibilities of an Originator under NACHA Rules and that ACH Entries shall not be initiated in violation of laws of the United States. Customer represents that it has executed an ACH agreement with each Originator and that the agreement binds the Originator to the NACHA Rules. Customer shall provide Bank with the list of Originators, copies of the agreements, and other information deemed reasonably necessary to identify the Originators within two (2) Business Days of Bank’s request. Bank reserves the right to review the list of Originators for which Customer is transmitting the Entries and to reject any in Bank’s sole discretion. As Third Party Sender, Customer agrees to indemnify, defend and hold Bank harmless from and against any and all claims, demands, expenses, losses, liabilities, and damages, including reasonable attorney fees and court costs at trial or on appeal that arise directly or indirectly from the failure of the Originator to perform its obligations as an Originator under NACHA Rules. Customer further agrees to assume all applicable responsibilities, warranties and liabilities of the ODFI, as specified in the NACHA Rules. Customer shall cooperate fully and respond within five (5) Business Days to any inquiry from Bank relating to potential NACHA Rule inquiries or violations.

22. Cash Concentration/Deposit Reporting Services. Customer may request Bank to provide deposit reporting Services based on information provided by the Customer or its designated Agent. Information will be delivered to Bank at the time and location established by Bank. Bank has no responsibility for the accuracy of any information provided by Customer. Customer may authorize Bank to initiate Credit or Debit Entries to accounts designated by Customer at other financial institutions. Bank will initiate such Entries in accordance with agreed procedures. Customer agrees to authorize RDFIs to honor such transactions.

23. ACH Positive Pay Service. ACH Positive Pay Service assists Customer in detecting fraud by electronically matching incoming ACH transactions to authorizations that Customer can create and manage online. If ACH Positive Pay Service is selected by Customer, Customer shall designate the account(s) maintained at Bank that are to be used with the ACH Positive Pay Service ("Account"). Customer shall create authorizations for incoming ACH Credit and/or Debit Entries that it desires to post to the Account. Customer shall be responsible for the accuracy and completeness of all information provided to Bank. Customer will allow incoming Entries that match Customer’s authorizations to post to Customer’s Account. Incoming ACH transactions that do not match Customer’s authorizations will be treated as exception items, and Customer agrees to monitor, review and make payment decisions on the exception items prior to Bank’s established deadline. Bank is authorized to return all exception items unless Customer instructs bank to pay one or more exception items prior to the established deadline. Bank shall have no responsibility for any liability, loss or damage resulting from the return of any exception item to the Originator in accordance with this section or Customer’s failure to meet Bank’s established deadlines. Bank’s failure to report a discrepancy will not discharge Customer’s obligation with regard to any item, and shall not obligate Bank to return any item if it is otherwise authorized.
E. WIRE TRANSFER SERVICES

1. Introduction.

a. Governing Law. Bank sends outgoing and receives incoming wire transfers through Fedwire (the funds transfer system owned and operated by the Federal Reserve Banks or other provider in accordance with section II.23.A.). All funds transfers are governed by this Agreement, Subpart B of Regulation J of the Federal Reserve Board, OFAC regulations, and all other applicable international, federal, state and local laws and regulations. Customer agrees not to initiate or receive a wire transfer payment order in violation of applicable federal, state or local law.

b. Authorized Users. Customer will designate to Bank in the form required by Bank those individuals authorized to instruct Bank regarding wire transfer Services including without limitation, individuals authorized to initiate payment orders and select advice methods, confirmation methods, and any or all authorizations and instructions that may be requested by Bank. Bank may rely on any such authorization until it has been revoked in writing by Customer. Bank shall have a reasonable time to process any revocation received pursuant to this section.

2. Routing/Time Deadlines. Bank may use any means of transmission, funds transfer system, intermediary bank, clearinghouse or route that Bank reasonably believes is suitable for each outgoing wire transfer. Bank will establish from time to time one or more deadlines after which Bank will not accept an incoming payment order to be processed on the day of receipt. Payment orders received after Bank’s established deadline or on any non-Business Day, including any Saturday, Sunday, holiday or any day that Bank’s wire department is not open will be considered received on the next Business Day.

3. Payment Orders.

a. Communication. Customer may communicate a payment order to Bank by the means and manner agreed to between the parties.

b. Content of Payment Orders. Customer will supply to Bank any information required by Bank may reasonably request regarding any payment order initiated by Customer, including, without limitation, money amounts, affected accounts, dates of transfer, the beneficiary’s name and account number, the name and routing number or bank identifier code of the beneficiary’s financial institution, such additional information as Bank may reasonably request and, if necessary, further evidence of any Agent’s authority to transfer funds or to do any other act contemplated by this Service.

c. Execution of Payment Orders. Customer authorizes Bank to execute and charge Customer’s account(s) with Bank for payment orders delivered to Bank in accordance with this Agreement. Bank has no obligation to execute a payment order if Customer’s account to be charged has insufficient collected and available funds to cover the order.

d. Processing Payment Orders. The order in which Bank processes wire transfer payment orders is determined solely by Bank. Customer does not have the right to reverse, adjust or revoke any payment order after it has been received by Bank, provided, however, that Bank will make a reasonable effort to act on such a request by Customer. With respect to a payment order already transmitted to the beneficiary’s financial institution, Bank shall, at Customer’s request, request the financial institution to return funds previously transferred. Customer understands that the receiving institution is under no legal obligation to comply with this request.

e. Rejection of Payment Orders. Bank may reject a payment order from Customer if such payment order is not initiated in accordance with the applicable security procedure, if there is any inconsistency between a payment order and information previously supplied to Bank, if Bank is unable to obtain confirmation of such payment order satisfactory to Bank, if there are insufficient collected funds in Customer’s specified account to fund the payment order, or if Bank has other reasonable grounds not to honor the payment order. Bank will notify Customer by telephone that it has rejected a payment order. Bank may also reject an incoming payment order if it has reasonable grounds to do so.

f. Standing Payment Orders. If requested by Customer and agreed to by Bank, Customer may initiate a standing payment order, which is one where the Customer pre-programs the beneficiary, the beneficiary’s financial institution, and the accounts to be debited and credited and such information remains constant for subsequent payment orders. Customer shall provide Bank with the necessary information to execute the standing payment order, including, without limitation, the dollar amount to be transferred or the desired peg balance, the frequency of the order and the day of week or month when the payment order is to be executed. Customer may terminate a standing payment order at any time upon receipt by Bank of a written notice. Bank shall have a reasonable time to act upon such notice.

g. Batch Wire; Real-Time Wire Interface.

(i) Service Specifications. If requested by Customer and agreed to by Bank, the Batch Wire service and Real-Time Wire Interface service allows Customer to initiate payment orders from its computer to Bank’s computer, subject to the provisions of this Agreement. In addition, the Real-Time Wire Interface service allows Customer to receive reports of incoming wire activity. Customer will comply with the relevant interface specifications established by Bank for these services, including, without limitation, file formats, means of data transmission, or establishing a secure connection (the “Specifications”). Bank may furnish Customer with modifications to the Specifications and Customer shall implement such modifications as soon as reasonably practicable.

(ii) Wire Transfer Software, Confidentiality. Customer or its Agent shall be solely responsible for creating the computer programs to implement the Specifications (“Wire Transfer Software”). Customer shall maintain the confidentiality of the Specifications and the Wire Transfer Software and permit access solely to those responsible for supporting the Wire Transfer Software or authorized to initiate payment orders. Customer shall implement passwords and other security devices commensurate with the highest level of security afforded by Customer to other computer programs and confidential information of Customer.

a. Confirmation Method. Customer and Bank shall agree to the method of confirming payment orders received from Customer. Customer shall designate Authorized Users to confirm payment orders. Bank recommends a minimum of three potential Authorized Users to confirm payment orders and that Authorized Users serve as an initiator or a confirmer, but not both. Notwithstanding Bank’s recommendation, if Customer permits an Authorized User to act as both initiator and confirmer, Customer hereby authorizes Bank to process a wire initiated and confirmed by such Authorized User. Customer may add, change or delete the Authorized Users in accordance with Section II.F. of this Agreement. In the event the designated Authorized Users with authority to confirm are not available to confirm a payment order, Customer agrees that Bank may, at its discretion, elect to process the payment order initiated by an Authorized User. Customer agrees to be bound by any such payment order processed by Bank.

b. Waiver of Confirmation. Bank advises Customer not to waive confirmation. If Customer, however, chooses to waive confirmation, Customer agrees to be liable for all outgoing payment orders, except where those payment orders where (1) Customer is able to conclusively prove that the unauthorized transfer could not have been prevented by the use of confirmation procedures; (2) Bank is unable to produce any evidence that the unauthorized transfer could have been prevented by the use of confirmation procedures; and (3) Customer is not otherwise liable for the transfer under this Agreement or applicable law. Customer acknowledges that not using confirmation procedures substantially increases Customer’s risk of liability for an unauthorized wire transfer.

c. Confirmation of Wire Transfers Initiated through SinglePoint®, Batch Wire, or Real-Time Wire Interface (collectively, the “Customer Initiation Methods”). Customer represents and warrants that the confirmation of payment orders initiated through any of the Customer Initiation Methods shall be verified, initiated and confirmed by Customer prior to receipt by Bank. All payment orders shall be initiated and confirmed in accordance with the security procedures established for the relevant Customer Initiation Method.
5. Advices.

a. Advice Method. Customer will select the type of advice it wishes to receive after Bank receives an incoming wire transfer. If Customer selects telephonic advice, Customer may designate person(s) to be contacted and telephone numbers to be used for advice purposes. Bank shall not be required to make more than one attempt to reach Customer's designated location by telephone. If Bank is able to reach the Customer's designated location, but not Customer's designated Agent, Bank may leave a message containing the information to be conveyed.

b. Advices by Facsimile. If Customer selects advice by facsimile ("fax"), Customer shall exercise extreme care in maintaining its own security in the receipt of fax advice. Customer acknowledges that the information to be received by fax may include confidential information, including, without limitation, names, amounts, phone numbers, originating account information, and the text of incoming wires. Customer further acknowledges that it alone assumes full responsibility for maintenance of its internal security procedures to keep such information confidential. Customer agrees to indemnify, defend and hold Bank harmless against any and all loss, liability, damage, costs and expenses (including attorney fees) that Bank may sustain in reliance on Customer's representations and warranties set forth herein.

c. Waiver of Advice. Customer may waive its right under the Uniform Commercial Code to receive advices by so indicating on the applicable Implementation Documents.

d. Authorizations. Customer's authorization for reverse wire requests shall remain in effect until Customer gives written notice to Bank. Bank will have a reasonable time to act on any written notice received from Customer.

e. Limitation on Bank's Liability. In consideration of Bank's compliance with this authorization, Customer agrees that Bank's treatment of any Fedwire message after it is received by Bank; however, Bank will use reasonable efforts to act on such a request by Customer to reverse, adjust or revoke any Fedwire message after it is received by Bank; however, Bank will use reasonable efforts to act on such a request by Customer to reverse, adjust or revoke such message before Bank has sent the outgoing wire transfer. With respect to an outgoing wire transfer already transmitted by Bank, Bank shall, at Customer's request, request the receiving financial institution to return funds previously transferred. Customer understands and agrees that the receiving financial institution may or may not comply with any such request.

a. General. Wire Transfers across country borders are customarily done by Bank through a correspondent bank. Outgoing US dollar payment orders to selected countries may be converted by Bank or its correspondent to the local beneficiary's currency at the applicable rate in effect at any point in the processing chain, unless Customer has instructed Bank not to convert the currency. Any fee, commission or charges assessed by Bank or the correspondent bank may be passed on to the Customer or deducted from the wire transfer amount by Bank or the correspondent bank, or such costs may be shared or split (that is, allocated to Customer and deducted from the wire transfer amount). Payment to a foreign country is subject to the laws of the foreign country involved. Bank assumes no liability for delays, non-delivery or other events resulting from causes beyond Bank's control. In refunding unexecuted payment orders, Bank shall be liable to Customer only to the extent it receives payment from the correspondent bank processing the transfer. Cancellation of a transfer involving non-US dollar currency is subject to any rate exchange loss as determined by Bank. Customer agrees to sell any canceled payment order to Bank at the then current applicable foreign currency buy rate.

b. Remittance Transfer Provider. If Customer is at any time classified as a Remittance Transfer Provider under Regulation E, Customer represents, warrants and agrees that:

(i) Customer shall be responsible for performing and complying with the requirements of 12 CFR Part 1005, including, but not limited to, providing disclosures to the consumer (sender), the error resolution procedures, the provision of any remedies to the consumer, and the cancellation and refund of remittance transfers;

(ii) Bank is acting as an agent and not as a Remittance Transfer Provider when performing activities on behalf of Customer; and

(iii) Even if Bank is deemed a Remittance Transfer Provider under applicable law, Customer shall take all actions necessary to comply with the obligations of a Remittance Transfer Provider.

Customer agrees to indemnify and hold Bank harmless from and against any and all loss, liability, damage, costs and expenses (including attorneys' fees) that Bank may sustain in reliance on Customer's representations and warranties set forth herein.

7. Reverse Wire Transfers.

a. Authorized Debits. If requested by Customer and agreed to by Bank, Customer authorizes Bank to debit Customer's account(s) with Bank upon receipt of a Fedwire drawdown request, and to send funds to the Requesting Bank. Each transfer will be done on the Business Day Bank receives the incoming request from the Requesting Bank if the request is received within a reasonable time to determine whether Customer's Account has sufficient available funds and to obtain access to the Federal Reserve network prior to the close of business.

b. Reverse Wire Funding. Customer acknowledges and agrees that Bank may reject any reverse wire request in excess of the collected and available balance. Requesting Bank will be notified if the request is rejected by Bank.

c. Wire Transfer Numbers. Customer's obligation to pay Bank the amount of the funds transfer in the event that the Fedwire message does not identify the same account or financial institution is not excused in such circumstances. When names and numbers are inconsistent, the numbers shall control. With respect to incoming wire transfers that do not indicate an account number recognizable to Bank, Bank may return the wire transfer to the sending financial institution without incurring any liability. Customer does not have the right to reverse, adjust, or revoke any Fedwire message after it is received by Bank; however, Bank will use reasonable efforts to act on such a request by Customer to reverse, adjust or revoke such message before Bank has sent the outgoing wire transfer. With respect to an outgoing wire transfer already transmitted by Bank, Bank shall, at Customer's request, request the receiving financial institution to return funds previously transferred. Customer understands and agrees that the receiving financial institution may or may not comply with any such request.

8. Additional Limits on Bank's Liability. Bank is responsible only for performing the Services described in this Section. Bank shall not be responsible for the acts or omission of Customer, any Federal Reserve Bank or other financial institution, any transmission or communication, or any other person and no such person shall be deemed to be Bank's agent under this Agreement.
F: DATA TRANSLATION SERVICES

1. Introduction. Bank may provide electronic data integration, custom formatting, or data translation ("Data Translation Services") to electronically streamline the exchange of payments, remittance and other information between Customer and Bank and between Customer and its trading partners. If requested by Customer and agreed to by Bank, Bank will provide Data Translation Services in accordance with this Agreement and other procedures provided to the Customer. Customer agrees that Data Translation Services shall be governed by this Section and all other relevant sections of this Agreement.

2. Scope of Services. Data Translation Services may be used by Customer to initiate and receive payments using multiple payment channels or networks such as checks, wire transfers, ACH, credit card and SWIFT, and to provide and receive business communications such as remittance data, payment data, invoices, confirmations, orders, or other information in Customer’s preferred format. In order to obtain Data Translation Services, Customer must maintain an analyzed demand deposit account with Bank.

3. Entry Origination/Processing Dates/Deadlines. Customer may from time to time deliver to Bank requests to format information for payments and/or other data translation via the agreed upon means (collectively, “Data Translation Request(s)”). All Data Translation Requests shall conform to the content, format, deadlines and other specifications that may be established by Bank or a third party software program approved by Bank for use with the Service. Bank may establish different deadlines for Data Translation Requests depending on the method of delivery employed by Customer and all such deadlines are subject to change. Bank must receive Customer’s Data Translation Requests at or prior to the deadline established for processing on the Business Day of receipt. Data Translation Requests received after the deadline will be processed on the next Business Day. Customer will be notified if a Data Translation Request is rejected in accordance with procedures established by Bank. Customer represents and warrants that all information in each Data Translation Request delivered to Bank by Customer shall be accurate, timely, authorized and will otherwise comply with all applicable laws, rules and regulations.

4. Content and Transmission of Information. Data Translation Requests are only designed to respond to information provided by Customer. Accordingly, any inaccuracy in any information provided by Customer may result in unintended processing by Bank. Bank bears no responsibility for detecting or reporting any error in data supplied by Customer and shall not be liable to Customer for any information provided by Customer with respect to a Data Translation Request which is inaccurate, incomplete, duplicative, or otherwise incorrect. Customer shall retain data on file adequate to permit Customer to remake each request for at least ten (10) Business Days following the date a file is sent to Bank, and shall provide such data to Bank on request. Customer acknowledges that Bank has no obligation to maintain back-up copies of requests or other information delivered by Customer to Bank. Customer acknowledges that Data Translation Services may involve the transmission of confidential consumer information that may be subject to privacy laws and regulations, including breach notification regulations. Customer agrees to notify Bank if Customer sends or receives protected health information as part of Data Translation Services. If Customer is the recipient of misdirected information, Customer shall immediately notify Bank and return the information to Bank. Customer agrees not to retain, use, copy, distribute or otherwise disclose the information in any manner.

5. Payment Requests. Customer agrees that its requests to initiate payments utilizing Data Translation Services shall be governed by this Section, the sections of this Agreement governing the applicable payment mechanism, and all other applicable laws, rules and regulations governing the relevant payment mechanism. Customer authorizes Bank to execute all electronic and check payment requests (“Payment Requests”), and settle to the Customer’s account all Payment Requests, delivered to Bank in compliance with the terms of this Agreement, including the security procedures. Customer is solely responsible for initiating the Payment Requests sufficiently in advance to meet Customer’s contractual obligations to its vendors and/or its customers. Bank shall not be responsible for any late payment or finance charges that may result from Customer’s failure to allow sufficient lead-time.

a. Electronic Payment Requests. Customer may from time to time request that Bank initiate electronic payments using the ACH network, the credit card network, the SWIFT network, the wire transfer system or other electronic funds transfer system (“Electronic Payment Requests”). Except as may be provided elsewhere, Customer may not amend or revoke Electronic Payment Requests after they have been received by Bank. Customer acknowledges that the rules of NACHA and other electronic funds transfer systems may make any credit provisional until the financial institution crediting the account of the beneficiary specified in an Electronic Payment Request receives final settlement and that if the financial institution does not receive final settlement, it is entitled to a refund and Customer shall be deemed not to have paid the beneficiary. Electronic Payment Requests with settlement dates of more than thirty (30) calendar days from receipt will not be processed unless prior arrangements have been made. Customer authorizes Bank to use whatever means Bank, in good faith, deems reasonable under the circumstances to execute each Electronic Payment Request, including selection of a funds transfer system, routing, and means of transmission.

b. Check Payment Requests. Customer may from time to time request that Bank print checks and related remittance information (“Check Payment Request(s)”) and issue and distribute such checks and information. Customer shall designate the account(s) from which Bank is to make payment (“Payment Account”) and shall maintain a sufficient balance in the Payment Account to fund its Check Payment Requests. To mitigate against fraud, Bank may require that Customer utilize Bank’s Positive Pay Services with the Payment Account. Customer agrees that checks drawn in a manner consistent with a Check Payment Request shall be duly authorized to the same extent as a check drawn and signed by Customer and is properly payable by Bank. Customer authorizes Bank to deduct the Payment Account in the amount of the Check Payment Request. If there are insufficient funds in the Payment Account to make a Check Payment Request, Bank may in its sole discretion either refuse to make the payment, or make the payment and overdraft the Payment Account. In either event, Customer shall incur fees as disclosed by Bank in the account agreement and related fee schedules and other disclosures. Customer has no right to reverse, adjust or revoke any Check Payment Request after it has been received by Bank. Bank will, however, make reasonable efforts to act on such a request by Customer. If Check Payment Requests relate to printing checks drawn on another financial institution’s account (“Off-Us Checks”), Customer acknowledges that Bank shall not be liable for any fraudulent or unauthorized activity that may arise from the use of such Off-Us Checks. If Check Payment Requests relate to printing payroll checks, Customer acknowledges that Bank shall only print payroll checks and shall not be responsible for any other aspect of payroll processing, including, but not limited to, producing IRS Form W-2s, 1099s, or other payroll-related tax documents. In addition, Customer represents and warrants that it shall not include any social security numbers in the Check Payment Requests for payroll checks and agrees to indemnify and hold Bank harmless if the checks or check stubs are printed with social security numbers.

6. Security Procedures. Customer shall comply with all security procedures established by Bank for Data Translation Services. Customer agrees that all Data Translation Requests that involve the exchange or transmission of banking information shall only use secure transmission options supported by Bank. For some Services, such as ACH, Customer and Bank may establish alternative, comparable security procedures for accessing such Services when Data Translation Services are utilized. Customer is solely responsible for maintaining its own internal security procedures to prevent errors or unauthorized access to Customer’s computer systems by unauthorized employees, vendors or customers. Bank has no responsibility for the security procedures employed by Customer’s trading partners.

7. File Confirmation Procedures. Customer shall at all times comply with the applicable file confirmation procedures established by Bank. File confirmation procedures utilizing Data Translation Services are solely for the purpose of verifying Bank’s receipt of the Payment Requests but not for identifying errors in transmission or content.

a. Control Totals. Customer shall call Bank’s Audio Response Unit (“ARU”) or send a data file to Bank providing the total items and dollar value of the Payment Requests and any other necessary information (“Control Totals”). After Bank receives Customer’s Payment Requests,
Bank will compare the Payment Requests to the Control Totals. If the Control Totals match the Payment Requests, Bank will process the Payment Requests. Bank will not process the Payment Requests if Bank does not receive conforming Control Totals on or before the established delivery deadline. Bank will notify Customer if the Control Totals do not match the Payment Requests, or if Bank receives Payment Requests without receiving Control Totals or vice versa.

b. Payables File Manager. Payables File Manager is an elective Service that allows Customer to confirm that Bank has received Customer’s files. Using SinglePoint® or other applications or systems as may be introduced by Bank, Customer may view the status of Data Translation files sent by Customer to Bank. If Customer selects this Service, Customer agrees to promptly and regularly review the status of all files displayed in the Payables File Manager and to notify Bank if any files sent by Customer were not received by Bank. Customer bears sole responsibility for any inaccurate or incomplete information sent to Bank if Customer fails to notify Bank prior to Bank’s processing of Customer’s files.

G. COURIER SERVICES

1. Introduction. Such cooperation shall include reasonable requests by Customer to the makers of the checks to issue duplicates for the damaged, lost or destroyed items. Customer shall notify Bank of any damaged, lost or destroyed items no later than sixty (60) days following the day the items were delivered to the Courier. Bank shall have no obligation to research any damaged, lost or destroyed items if Customer fails to notify Bank within the prescribed time.

6. Processing. Bank is authorized to open the bag and to process the contents in accordance with Bank’s normal procedures and any applicable availability schedules. All deposits shall be subject to verification and adjustment by Bank. Bank’s verification shall be deemed correct and binding upon Customer absent manifest error. If Bank discovers a discrepancy between the contents of the bag and the deposit ticket, Customer hereby authorizes Bank to process and deposit the contents, and to complete an adjustment ticket, which will be mailed or delivered to Customer.

7. Actual Receipt Required. Bank is not liable for any losses, damage or destruction of items that occur while in the custody of the Courier. Bank shall not be considered as an insurer of any deposits placed with the Courier until such time the deposits are received and acknowledged by Bank. b. Customer may order currency and coin from Bank as follows:

(i) The preferred order for currency is in standard full strap (100 banknotes) quantities only.

(ii) Coin may be ordered in standard full box units (50 rolls), individual rolls or loose standard bags only.

(iii) A charge for the face value of the monies ordered will be made to the Account on the day the order is processed by Bank.

(iv) Orders for coin and currency may be placed no later than the deadline established by Bank from time to time for delivery on the next Business Day. Depending on Customer’s location, select cash vault sites may require a minimum two-day lead time or more for coin and currency orders.

(v) Bank must be notified of any discrepancies pertaining to coin or currency orders within two Business Days of receipt by Customer of such coin or currency. Customer must return documentation to back-up outages such as plastic change order bag, currency strap, coin wrapper and/or box.

6. Processing. Bank will provide processing on all days Monday through Friday, except for holidays on which Bank is closed. Cash Vault Services using third party vendor applications with time stamp data are for informational purposes only and may not reflect actual timing of receipt, posting or verification of Customer’s deposits by Bank. Bank shall not be liable for any inaccurate or incomplete information with respect to such time stamp data provided to Customer.

7. Carrier Service. Any carrier service utilized to deliver or secure coin, currency or other property to or from Bank, including, without limitation, the United States Postal Service, will act as the agent of Customer and not of Bank. Customer and carrier shall agree upon the delivery days and times. Customer will bear the entire risk of loss of coins, currency or other property of Customer when in the custody or control of Customer’s carrier service.

8. Remote Cash Deposit. The Remote Cash Deposit Service allows Customer to contract directly with one or more armored carriers to utilize a ‘smart’ safe at one or more Customer locations that will enable Customer to receive Bank-offered provisional credit for the currency residing in each safe. If this Service is selected by Customer and agreed to by Bank, the armored carrier is responsible for providing on-going maintenance for the safe, currency pickups, and delivery of the currency to Bank. Bank shall not be responsible for the safe or any aspect of the Service provided by Customer’s armored carrier. Prior to Bank’s established cut-off time, the armored carrier will provide Bank with an electronic presentment file of the currency amount at each safe location. Bank will post to Customer’s Account the credits, debits or adjustments in the presentment files sent by the armored carrier. Bank shall provide provisional credit only for the declared values in the presentment file that were verified and accepted by the safe’s currency acceptor. All coin, check, mutilated currency, or other similar items shall not be deposited in the safe, shall be handled by Customer as a separate deposit and will not be given provisional credit under the Remote Cash Deposit Service.
Customer must deliver the physical currency to Bank within applicable timeframes that are dependent on Customer's pickup frequency, which in no event shall be greater than fifteen calendar days after Customer receives the provisional credit. Any physical currency not received by Bank within the applicable timeframes will be debited from Customer’s Account without further notice. Bank shall charge Customer’s Account for any counterfeit currency deposited in the safe. Customer agrees to indemnify, defend and hold Bank harmless from and against any and all claims, demands, expenses, losses, liabilities and damages of any nature whatsoever, including, without limitation, reasonable attorney fees and court costs at trial or appeal arising directly or indirectly from Customer’s failure to maintain sufficient funds in its Account to cover any obligations incurred hereunder. Customer acknowledges and agrees that all items deposited in the safe, including, but not limited to, all coin, currency, checks, securities, bonds, and other valuables (without limitation, “Safe Contents”) are held in trust solely for the benefit of Bank, Customer has no right, title and interest in the Safe Contents after they are deposited in the safe and that Customer has no present ability and will not have the future ability to remove the Safe Contents from the safe. Customer further acknowledges and agrees that the provisions contained herein are enforceable against it regardless of whether Customer owns or leases the safe located at any Customer location.

9. Representations. Customer represents and warrants to Bank that (a) all funds deposited with Bank will be the proceeds of, and all funds ordered and withdrawn from Bank will be intended for use in, Customer’s lawful activities and (b) all of Customer’s transactions hereunder will be conducted solely on Customer’s behalf and not on behalf of any other person or entity.

10. Regulatory Compliance. Customer shall provide Bank immediately upon request with any information, and otherwise shall cooperate with Bank in every way necessary in order to enable Bank to fulfill its obligations with respect to the reporting of transactions in coin and currency or any other regulatory requirement.

11. Agents. Bank from time to time may use a third party or agent to receive Customer’s deposits, to deliver Customer’s coin and currency orders, or to perform any other Services of Bank hereunder. Bank will provide Customer with all necessary instructions for contact with such third party or agent. Customer agrees to implement and properly use any and all other security procedures prescribed or recommended by any third party or agent providing this Service on Bank’s behalf and agrees to hold Bank harmless from any claims or losses arising from Customer’s failure to implement and properly use any security procedures prescribed or recommended by such third party or agent. If Customer uses its own agent or vendor to provide a specific service for Customer, Customer agrees Bank shall not be liable for the actions of such agent or vendor.

12. Use of and Access to Cash Vault Services. Customer acknowledges and agrees that Cash Vault Services are to be used exclusively for its benefit and, absent prior written approval by Bank, Customer will not permit third parties, including non-Customers or other Agents of Customer (excluding approved armored car carriers or agents making cash deposits into a Customer’s account at Bank and agents ordering cash on behalf of a Customer), from accessing or otherwise using any Cash Vault Services offered by Bank.

I. U.S. BANK EASYTAX™ SERVICES

1. Authorization; Enrollment. If the EasyTax Service is requested by Customer and agreed to by Bank, Bank will electronically enroll Customer in the Electronic Federal Tax Payment System (EFTPS) if Customer desires to make federal tax payments via EFTPS. Electronic enrollment will allow Bank to process Customer’s tax payments in compliance with EFTPS through Bank’s tax payment system only. If Customer chooses to pay federal taxes by any other means, payments may not be EFTPS compliant. Customer understands that Bank’s EFTPS enrollment form 8655 does not replace the EFTPS form 7797, which is sent to mandated companies by the Internal Revenue Service. Customer may also make state tax payments using EasyTax. Customer agrees that the EasyTax Service shall be governed by this Section and all other relevant sections of this Agreement.

2. Submission of Information. Customer shall furnish Bank with complete and accurate master file information which shall enable Bank to file tax deposits via ACH with the appropriate tax authorities in a timely manner. The Service provided by Bank hereunder shall be based solely upon the information furnished by Customer to Bank. Accordingly, any inaccuracy in any information provided by Customer may result in unintended processing by Bank. Customer bears sole and exclusive responsibility to verify that the information provided to Bank is complete and accurate. Bank bears no responsibility for detecting or reporting any error in data supplied by Customer and shall not be liable to Customer for any information provided by Customer with respect to information that is inaccurate, incomplete or otherwise incorrect. The Service provided hereunder does not relieve Customer of any duty imposed on Customer by law to maintain records or from verifying and, if necessary, immediately correcting in writing all data received from Bank relating to the Service. Customer agrees to be bound by any instructions, whether or not authorized, issued in its name and accepted by Bank in accordance with the agreed procedures. Customer shall indemnify and hold Bank harmless from and against all liability, loss and damage (including attorneys’ fees and other costs incurred in connection therewith) arising out of the use of information provided by Customer.

3. Requests for Payment. Requests for payment to tax authorities must be made in accordance with instructions which Bank shall provide Customer, which may be amended by Bank from time to time at its discretion, and will be considered complete only if actually received by Bank. All tax deposits must be initiated at least one Business Day in advance of the due date, otherwise deposits may be subject to federal or state penalties. Any request by Customer to make tax deposits hereunder shall be submitted to Bank prior to the daily cut-off time established by Bank from time to time. Any such request received by Bank after its daily cut-off time may be processed on the next Business Day. In the event that an ACH Entry is rejected or returned, it must be resubmitted to the ACH processor for any reason whatsoever. Bank will give Customer notice of any rejected or returned ACH Entry in the usual manner agreed to by the parties. Bank shall have no liability for any delay caused by strikes, telephone failure, equipment or electrical failure, or any other condition beyond the reasonable control of Bank.

4. Receipt of Funds. Funds received by Bank from Customer shall be held as a deposit liability of Bank to Customer until such time as such funds are due and paid to the appropriate tax authorities. Customer is not entitled to interest on such funds and Bank may invest such funds solely for Bank’s benefit.

5. Account. Customer shall maintain with Bank a commercial demand deposit account in which Customer shall maintain immediately available funds in an amount sufficient to cover all tax deposits and fees charged by Bank for the Service hereunder. Failure by Customer to maintain such funds shall relieve Bank from providing such Service, notwithstanding any request by Customer to provide the Service.

6. Liability. Bank shall not be liable for any penalties assessed by reason of failure of Customer to make any tax payments. Interruption of the Service or performance hereunder for any reason shall not relieve Customer of its obligation to make any required tax deposits, and Bank shall not incur any liability to Customer for Customer’s failure to make any such deposit. If Customer elects to make a tax deposit by any means other than through Bank, Bank shall not be liable for any penalties or interest arising from any error in due date or other calculations for deposits made within the period in which such other
deposit was made. Bank may choose to provide its EasyTax Service through a third-party vendor. Bank and its third party vendor's liability to Customer is limited to correcting any error made by the Bank or third-party vendor. The sole and exclusive remedy, at law or in equity, against Bank or third party vendor is limited to money damages in an amount not to exceed the total amount paid to Bank for EasyTax fees during the twelve (12) months preceding the event giving rise to the liability. Neither Bank nor third party vendor will be liable for special, incidental, or consequential damages. Customer acknowledges that the EasyTax Service would not be available or would be available at substantially increased rates without the liability and remedy limitations set forth in this agreement.

7. Codes. Customer shall keep confidential the Access and PIN codes issued to Customer in connection with the Service, and only Customer shall use such codes. If Customer suspects that any such codes have become known or otherwise accessed by unauthorized persons, Customer shall notify Bank immediately and follow up such notice with written confirmation. The occurrence of unauthorized access will not affect any deposits made in good faith by Bank before Bank has received such notification and had a reasonable time to act to prevent any unauthorized deposits.

J. PAPER-BASED DISBURSEMENT SERVICES

1. Controlled Disbursement.

a. Disbursement Account. If requested by Customer and agreed to by Bank, Customer will open and maintain a demand deposit account ("Disbursement Account") and a primary funding account ("Funding Account") at Bank. The disbursing bank may be a financial institution that is a subsidiary or affiliate of Bank or Bank itself. Bank reserves the right to require Customer to use Bank's Positive Pay Services in conjunction with the use of Disbursement Account(s). Customer hereby authorizes and directs Bank to act on its behalf and as its agent, as Bank in its sole discretion deems necessary or advisable, in performing any of the Controlled Disbursement Services and related Services.

b. Funding Procedures. On each Business Day, Bank shall electronically provide Customer with a report of the total aggregate amount of all presented disbursement checks, and ACH transactions posted in the early morning ACH window, net of the prior day adjustment and other charges to the Disbursement Account (the "Total Clearings"). Customer agrees to maintain sufficient collected balances in the Funding Account by the established deadline to fund the Total Clearings. Bank is hereby authorized to debit the Funding Account in an amount equal to the actual or estimated Total Clearings and to transfer funds in said amount for credit to the Disbursement Account. Bank reserves the right to convert the Disbursement Account into a standard prepaid checking account at any time upon notice to Customer.

c. Adjustments. Bank will compare the report of electronic presentments to the checks presented against the Disbursement Account. If the total dollar amount of checks electronically reported is less than the total dollar amount of checks presented, Bank will credit the Disbursement Account for the difference. Bank will add this difference to Customer's Total Clearings the next Business Day.

d. Daily Dollar Limit. A daily dollar limit (the "Dollar Limit") may be established from time to time by Bank with respect to the Disbursement Account in Bank's sole discretion. Bank shall have no obligation to pay disbursement checks and ACH transactions (collectively, "Items") in excess of the Dollar Limit. Bank may, at any time, either verbally or in writing (but shall not be deemed obligated to) notify Customer of any change made by Bank in the Dollar Limit. Establishment of the Dollar Limit should not be interpreted or construed by Customer as any commitment or agreement by Bank to provide any credit or loans to Customer, nor as an agreement or commitment to debit the Funding Account when doing so would create a negative balance therein.

e. Special Circumstances. Customer acknowledges that Bank, under some circumstances beyond its control, may at times be unable to provide a report of the total amount of its Total Clearings early enough for Customer to make a complete and acceptable funding of the accounts. Customer nevertheless agrees to fund the Funding Account completely by using an estimate of the Total Clearings.

f. Action Affecting Accounts. Should Bank receive any process, summons, order, injunction, execution, levy, lien, garnishment, or adverse claim notice (either by a governmental authority or third party) (hereinafter referred to as "Process"), which Bank reasonably believes will adversely affect the Funding Account or the Disbursement Account, Bank may, at its option and without liability, refuse to honor orders to pay or withdraw sums from any Disbursement Account and may either hold the Funding Account balance herein until such Process is disposed of or to the satisfaction of Bank or pay the balance over to the source of the Process in accordance with applicable law.

g. Return of Items Unpaid. Bank reserves the right, in Bank's sole discretion, to return unpaid any or all Items presented for payment against the Disbursement Account in the event that:

(i) there are insufficient collected and available balances on deposit in the Funding Account by the established deadline to fund the Total Clearings;

(ii) debits cannot be posted because the Disbursement Account or Funding Account is frozen, blocked, closed or because of any other condition; or
(iii) any communications failure or other condition prevents Bank from monitoring Customer’s Dollar Limit and/or the Items presented for payment.

h. Stop Payment Orders. Customer may issue stop payment orders on Items drawn on the Disbursement Account in accordance with Bank’s procedures.

2. Warrant Services

a. Warrant Account. If requested by Customer and agreed to by Bank, Customer shall open and maintain a demand deposit account upon which warrants shall be drawn and will be charged (the “Warrant Account”). Customer shall maintain on deposit sufficient collected and available balances to cover items drawn on the Warrant Account.

b. Warrant Format. All warrants shall contain on the face of the item the words “warrant,” and “payable through U.S. Bank.” Customer will also encode all warrants in accordance with Bank specifications. Customer agrees to immediately make any changes to the format of the warrants or encoding when requested to do so by Bank and will be solely responsible for its failure or refusal to comply with Bank’s specifications. Any warrant drawn by Customer on the Warrant Account shall be treated by Bank as a warrant regardless of what appears on the face of the warrant and Customer shall hold Bank harmless as a result of so handling any such item.

c. Presentment and Return. Bank shall make warrants presented to Bank available to Customer via electronic presentment. Bank shall notify Customer by electronic means of the account number, warrant number and dollar amount of all presented warrants and provide Customer with a front and back image of each warrant received by Bank. Bank’s delivery of the images shall constitute an electronic presentment under the Uniform Commercial Code, Federal Regulation CC and other applicable laws. Warrant Services are additionally subject to the Reverse Positive Pay terms contained elsewhere in this Agreement. Customer shall notify Bank of each warrant that should be returned in the form agreed to by Bank and Customer. If Customer does not specifically decline payment of a warrant by the deadline established by Bank, such warrant will be finally paid by Bank. Customer acknowledges that warrants payable through Bank are considered to be drawn on Bank for purposes of the expedient return and notice-of-nonpayment requirements of subpart C of Regulation CC of the Federal Reserve Board. If Bank agrees to return a warrant following Bank’s deadline, Customer agrees to be responsible for Bank’s failure to return the warrant in an expedient manner as prescribed in Regulation CC. Bank shall be deemed to have made timely presentment to Customer with respect to any warrants that Bank receives at a time when it is prevented from making presentment to Customer as a result of any force majeure event illustrated in Section II. 22.

d. Examination of Warrants. Bank shall have no responsibility to examine warrants prior to presentment to Customer for its payment decision. Bank will take ordinary care to see that the amount of each warrant as drawn is accurately posted to Customer’s account. Bank will not make any attempt to verify signatures, endorsements or restrictive clauses on warrants. Bank will not examine the dates on which warrants have been drawn for undated, stale or post-dated items. Bank shall have no responsibility for any liability, loss or damage resulting from (i) a payment in accordance with this Section of any warrant that is altered or unsigned or that bears the forged or unauthorized signature of Customer or (ii) return of any check to the depository bank in accordance with this Section.

e. Encashment of Warrants. Unless otherwise instructed by Customer, Bank is authorized to pay warrants issued by Customer that are presented for encashment by payees. Bank will not be liable for the encashment of any warrant which contains, or is purposed to contain, a forged signature of a maker or endorser, or any other unauthorized modification, as long as Bank exercises ordinary care in cashing the warrant.

K. POSITIVE PAY SERVICES

1. Introduction. Positive Pay Services are offered by Bank as the most effective way to minimize loss from fraudulent check issuance or payment. If Positive Pay Services are requested by Customer and agreed to by Bank, Customer and Bank agree that in the event of an inconsistency between this Agreement and applicable law, the provisions of this Agreement shall prevail to the extent permitted. Nothing in this Agreement is intended to limit Bank’s right to return an item unpaid if there are insufficient available funds in the designated account.

2. Format Specifications. Customer shall comply at all times with Bank’s format and data transmission standards for the Positive Pay Service. Customer agrees to issue checks, drafts, warrants or other items (collectively, “Items”) in accordance with Bank’s specifications and will change the item format when requested to do so by Bank. Bank shall not be responsible for correcting or resolving processing problems caused by substandard quality magnetic encoding.

a. Customer Responsibilities. Customer shall designate to Bank all account(s) that are to be used with the Positive Pay Service (“Positive Pay Account(s)”). Customer will provide Bank with a file of all outstanding Items prior to activation of this Service. On each day that an Item is written against the Positive Pay Account, Customer shall supply Bank with all required Item information prior to the deadline established by Bank. Such information shall include, without limitation, the account number, the issue date, the Item number and the face amount. Customer shall be responsible for the accuracy and completeness of all information provided to Bank.

b. Bank’s Responsibilities. In reliance on the information provided by Customer, Bank shall create a master issue file for each designated Positive Pay Account (“Issue File”). If ARP File Confirmation Service is selected by Customer, Bank shall process the Issue File and provide a confirmation to Customer that the Issue File was received and processed. Excluding valid stop payment orders and issue records voided by Customer request, all Items, including those that have been electronically converted, that match by Item number and dollar amount to Bank’s Issue File will be deemed properly payable and Bank is authorized to pay all such Items.

c. Paid No Issues. Each Business Day, Bank shall make reasonable efforts to report to Customer any Item serial numbers that do not match the Issue File (“Paid No Issue”) and, if requested and available, provide the front and back images of those Items for that day’s presentment; provided, however, no images shall be provided in the case of electronically converted Items. Customer agrees to review and make payment decisions on the Paid No Issue Items prior to the deadlines established by Bank. If Customer selects the Positive Pay Same Day service for controlled disbursement accounts, Customer shall receive and may make payment decisions on Paid No Issue Items prior to the Items posting to the controlled disbursement accounts, or defer payment decisions until the established deadline on the next Business Day. If Customer’s requested default setup is for Bank to pay all Paid No Issue Items, Bank is authorized to finally pay any Paid No Issue Item unless Customer has instructed Bank to return the Paid No Issue Item prior to the established deadline. If Customer’s requested default setup is for Bank to return all Paid No Issue Items, Bank is authorized to return any Paid No Issue Item unless Customer instructs Bank to pay a Paid No Issue Item prior to the established deadline. Customer may rely on any instructions received from Customer that Bank reasonably believes to be genuine. Bank shall have no responsibility for any liability, loss or damage resulting from:

(i) payment in accordance with this section of any Paid No Issue Item that is altered or unsigned or which bears the forged or unauthorized signature of Customer;

(ii) the return of any Paid No Issue Item to the depository bank in accordance with this section; or

(iii) Customer’s failure to meet Bank’s established deadlines. Customer may be required to place a stop payment order on any returned Paid No Issue Item, which shall be subject to Bank’s customary stop payment fee. Bank’s failure to report a discrepancy will not discharge Customer’s obligation with regard
to any Item, and shall not obligate Bank to return any Item if it is otherwise properly payable.

d. Teller Positive Pay. All Positive Pay Accounts will interface with the Bank’s teller system unless otherwise agreed to by Bank. Bank will compare Items presented for cash at a branch of the Bank with Customer’s Issue File. Customer acknowledges that under some circumstances issuance information submitted by Customer may not be reflected in Customer’s Issue File until the opening of the following Business Day. Customer agrees to follow Bank’s established procedures should it need to manually add an Item to the Issue File. Bank will make reasonable efforts to assist Customer, but Customer acknowledges that Bank may be unable to process such requests on a same-day basis. If a special handling process for teller-cashed items is selected by Customer and agreed to by Bank, Bank shall attempt to contact Customer for approval prior to the encashment of any item that does not appear in the Issue File. Customer agrees that Bank, in its sole discretion, may refuse to cash any Paid No Issue Item and such refusal will not be deemed to be a wrongful dishonor. In the event of dishonor, Bank will refer the presenter to Customer. In the event that Customer requests Bank not activate or temporarily deactivate teller positive pay, Customer agrees to assume all risk of loss for any Bank teller-cashed Item that would have been identified as a Paid No Issue Item prior to acceptance.

e. Payee Positive Pay. If Customer selects this option which is available only through SinglePoint®, Customer’s Item stock may first be tested to ensure it meets Bank’s payee name readability rate. Customer shall designate to Bank all Positive Pay Accounts that shall use Payee Positive Pay. In addition to the Issue File information provided by Customer for the Positive Pay Service, Customer shall include in the Issue File the payee name(s) for each Item issued by Customer. Customer shall be responsible for the accuracy and completeness of the payee information provided to Bank. In reliance on the payee information provided by Customer, Bank will compare the payee information on the Item with Customer’s Issue File for Items presented or deposited at Bank. Customer acknowledges that Bank will not be able to validate payee information for electronically converted Items presented to Bank for payment. Bank may, in its sole discretion, impose variable parameters for which the payee information will not be reviewed for certain Items processed through the back office. If such parameters are imposed, Bank agrees to assume the risk of loss for any Item that would have been identified as a Paid No Issue solely on the basis of the payee information.

f. Teller Payee Positive Pay. All Positive Pay Accounts will interface with the Bank’s teller system unless otherwise agreed to by Bank. In addition to the Issue File information provided by Customer for the Positive Pay Service, Customer shall include in the Issue File the payee name(s) for each Item issued by Customer. Customer shall be responsible for the accuracy and completeness of the payee information provided to Bank. In reliance on the payee information provided by Customer, Bank will compare the payee information on the Item presented for encashment at a Bank teller line with Customer’s Issue File. Customer acknowledges that under some circumstances issuance information submitted by Customer may not be reflected in Customer’s Issue File until the opening of the following Business Day. Customer agrees to follow Bank’s established procedures should it need to manually add an Item to the Issue File. Bank will make reasonable efforts to assist Customer, but Customer acknowledges that Bank may be unable to process such requests on a same-day basis. If a special handling process for teller-cashed items is selected by Customer and agreed to by Bank, Bank shall attempt to contact Customer for approval prior to the encashment of any Item that does not appear in the Issue File. Customer agrees that Bank, in its sole discretion, may refuse to cash any Paid No Issue Item and such refusal will not be deemed to be a wrongful dishonor. In the event of dishonor, Bank will refer the presenter to Customer.

a. The Paid File. Customer shall identify all accounts subject to Reverse Positive Pay (“Reverse Positive Pay Account”). When an Item is presented for payment against an identified Reverse Positive Pay Account, Bank shall notify Customer prior to the designated time, and in no case later than the Business Day following the day of presentment, of the Reverse Positive Pay Account number, Item number and amount of the presented Item (the “Paid File”) and, if requested and available, shall provide Customer with the front and back images of the Items. By electing Reverse Positive Pay, Customer assumes all fraudulent and other risks associated with teller-cashed Items unless Customer provides standing instructions to Bank to disallow encashment at the teller line.

b. Payment Instructions. Customer shall compare the information provided by Bank with Customer’s Item issuance records. Customer shall notify Bank prior to the deadline established by Bank of Customer’s decision on any reported Items that should be dishonored. Bank may rely on any instructions received from Customer that it reasonably believes to be genuine. Bank is authorized to finally pay any Item listed on the Paid File unless the Customer instructs Bank to return the Item prior to the established deadline. Bank shall have no responsibility for any liability, loss or damage resulting from (i) a payment in accordance with this section of any Item that is altered or unsigned or which bears the forged or unauthorized signature of Customer or (ii) return of any Item to the depository bank in accordance with this section. Bank reserves the right to require Customer to place a stop payment order on any Item to be returned. Any such orders will be subject to Bank’s customary stop payment fee. Customer shall notify Bank by the designated deadline if the Paid File has not been received from Bank. Bank will make reasonable efforts to provide the Paid File to Customer and honor Customer’s instructions. Bank’s failure to provide a Paid File will not discharge Customer’s obligation with regard to any Item that was otherwise properly payable at the time of presentment.
L. LOCKBOX SERVICES

1. Lockbox Service Requirements. Bank provides wholesale, retail and property management Lockbox Services, as well as E-Lockbox Services to assist customers in expediting receipt of their remittances. 6. Transmission of Information. Bank may transmit to Customer remittance information or other information received at the lockbox ("Lockbox Information") via secure electronic transmission. Customer acknowledges that Bank has a duty to protect Lockbox Information and ensure that it is safely delivered to Customer and that Bank has deemed secure electronic transmissions to be the safest mechanism for delivery. If Customer elects to receive the Lockbox Information using other delivery means including paper reports, Internet delivery, CDs, DVDs, or other portable electronic media, Customer acknowledges that such delivery means are inherently more insecure and agrees to assume all risk, and hold Bank harmless from, any obligations, liability or losses that result from the nonreceipt, disclosure, dissemination, alteration or unauthorized access of the Lockbox Information. If Customer is the recipient of misdirected Lockbox Information, Customer shall immediately notify Bank and return the information to Bank. Customer agrees not to retain, use, copy, distribute or otherwise disclose the information in any manner.

7. Image Delivery Services. Bank shall electronically store check images, check information, remittance information or other information received at the Lockbox in accordance with Bank's record retention schedule. If the images or information are sent via CD or DVD, Customer agrees to verify the contents of the CD or DVD upon receipt and request a replacement, if necessary, within 10 days of receipt. Customer is solely responsible for safeguarding the security and confidentiality of all images and information that is stored on Customer's computer systems, or printed or downloaded from the Internet, CDs, DVDs, other portable media, or file transmissions.

8. Credit/Debit Card Processing. If Customer desires to provide its customers with the option of making their payments via credit card or non-PIN based debit card, Customer shall first secure approval from a payment transaction processor that Bank is able to support. Credit/debit card processing shall be subject to applicable laws, rules and regulations, and the terms of any other agreement between Customer and the payment transaction processor. Customer acknowledges that Bank is acting on behalf of Customer to merely initiate the authorization of payments at the Lockbox site, and that Bank shall have no responsibility for chargebacks, processing fees, payment disputes or other matters related to the credit/debit card transaction. Bank shall enter the credit/debit card information using its best efforts and if adjustments are subsequently required, Customer shall be responsible for handling all adjustments.

9. Foreign currency-denominated items and items drawn on foreign banks. If Customer desires to have non-US dollar items processed by Bank, or items denominated in US dollars but drawn on a foreign bank, Bank shall handle the items within parameters established by Bank based on amount, the type of currency and other considerations outlined in the Implementation Documents. If the item does not fall within Bank's parameters for processing, Bank shall return the item unprocessed to Customer or forward the item for handling as a foreign cash letter collection. If Bank provides Customer with credit at the US dollar conversion rate in effect, and if the item is subsequently returned by the drawee Bank, Bank shall charge Customer's account for the prevailing exchange rate in effect at the time of the chargeback.

10. Compliance with Applicable Law. If specific lockbox handling requirements are required in order for Customer to comply with law or regulations applicable to Customer (for example, Regulation Z), Customer agrees to immediately notify Bank of any such requirements. If Bank is unable to accommodate Customer's specific requirements, Bank or Customer may immediately terminate the Lockbox Services.

11. Customer Responsibility. With respect to each item received at the Lockbox, Customer shall indemnify and hold Bank harmless from and against any and all claims, demands, damages, losses, liabilities, penalties and expenses (including, without limitation, reasonable attorney fees and court costs at trial or on appeal) arising directly or indirectly: (i) from Customer's breach of a representation or warranty under applicable law, clearinghouse rule, Federal Reserve Operating Circular, or other similar rules or regulations; or (ii) from any other act or omission arising out of Bank's action or inaction taken pursuant to any request by Customer or pursuant to this Agreement. If Customer is the recipient of misdirected Lockbox Information, Customer shall immediately notify Bank and return the information to Bank. Customer agrees not to retain, use, copy, distribute or otherwise disclose the information in any manner.

a. Check Date. Bank will not examine any checks or other items with respect to check dates.

Customer warrants that each Acceptable Payee is either Customer, its affiliate, or an entity that has authorized Customer to act on its behalf for the Services provided herein. If the Acceptable Payee is an affiliate of Customer or an entity which authorized Customer to act on such entity's behalf, Customer represents and warrants that such affiliate or entity has authorized checks payable to it to be credited to the Lockbox Account. Bank may require written authorization from any Acceptable Payee or written evidence that an Acceptable Payee has authorized Customer to act on its behalf. If Customer designates 'Accept
All Payees’ in the Implementation Documents and Bank accepts such
designation, Bank shall process all checks for credit to the Lockbox
Account regardless of the payee name on the check. Such designation
may be subject to additional Bank fees. Customer agrees to indemnify
and hold Bank harmless for any claims, fines, expenses, and damages
that arise out of Bank’s processing of checks based on Customer’s
‘Accept All Payees’ designation.

d. Missing Signature. In the absence of a signature, Bank will process
the check. Customer agrees to reimburse Bank if the check is
subsequently returned.

e. Exceptions. If a check is treated as an exception, it will be forwarded

otherwise reflected in the account of Customer.

enclosures which are included with a payment, as well as any envelope
that does not contain a check, will be returned to Customer unless
Customer specifies different instructions in the Implementation

a check containing “paid in full”, “lien waiver” or other restrictive notation,
whether preprinted or handwritten, and treat any such check as though
such notation did not appear thereon. If Customer instructs Bank not to
process checks with restrictive notations, Bank will use its best efforts to
detect checks bearing such notations, but Bank shall not be liable to
Customer for failure to detect any such notation.

rules, including but not limited to, obtaining all necessary consents and
authorizations from, and/or providing all necessary disclosures to, its
customers concerning the conversion of such customers’ checks to ACH
Entries. Customer is solely responsible for ascertaining the content,
method, and frequency of any required authorizations and notifications.

Only original paper checks that qualify as a source document may be
converted to an ACH Entry under NACHA Rules. Bank will apply certain
automated internal edits and screens to determine whether the original
paper check is a source document that qualifies for conversion to an
ACH Entry. Customer acknowledges and agrees that Customer is the
Originator of such ACH Entries under NACHA Rules regardless of
whether Customer or Bank initiates the ACH Entry into the payment
system. Bank shall not be liable to Customer for failure to electronically
process checks if such processing would violate this Agreement, or any
other agreement between Customer and Bank. If an ACH Entry is
returned because the original paper check was ineligible as a source
document for the ACH Entry, Bank shall use reasonable efforts to collect
the check related to the ACH Entry by presenting the original paper
check (if not destroyed), the check image, or a substitute check.

data and specifications necessary for the Network to process payments
and for Bank to transmit the remittance data to Customer. Customer
agrees to conduct tests that Bank may deem necessary to ensure
Customer and Bank are able to process the remittance data. The
purchase, installation, testing and maintenance of any and all equipment
used to receive and process information from Bank is the responsibility
of Customer. As soon as possible, and in any event, no later than 48
hours after Bank transmits the remittance data to Customer, Customer
agrees to process all such data and to inform Bank of any incorrect,
unidentifiable or unprocessable information (collectively, “Returns”).

c. Bank’s Responsibilities. Bank shall develop a program to process and
transmit remittance data received from the Network in Customer’s
preferred file format. Bank shall transmit Returns to the Network when
Customer provides Bank with the Return information. Bank will credit
Customer’s account in an amount equal to the payments received and
debit Customer’s account in an amount equal to any Returns and, if
applicable, any Reversals (defined below).

d. Reliance on Network. Customer acknowledges that Bank’s ability to
process payments and remittances are dependent upon the continued
use and support of the Network and third party computers housing the
Network and its associated communications network. In the event that
access to the Network or its computer communications system is
terminated or suspended for any reason, Bank shall not be liable to
Customer for any disruptions or failure to provide any part of this Service.
Bank assumes no responsibility for the accuracy, timeliness or the
completeness of data delivered from the Network to Bank.

e. Optional Reversal Transactions. Reversals are Network-initiated debit

hereby authorizes Bank to debit Customer’s account for the amount of
the Reversals.

provide Bank with instructions regarding payments that Customer does
not want posted to its account. If Customer instructs Bank to stop a
payment from posting to its account, Customer hereby authorizes Bank
to return the payment through the Network. Payments that are stopped
will not be included in Customer’s settlement transaction or the
remittance data provided to Customer.

Amounts invested in money market mutual funds, including investment income, will be redeemed and credited back to the DDA as needed so that the collected balance of Customer’s DDA equals the Peg Balance. Customer will accrue dividends beginning on the Business Day the shares are purchased. Dividends accrue daily and are paid monthly on the last Business Day of the month. No dividends will accrue on the Business Day the shares are sold. If, for any reason, Money Fund shares are not available on any given Business Day, all Excess Funds will not be swept to the Money Fund and no dividends will accrue until shares become available for purchase. Funds in the DDA and in the pooled deposit account held at Bank will be treated as deposits and will be insured up to the applicable FDIC insurance limits. The Money Fund sweep option is only available to entities
having a presence in the United States, which may be demonstrated by a U.S. mailing address and U.S. taxpayer identification number in Bank’s records.

n. “Purchase Date”, the date on which Purchased Securities are to be transferred by Seller to Buyer;

o. “Purchase Price”, (i) on the Purchase Date, the price at which Purchased Securities are transferred by Seller to Buyer, and (ii) thereafter, except where Buyer and Seller agree otherwise, such price increased by the amount of any cash transferred by Buyer to Seller pursuant to Paragraph 4(b) hereof and decreased by the amount of any cash transferred by Seller to Buyer pursuant to Paragraph 4(a) hereof or applied to reduce Seller’s obligations under clause (ii) of Paragraph 5 hereof;

p. “Purchased Securities”, the Securities transferred by Seller to Buyer in a Transaction hereunder. The term “Purchased Securities” with respect to any Transaction at any time also shall include Additional Purchased Securities delivered pursuant to Paragraph 4(a) hereof and shall exclude Securities returned pursuant to Paragraph 4(b) hereof;

q. “Repurchase Date”, the date on which Seller is to repurchase the Purchased Securities from Buyer, including any date determined by application of the provisions of Paragraph 3(c) or 11 hereof;

r. “Repurchase Price”, the price at which Purchased Securities are to be transferred from Buyer to Seller upon termination of a Transaction, which will be determined in each case (including Transactions terminable upon demand) as the sum of the Purchase Price and the Price Differential as of the date of such determination;

s. “Seller’s Margin Amount”, with respect to any Transaction as of any date, the amount obtained by application of the Seller’s Margin Percentage to the Repurchase Price for such Transaction as of such date;

t. “Seller’s Margin Percentage”, with respect to any Transaction as of any date, a percentage (which may be equal to the Buyer’s Margin Percentage) agreed to by Buyer and Seller or, in the absence of any such agreement, the percentage obtained by dividing the Market Value of the Purchased Securities on the Purchase Date by the Purchase Price on the Purchase Date for such Transaction.

3. Initiation; Confirmation; Termination.

a. An agreement to enter into a Transaction may be made orally or in writing at the initiation of either Buyer or Seller. On the Purchase Date for the Transaction, the Purchased Securities shall be transferred to Buyer or its agent against the transfer of the Purchase Price to an account of Seller.

b. Upon agreeing to enter into a Transaction hereunder, Buyer or Seller (or both), as shall be agreed, shall promptly deliver to the other party a written confirmation of each Transaction (a “Confirmation”). The Confirmation shall describe the Purchased Securities (including CUSIP number, if any), identify Buyer and Seller and set forth (i) the Purchase Date, (ii) the Purchase Price, (iii) the Repurchase Price, unless the Transaction is to be terminable on demand, (iv) the Pricing Rate or Repurchase Price applicable to the Transaction, and (v) any additional terms or conditions of the Transaction not inconsistent with this MRA.
The Confirmation, together with this MRA, shall constitute conclusive evidence of the terms agreed between Buyer and Seller with respect to the Transaction to which the Confirmation relates, unless with respect to the Confirmation specific objection is made promptly after receipt thereof. In the event of any conflict between the terms of such Confirmation and this MRA, this MRA shall prevail.

c. In the case of Transactions terminable upon demand, such demand shall be made by Buyer or Seller, no later than such time as is customary in accordance with market practice, by telephone or otherwise on or prior to the Business Day on which such termination will be effective. On the date specified in such demand, or on the date fixed for termination in the case of Transactions having a fixed term, termination of the Transaction will be effected by transfer to Seller or its agent of the Purchased Securities and any Income in respect thereof received by Buyer (and not previously credited or transferred to, or applied to the obligations of, Seller pursuant to Paragraph 5 hereof) against the transfer of the Repurchase Price to an account of Buyer.

a. If at any time the aggregate Market Value of all Purchased Securities subject to all Transactions in which a particular party hereto is acting as Buyer is less than the aggregate Buyer’s Margin Amount for all such Transactions (a “Margin Deficit”), then Buyer may by notice to Seller require Seller in such Transactions, at Seller’s option, to transfer to Buyer cash or additional Securities reasonably acceptable to Buyer (“Additional Purchased Securities”), so that the cash and aggregate Market Value of the Purchased Securities, including any such Additional Purchased Securities, will thereupon equal or exceed such aggregate Buyer’s Margin Amount (decreased by the amount of any Margin Deficit as of such date arising from any Transactions in which such Buyer is acting as Seller).

b. If at any time the aggregate Market Value of all Purchased Securities subject to all Transactions in which a particular party hereto is acting as Seller exceeds the aggregate Seller’s Margin Amount for all such Transactions at such time (a “Margin Excess”), then Seller may by notice to Buyer require Buyer in such Transactions, at Buyer’s option, to transfer cash or Purchased Securities to Seller, so that the aggregate Market Value of the Purchased Securities, after deduction of any such cash or any Purchased Securities so transferred, will thereupon not exceed such aggregate Seller’s Margin Amount (increased by the amount of any Margin Excess as of such date arising from any Transactions in which such Seller is acting as Buyer).

c. If any notice is given by Buyer or Seller under subparagraph (a) or (b) of this Paragraph at or before the Margin Notice Deadline on any Business Day, the party receiving such notice shall transfer cash or Additional Purchased Securities as provided in such subparagraph no later than the close of business in the relevant market on such day. If any such notice is given after the Margin Notice Deadline, the party receiving such notice shall transfer such cash or Securities no later than the close of business in the relevant market on the next Business Day following such notice.

d. Any cash transferred pursuant to this Paragraph shall be attributed to such Transactions as shall be agreed upon by Buyer and Seller.

e. Seller and Buyer may agree, with respect to any or all Transactions hereunder, that the respective rights of Buyer or Seller (or both) under subparagraphs (a) and (b) of this Paragraph may be exercised only where a Margin Deficit or Margin Excess, as the case may be, exceeds a specified dollar amount or a specified percentage of the Repurchase Prices for such Transactions (which amount or percentage shall be agreed to by Buyer and Seller prior to entering into any such Transactions).

f. Seller and Buyer may agree, with respect to any or all Transactions hereunder, that the respective rights of Buyer and Seller under subparagraphs (a) and (b) of this Paragraph to require the elimination of a Margin Deficit or a Margin Excess, as the case may be, may be exercised whenever such a Margin Deficit or Margin Excess exists with respect to any single Transaction hereunder (calculated without regard to any other Transaction outstanding under this MRA).

5. Income Payments. Seller shall be entitled to receive an amount equal to all Income paid or distributed on or in respect of the Securities that is not otherwise received by Seller, to the full extent it would be so entitled if the Securities had not been sold to Buyer. Buyer shall, as the parties may agree with respect to any Transaction (or, in the absence of any such agreement, as Buyer shall reasonably determine in its discretion), on the date such Income is paid or distributed either (i) transfer to or credit to the account of Seller such Income with respect to any Purchased Securities subject to such Transaction or (ii) with respect to Income paid in cash, apply the Income payment or payments to reduce the amount, if any, to be transferred to Buyer by Seller upon termination of such Transaction. Buyer shall not be obligated to take any action pursuant to the preceding sentence (A) to the extent that such action would result in the creation of a Margin Deficit, unless prior thereto or simultaneously therewith Seller transfers to Buyer cash or Additional Purchased Securities sufficient to eliminate such Margin Deficit, or (B) if an Event of Default with respect to Seller has occurred and is then continuing at the time such Income is paid or distributed.

6. Security Interest. Although the parties intend that all Transactions hereunder be sales and purchases and not loans, in the event any such Transactions are deemed to be loans, Seller shall be deemed to have pledged to Buyer as security for the performance by Seller of its obligations under each such Transaction, and shall be deemed to have granted to Buyer a security interest in, all of the Purchased Securities with respect to all Transactions hereunder and all Income thereon and other proceeds thereof. In all Transactions, Seller is acting as agent for Buyer. In the event of Seller’s default under the MRA, Buyer has the right to either: (i) direct Seller to sell the Securities, or (ii) sell the Securities, and, following any sale pursuant to this sentence, apply the proceeds in satisfaction of Seller’s liability hereunder.

7. Payment and Transfer. Unless otherwise mutually agreed, all transfers of funds hereunder shall be in immediately available funds. All Securities transferred by one party hereto to the other party (i) shall be in a form suitable for transfer or shall be accompanied by duly executed instruments of transfer or assignment in blank and such other documentation as the party receiving possession may reasonably request, (ii) shall be transferred on the book entry system of a Federal Reserve Bank, or (iii) shall be transferred by any other method mutually acceptable to Seller and Buyer.

8. Segregation of Purchased Securities. To the extent required by applicable law, all Purchased Securities in the possession of Seller shall be segregated from other securities in its possession and shall be identified as subject to this MRA. Segregation may be accomplished by appropriate identification on the books and records of the holder, including a financial or securities intermediary or a clearing corporation. All of Seller’s interest in the Purchased Securities shall pass to Buyer on the Purchase Date and, unless otherwise agreed by Buyer and Seller, nothing in this MRA shall preclude Buyer from engaging in repurchase transactions with the Purchased Securities or otherwise selling, transferring, pledging or re-selling the Purchased Securities, but no such transaction shall relieve Buyer of its obligations to transfer Purchased Securities to Seller pursuant to Paragraph 3, 4 or 11 hereof, or of Buyer’s obligation to credit or pay Income to, or apply Income to the obligations of, Seller pursuant to Paragraph 5 hereof.

Required Disclosure for Transactions in Which the Seller Retains Custody of the Purchased Securities

Seller is not permitted to substitute other securities for those subject to this MRA and therefore must keep Buyer’s securities segregated at all times, unless in this MRA Buyer grants Seller the right to substitute other securities. If Buyer grants the right to substitute, this means that Buyer’s securities will likely be commingled with Seller’s own securities during the trading day. Buyer is advised that, during any trading day that Buyer’s securities are commingled with Seller’s own securities, they may be subject to liens granted by Seller to third parties unless in this MRA Buyer grants Seller the right to substitute other securities. Whenever the securities are commingled, Seller’s ability to re-segregate substitute securities for Buyer will be subject to Seller’s ability to satisfy the clearinghouse’s [any]** lien or to obtain substitute securities.

* Language to be used under 17 C.F.R. §403.4(e) if Seller is a government securities broker or dealer other than a financial institution.

** Language to be used under 17 C.F.R. §403.5(d) if Seller is a financial institution.

10. Representations. Each of Buyer and Seller represents and warrants to the other that (i) it is duly authorized to execute and deliver this MRA, to enter into Transactions contemplated hereunder and to perform its obligations hereunder and to have taken all necessary action to authorize such execution, delivery and performance, (ii) it will engage in such Transactions as principal (or, if agreed in writing in advance of any Transaction by the other party hereto, as agent for a disclosed principal), (iii) the person signing this MRA on its behalf is duly authorized to do so on its behalf (or on behalf of any such disclosed principal), (iv) it has obtained all necessary authorizations of any governmental body required in connection with this MRA and the Transactions hereunder and such authorizations are in full force and effect and (v) the execution, delivery and performance of this MRA and the Transactions hereunder will not violate any law, ordinance, charter, bylaw or rule applicable to it or any agreement by which it is bound or by which any of its assets are affected. On the Purchase Date for any Transaction Buyer and Seller shall each be deemed to repeat all the foregoing representations made by it.

11. Events of Default. In the event that (i) Seller fails to transfer or Buyer fails to purchase Purchased Securities upon the applicable Repurchase Date, (ii) Seller fails to repurchase or Buyer fails to transfer Purchased Securities upon the applicable Repurchase Date, (iii) Seller or Buyer fails to comply with Paragraph 4 hereof, (iv) Buyer fails, after one Business Day’s notice, to comply with Paragraph 5 hereof, (v) an Act of Insolvency occurs with respect to Seller or Buyer, (vi) any representation made by Seller or Buyer shall have been incorrect or untrue in any material respect when made or repeated or deemed to have been made or repeated, or (vii) Seller or Buyer shall admit to the other its inability to, or its intention not to, perform any of its obligations hereunder (each an “Event of Default”):

a. The non-defaulting party may, at its option (which option shall be deemed to have been exercised immediately upon the occurrence of an Act of Insolvency), declare an Event of Default to have occurred hereunder and, upon the exercise or deemed exercise of such option, the Repurchase Date for each Transaction hereunder shall, if it has not already occurred, be deemed immediately to occur (except that, in the event that the Purchase Date for any Transaction has not yet occurred as of the date of such exercise or deemed exercise, such Transaction shall be deemed immediately canceled). The non-defaulting party shall (except upon the occurrence of an Act of Insolvency) give notice to the defaulting party of the exercise of such option as promptly as practicable.

b. In all Transactions in which the defaulting party is acting as Seller, if the non-defaulting party exercises or is deemed to have exercised the option referred to in subparagraph (a) of this Paragraph, (i) the defaulting party’s obligations in such Transactions to repurchase all Purchased Securities, at the Repurchase Price therefore on the Repurchase Date determined in accordance with subparagraph (a) of this Paragraph, shall thereupon become immediately due and payable, (ii) all income paid after such exercise or deemed exercise shall be retained by the non-defaulting party hereunder and (iii) the defaulting party shall immediately deliver to the non-defaulting party any Purchased Securities subject to such Transactions then in the defaulting party’s possession or control.

c. In all Transactions in which the defaulting party is acting as Buyer, upon tender by the non-defaulting party of payment of the aggregate Repurchase Prices for all such Transactions, all right, title and interest in and entitlement to all Purchased Securities subject to such Transactions shall be deemed transferred to the non-defaulting party, and the defaulting party shall deliver all such Purchased Securities to the non-defaulting party.

d. If the non-defaulting party exercises or is deemed to have exercised the option referred to in subparagraph (a) of this Paragraph, the non-defaulting party, without prior notice to the defaulting party, may: (i) as to Transactions in which the defaulting party is acting as Seller, (A) immediately sell, in a recognized market (or otherwise in a commercially reasonable manner) at such price or prices as the non-defaulting party may reasonably deem satisfactory, any or all Purchased Securities subject to such Transactions and apply the proceeds thereof to the aggregate unpaid Repurchase Prices and any other amounts owing by the defaulting party hereunder or (B) in its sole discretion elect, in lieu of purchasing Replacement Securities, to be deemed to have purchased Replacement Securities at the price therefore on such date, obtained from a generally recognized source or the most recent closing bid quotation from such a source, against the aggregate unpaid Repurchase Prices and any other amounts owing by the defaulting party hereunder; and (ii) as to Transactions in which the defaulting party is acting as Buyer, (A) immediately purchase, in a recognized market (or otherwise in a commercially reasonable manner) at such price or prices as the non-defaulting party may reasonably deem satisfactory, securities (“Replacement Securities”) of the same class and amount as any Purchased Securities that are not delivered by the defaulting party to the non-defaulting party as required hereunder or (B) in its sole discretion elect, in lieu of purchasing Replacement Securities, to be deemed to have purchased Replacement Securities at the price therefore on such date, obtained from a generally recognized source or the most recent closing offer quotation from such a source. The parties acknowledge and agree that (1) the Securities subject to any Transaction hereunder are instruments traded in a recognized market, (2) in the absence of a generally recognized source for prices or bid or offer quotations for any Security, the non-defaulting party may establish the source therefore in its sole discretion and (3) all prices, bids and offers shall be determined together with accrued Income (except to the extent contrary to market practice with respect to the relevant Securities).

e. As to Transactions in which the defaulting party is acting as Buyer, the defaulting party shall be liable to the non-defaulting party for any excess of the price paid (or deemed paid) by the non-defaulting party for Replacement Securities over the Repurchase Price for the Purchased Securities replaced thereby and for any amounts payable by the defaulting party under Paragraph 5 hereof or otherwise hereunder.

f. For purposes of this Paragraph 11, the Repurchase Price for each Transaction hereunder in respect of which the defaulting party is acting as Buyer shall not increase above the amount of such Repurchase Price for such Transaction determined as of the date of the exercise or deemed exercise by the non-defaulting party of the option referred to in subparagraph (a) of this Paragraph.

g. The defaulting party shall be liable to the non-defaulting party for (i) the amount of all reasonable legal or other expenses incurred by the non-defaulting party in connection with or as a result of an Event of Default, (ii) damages in an amount equal to the cost (including all fees, expenses and commissions) of entering into replacement transactions and entering into or terminating hedge transactions in connection with or as a result of an Event of Default, and (iii) any other loss, damage, cost or expense directly arising or resulting from the occurrence of an Event of Default in respect of a Transaction.

h. To the extent permitted by applicable law, the defaulting party shall be liable to the non-defaulting party for interest on any amounts owing by the defaulting party hereunder, from the date the defaulting party becomes liable for such amounts hereunder until such amounts are (i) paid in full by the defaulting party or (ii) satisfied in full by the exercise of the non-defaulting party’s rights hereunder. Interest on any sum payable by the defaulting party to the non-defaulting party under this Paragraph 11(h) shall be at a rate equal to the greater of the Pricing Rate for the relevant Transaction or the Prime Rate.

i. The non-defaulting party shall have, in addition to its rights hereunder, any rights otherwise available to it under any other agreement or applicable law.

12. Single Agreement. Buyer and Seller acknowledge that, and have entered hereinto and will enter into each Transaction hereunder in consideration of and in reliance upon the fact that, all Transactions hereunder constitute a single business and contractual relationship and have been made in consideration of each other. Accordingly, each of Buyer and Seller agrees (i) to perform all of its obligations in respect of each Transaction hereunder, and that a default in the performance of any such obligation shall constitute a default by it in respect of all Transactions hereunder, (ii) that each of them shall be entitled to set off claims and apply property held by them in respect of any Transaction against obligations owing to them in respect of any other Transactions hereunder and (iii) that payments, deliveries and other transfers made by
either of them in respect of any Transaction shall be deemed to have been made in consideration of payments, deliveries and other transfers in respect of any other Transactions hereunder, and the obligations to make any such payments, deliveries and other transfers may be applied against each other and netted.

13. Notices and Other Communications. Any and all notices, statements, demands or other communications hereunder may be given by a party to the other by mail, facsimile, telegram, messenger or otherwise to the address specified by Bank, or so sent to such party at any other place specified in a notice of change of address hereafter received by the other. All notices, demands and requests hereunder may be confirmed orally, by telephone or other communication as specified in the preceding sentence.

14. Entire Agreement; Severability. This MRA shall supersede any existing agreements between the parties containing general terms and conditions for repurchase transactions. Each provision and agreement herein shall be treated as separate and independent from any other provision or agreement herein and shall be enforceable notwithstanding the unenforceability of any such other provision or agreement.

15. Nonassignability; Termination.

a. The rights and obligations of the parties under this MRA and under any Transaction shall not be assigned by either party without the prior written consent of the other party, and any such assignment without the prior written consent of the other party shall be null and void. Subject to the foregoing, this MRA and any Transactions shall be binding upon and shall inure to the benefit of the parties and their respective successors and assigns. This MRA may be terminated by either party upon giving written notice to the other, except that this MRA shall, notwithstanding such notice, remain applicable to any Transactions then outstanding.

b. Subparagraph (a) of this Paragraph 15 shall not preclude a party from assigning, charging or otherwise dealing with all or any part of its interest in any sum payable to it under Paragraph 11 hereof.

16. Governing Law. This MRA shall be governed by the laws of the State of New York without giving effect to the conflict of law principles thereof.

17. No Waivers, Etc. No express or implied waiver of any Event of Default by either party shall constitute a waiver of any other Event of Default and no exercise of any remedy hereunder by any party shall constitute a waiver of its right to exercise any other remedy hereunder. No modification or waiver of any provision of this MRA and no consent by any party to a departure herefrom shall be effective unless and until such shall be in writing and duly executed by both of the parties hereto. Without limitation on any of the foregoing, the failure to give a notice pursuant to Paragraph 4(a) or 4(b) hereof will not constitute a waiver of any right to do so at a later date.

18. Use of Employee Plan Assets.

a. If assets of an employee benefit plan subject to any provision of the Employee Retirement Income Security Act of 1974 (“ERISA”) are intended to be used by either party hereto (the “Plan Party”) in a Transaction, the Plan Party shall so notify the other party prior to the Transaction. The Plan Party shall represent in writing, to the other party that the Transaction does not constitute a prohibited transaction under ERISA or is otherwise exempt therefrom, and the other party may proceed in reliance thereon but shall not be required so to proceed.

b. Subject to the last sentence of subparagraph (a) of this Paragraph, any such Transaction shall proceed only if Seller furnishes or has furnished to Buyer its most recent available audited statement of its financial condition and its most recent subsequent unaudited statement of its financial condition.

c. By entering into a Transaction pursuant to this Paragraph, Seller shall be deemed (i) to represent to Buyer that since the date of Seller’s latest such financial statements, there has been no material adverse change in Seller’s financial condition which Seller has not disclosed to Buyer, and (ii) to agree to provide Buyer with future audited and unaudited statements of its financial condition as they are issued, so long as it is a Seller in any outstanding Transaction involving a Plan Party.

19. Intent.

a. The parties recognize that each Transaction is a “repurchase agreement” as that term is defined in Section 101 of Title 11 of the United States Code, as amended (except insofar as the type of Securities subject to such Transaction or the term of such Transaction would render such definition inapplicable), and a “securities contract” as that term is defined in Section 741 of Title 11 of the United States Code, as amended (except insofar as the type of assets subject to such Transaction would render such definition inapplicable).

b. It is understood that either party’s right to liquidate Securities delivered to it in connection with Transactions hereunder or to exercise any other remedies pursuant to Paragraph 11 hereof is a contractual right to liquidate such Transaction as described in Sections 555 and 559 of Title 11 of the United States Code, as amended.

c. The parties agree and acknowledge that if a party hereto is an “insured depository institution,” as such term is defined in the Federal Deposit Insurance Act, as amended (“FDIA”), then each Transaction hereunder is a “qualified financial contract,” as that term is defined in FDIA and any rules, orders or policy statements thereunder (except insofar as the type of assets subject to such Transaction would render such definition inapplicable).

d. It is understood that this MRA constitutes a “netting contract” as defined in and subject to Title IV of the Federal Deposit Insurance Corporation Improvement Act of 1991 (“FDICIA”) and each payment entitlement and payment obligation under any Transaction hereunder shall constitute a “covered contractual payment entitlement” or “covered contractual payment obligation”, respectively, as defined in and subject to FDICIA (except insofar as one or both of the parties is not a “financial institution” as that term is defined in FDICIA).

20. Disclosure Relating to Certain Federal Protections. The parties acknowledge that they have been advised that:

a. In the case of Transactions in which one of the parties is a broker or dealer registered with the Securities and Exchange Commission (“SEC”) under Section 15 of the Securities Exchange Act of 1934 (“1934 Act”), the Securities Investor Protection Corporation has taken the position that the provisions of the Securities Investor Protection Act of 1970 (“SIPA”) do not protect the other party with respect to any Transaction hereunder;

b. In the case of Transactions in which one of the parties is a government securities broker or a government securities dealer registered with the SEC under Section 15C of the 1934 Act, SIPA will not provide protection to the other party with respect to any Transaction hereunder; and

c. In the case of Transactions in which one of the parties is a financial institution, funds held by the financial institution pursuant to a Transaction hereunder are not a deposit and therefore are not insured by the Federal Deposit Insurance Corporation or the National Credit Union Share Insurance Fund, as applicable.

Customer agrees that any such security procedures shall be deemed commercially reasonable. Customer understands that the security procedures are not for the purpose of detecting errors in the transmission or content of any Account Reporting, or of a Transfer Request controlled by Customer. Customer is solely responsible for maintaining its own internal security procedures to prevent errors or unauthorized access to Customer’s computer systems by unauthorized employees, vendors or customers. Customer agrees to be bound by any Transfer Request that appears to have been sent by Customer that is processed by Bank in compliance with the agreed security procedures, whether or not authorized. Bank will use reasonable care in transmitting the Account Reporting but assumes no responsibility for the accuracy or timeliness of the information supplied by other financial institutions, the SWIFT network or SCORE. Customer agrees to immediately notify and fully cooperate with Bank if it suspects or becomes aware of any breach or compromise of the security of SCORE or the SWIFT-Related Services.

3. Transmission and Processing of Transfer Requests. Customer authorizes Bank to Execute all Transfer Requests delivered to Bank by Customer in compliance with the terms of this Agreement and any established security procedures. Customer shall adhere to formatting and processing requirements established by Bank. Customer authorizes Bank to use whatever means Bank, in good faith, deems reasonable under the circumstances to execute each Transfer Request, including selection of a funds transfer system, routing, and means of transmission. Customer shall be responsible for the accuracy, completeness and timeliness of all Transfer Requests sent to Bank for Execution. Transfer Requests with settlement dates of more than thirty (30) calendar days from receipt will not be processed unless prior arrangements have been made. Customer is solely responsible for initiating Transfer Requests sufficiently in advance to meet Customer’s contractual obligations to its vendors and/or customers. Bank shall not be responsible for any late payment or finance charges that may result from Customer’s failure to allow sufficient lead-time to make a Transfer Request. Bank and any other financial institution may rely on the account, routing, or BIC numbers in the Transfer Requests even if such numbers do not correspond to the name of Customer, the Beneficiary or the Beneficiary Bank.

4. Amendment or Cancellation of Transfer Requests. Customer does not have the right to reverse, adjust or revoke any Transfer Request after it has been received by Bank; provided, however, that Bank will make a reasonable effort to act on such a request by Customer. With respect to a Transfer Request that has already been Executed, Bank shall, at Customer’s request, request that the Beneficiary Bank return all or a portion of the funds. Customer understands that the Beneficiary Bank is under no legal obligation to comply with this request.

5. Rejection/Repair of Transfer Requests. Bank may reject a Transfer Request if: (i) it is not initiated or transmitted in accordance with the applicable security procedures; (ii) does not adhere to Bank’s formatting or processing requirements; (iii) there is any inconsistency between a Transfer Request and information previously supplied to Bank; (iv) Customer’s Transfer Requests exceed any applicable transaction limits established by Bank; (v) if insufficient collected funds are available to Customer’s account to fund the Transfer Request; or (vi) Bank has other reasonable grounds not to honor the Transfer Request. Bank shall have no obligation to repair any Transfer Request it receives but may, in its absolute discretion, endeavor to do so.

6. Account Reporting. Bank may send notifications that allow Customer to receive advices relating to Customer’s payments processed by Bank. Bank may also provide Customer with information on accounts maintained at Bank. If Customer elects to receive notifications and other account information via SWIFT, Customer shall exercise extreme care in maintaining its own security in the receipt of the notifications or information. Customer acknowledges that the data received via SWIFT may include confidential information, including, without limitation, names, amounts, phone numbers, and account information. Customer further acknowledges that it alone assumes full responsibility for maintenance of its internal security procedures to keep such information confidential.

7. Limits on Bank’s Liability. Bank will use reasonable efforts to provide notifications and information in a prompt fashion, but shall not be liable for the temporary failure to provide timely data. Bank assumes no responsibility for any delays caused, or for inaccurate or incomplete information provided, by the SWIFT network or third party banks with respect to payments and related information. Bank shall not be responsible for the acts or omission of Customer, the SWIFT network, other financial institution, or any other person. Payment to a foreign country is subject to the laws of the foreign country involved. Bank assumes no liability for foreign exchange risk, delays, non-delivery or other events resulting from causes beyond Bank’s control.

8. SCORE. If Customer accesses the SWIFT-Related Services using SCORE, Customer shall additionally comply with applicable SWIFT agreements, documentation, user guides and all other instructions and recommendations provided by SWIFT or by Bank in relation to the use of SCORE or the SWIFT-Related Services. Customer acknowledges that Bank does not regulate the set-up and provision of SWIFT membership, joining the SWIFT network or SCORE, the SWIFT network security, or the facilities necessary to access and use them. Customer represents that it is, and will throughout the term of this Service remain, an authorized SWIFT participant. Customer authorizes Bank to act on any instruction contained in a SWIFT message received by Bank through SCORE which appears to have been sent by Customer. In the event that Customer requests Bank to provide SWIFT-Related Services through SCORE to a parent company, subsidiary, affiliate, or other commonly owned company, Customer agrees that it shall be jointly and severally liable for such related entity’s obligations under this Agreement. Customer represents and warrants that such related entity is a duly authorized agent of the Customer and that the related entity is acting on behalf of Customer in its authorized capacity.

9. FileAct. If the FileAct service is offered by Bank and selected by Customer, Customer may use this service which enables the secure and reliable transfer of files to exchange batches of financial messages, reports, bulk payment files, images and other data over the SWIFT
network. FileAct supports both interactive (real-time) and store-and-forward modes. Prior to implementation, Customer shall verify that Bank is capable of supporting the file formats and transaction types that Customer wishes to transmit. If the file format and transaction type is supported by Bank, Customer agrees that the processing of each file shall be additionally subject to all applicable Sections of the Agreement.

V. TERMS APPLICABLE TO SPECIFIC FOREIGN EXCHANGE SERVICES

The following are additional terms and conditions applicable to all Foreign Exchange Services offered by Bank. Bank may change the number or type of Services offered at any time.

1. Conflicting Provisions. With respect to all foreign exchange transactions or other derivative products entered into by Customer, to the extent that any provision of this Agreement conflicts with a provision of any ISDA Master Agreement by and between Customer and Bank or any documents related thereto (the “ISDA”), the ISDA terms shall govern.

2. Foreign Exchange Risk. Many banking and finance transactions carry risk. All foreign exchange transactions, including but not limited to, swaps, options, forwards, foreign exchange transactions currency accounts, and other similar derivatives and related products involve unique risks specific to the nature of these types of transactions and the currency market. These types of transactions are not suitable for all Customers. Customer should fully understand the nature and extent of exposure to risk of loss, if any, which in some circumstances may significantly exceed the amount of any initial payment made by or to Customer. All decisions to enter into foreign exchange transactions should be made by Customer giving appropriate consideration to Customer’s experience, objectives, financial resources and business environment.

3. Arm’s Length Transactions. Bank is acting solely in the capacity of an arm’s length contractual counterparty and not in the capacity of financial advisor to Customer or fiduciary unless otherwise explicitly agreed in writing and then only to the extent so provided.
A. FOREIGN EXCHANGE WEB

1. Introduction. Bank may provide foreign exchange services to Customer in connection with U.S. Bank Foreign Exchange Web, a private Internet site owned and operated by Bank (“USB FX Web”). If requested by Customer and agreed to by Bank, Bank will provide USB FX Web services in accordance with this Agreement and other procedures provided to the Customer. Customer agrees that Customer’s use of USB FX Web and all transactions initiated thereby shall be governed by this Section, all other relevant sections of the Agreement, and any other related disclosures provided to Customer, in either paper or electronic format. USB FX Web shall be available only during normal business hours as established by Bank, which may vary by day or location. Notwithstanding anything to the contrary herein, Bank does not confirm that the person authorizing any USB FX Web transaction is an Authorized Signer or is otherwise authorized to conduct any USB FX Web transaction on behalf of Customer.

2. Access Devices. USB FX Web shall be available only during normal business hours as established by Bank, which may vary by day or location. Once Bank has granted Customer access to USB FX Web, System Administrator(s) designated by Customer in the Implementation Documents will be provided with one or more access devices, which may include cards, identification numbers and/or passwords. Customer shall use USB FX Web in accordance with the security procedures set forth in this Agreement.

3. Trades.

a. General Procedures. By clicking one or more buttons in USB FX Web, Customer informs Bank that Customer wishes to purchase or sell a stated amount of currency against a second currency on a designated date (“Settlement Date”) either unconditionally or at a displayed exchange rate, if one may be obtained (“Trade”). Any transaction that results following the submission of a Trade shall be Customer’s legally binding obligation. Trades submitted to Bank via USB FX Web shall be effective only upon acceptance by Bank. Bank will establish from time to time specific times of day after which Trades will not be processed on a “same-day” or “next-day” basis. Trades submitted after Bank’s deadline will be considered received on the next business day. Deadlines will differ depending on the Trade currency and other factors. Customer is solely responsible for the accuracy and completeness of any settlement instructions delivered to Bank through USB FX Web and such settlement instructions are subject to the concurrence of Bank. Bank shall make reasonable efforts to provide information and status of the terms of any Trade on the USB FX Web site, or by other means established by Bank. Failure by Bank to confirm a Trade for any reason, including without limitation computer malfunction, shall not excuse Customer’s obligations related to any Trade. Bank’s internal records with respect to each Trade shall constitute conclusive evidence of the terms of each Trade. The terms of each Trade shall be incorporated into and become part of this Agreement.

b. Payment. Once a Trade has been made, Customer agrees to make payment or delivery of currency to Bank on the Settlement Date of the Trade in accordance with the settlement instructions provided by Customer, plus any applicable fees or charges. Should Customer instruct Bank to settle a Trade by debiting an account, Customer agrees to maintain sufficient available funds in the account to settle on the Settlement Date. Should funds be insufficient to settle the trade on the Settlement Date, Bank reserves the right in its sole discretion to debit any of Customer’s account with the Bank in the amount of Trade, subject to applicable account fees and charges, or to cancel the Trade.

c. Cancellation or Change. Customer acknowledges and agrees that Customer shall have no right to cancel or reverse a Trade once submitted. Bank will, however, make reasonable efforts in its sole and complete discretion to cancel or amend the terms of a Trade upon Customer’s request. Should a Trade be successfully canceled or amended, or in the event that a Trade is canceled due to failure by Customer to make settlement on the Settlement Date or failure to provide Bank with complete settlement instructions prior to the Settlement Date of a Trade, Customer agree to reimburse Bank for any breakage costs and other expenses incurred by Bank to cancel or amend the Trade, including any fees imposed for this extraordinary service. Bank reserves the right to adjust the exchange rate on any Trade requiring a new Settlement Date to reflect any costs associated with carrying that Trade to a new Settlement Date.

4. Orders.

a. General Procedures. Bank may offer and agree to accept conditional instructions from Customer to Bank to buy or sell a stated amount of foreign exchange against U.S. dollars based upon exchange rate target prices (“Orders”) via USB FX Web. All Orders requests submitted to the Bank through USB FX Web will not become active until accepted by the Bank. Bank in its sole discretion may decline to accept any Order. All Orders must be in liquid, actively traded currencies, and must contain a U.S. dollar component. If an expiration date is not specified, Orders will remain open until filled. Orders must be for an amount of currency equivalent to at least $100,000 U.S. dollars, based upon the exchange rate contained in the Order. Either Bank or Customer may cancel an Order that has been accepted by Bank at any time prior to the execution of that Order. Cancellations, however, must be effected by direct telephone communication between Bank and Customer. Bank shall have a reasonable time to act on any request for cancellation. An Order that has been filled will be binding on the Customer, even if it has not yet been communicated to the Customer as filled. Customer shall have no right to cancel an Order once filled by Bank. Note that there is no single facility, exchange, or system for the exchange of currencies and therefore, prices that fulfill the requirements of Orders may be reached at some place in the world at some time of day that is not apparent to Bank or its agents. Bank and its agents monitor markets and systems that are generally best representative of the primary market for foreign exchange, and can only be responsible for filling Orders based upon prices traded or available in those markets or systems.

b. Types of Orders. Two types of Orders may be transacted via USB FX Web.

(i) Limit/Profit Orders. Limit/Profit Orders are Orders placed above the current exchange price for sellers and below the current exchange price for buyers. A Limit/Profit Order to sell foreign currency would yield more dollars at the Order price than at the current exchange price and are filled only if wholesale buyers begin bidding for the foreign currency specified in the Order against U.S. dollars at a price equal to or higher than the price stated in the Order. A Limit/Profit Order to buy foreign currency would cost fewer dollars at the Order price than at the current exchange price and are filled if wholesale sellers begin offering the foreign currency specified in the Order against U.S. dollars at a price equal to or less than the price stated in the Order. All Limit/Profit Orders are filled only when they can be filled at a price equal to or better (for the Customer) than the Order price. Limit/Profit Orders for $5,000,000 U.S. dollar equivalent or less will be executed in full, should all the conditions of the Order be met. If Bank or its agents cannot find sufficient liquidity to fill the complete Order at the requested price Limit/Profit, Orders for more than $5,000,000 U.S. dollars may be filled for less than the Order amount, but in no event for less than $5,000,000 U.S. dollars. Orders larger than $5,000,000 U.S. dollar equivalent with an “all or none” limitation may not be placed through USB FX Web.

(ii) Stop/Loss Orders. Stop/Loss Orders are Orders placed below the current exchange price for sellers, and above the current exchange price for buyers. A Stop/Loss Order to sell foreign currency would yield fewer dollars at the Order price than at the current exchange price and becomes a market Order to be executed at the next available price(s), when actual wholesale market trades are observed to have been executed at or below the Order price. A Stop/Loss Order to buy foreign currency would cost more dollars at the Order price than at the current exchange price and becomes a market Order to be executed at the next available price(s), when actual wholesale market trades are observed to have been executed at or above the Order price. The fill price may be better than, equal to, or worse than the Order price. A Stop/Loss Order may also be filled at multiple prices. The Customer bears all market risk on a Stop/Loss Order.

c. Limited Liability. Bank will rely on market information that it deems adequate and appropriate to determine if, when, and how an Order
should be executed. However, Order execution is on a best-efforts basis, and no assurance is given that Bank’s traders or agents can or will have access to or even observe every bid, offer, or trade available in the over-the-counter foreign exchange market. Except for manifest error, Bank’s decisions, prices, execution, or non-execution of Orders will be final and conclusive.

5. Foreign Currency Drafts. Bank may offer and agree to provide a service whereby Bank shall act as Customer’s agent to arrange for the payment of foreign drafts issued by the Customer via USB FX Web (“Foreign Drafts”), which are drawn on the Bank’s accounts at various banks with which Bank has a correspondent relationship (each a “Drawee Bank”). Foreign Drafts may not exceed the monetary draft limit communicated to Customer by Bank from time to time in writing. Customer shall draw Foreign Drafts only in accordance with the terms of this Agreement and any related procedures.

a. Stop Payment Orders. Upon receipt of a stop payment order, Bank shall make reasonable efforts to ascertain whether the Foreign Draft has been paid by the Drawee Bank. If such Foreign Draft has not been paid, Bank will send a stop payment notice to the Drawee Bank. Bank shall have no liability for the Drawee Bank’s payment of a Foreign Draft over a stop payment order processed by Bank or if the stop payment order does not prevent a Foreign Draft from being legally enforceable for any reason.

b. Refund; Replacement Foreign Drafts. Customer may request Bank to refund the amount of a Foreign Draft or issue a replacement Foreign Draft (the "Replacement Foreign Draft") if the original Foreign Draft and duplicate, if any, are surrendered to U.S. Bank properly endorsed. If the original Foreign Draft is unavailable, Bank will refund the amount of the Foreign Draft or issue a Replacement Foreign Draft in accordance with the terms of the applicable Lost, Stolen or Destroyed Foreign Drafts Affidavit. Any refund shall be at the U.S. dollar equivalent of the amount of the Foreign Draft based upon Bank’s buying rate on the date of the refund, and Bank shall deduct from such refund all expenses or fees incurred by Bank or the Drawee Bank in connection with the refund. If Bank determines that there is no ready market for the currency specified in the Foreign Draft, Bank may decline to make such refund unless and until Bank determines such a market exists. Any Replacement Foreign Draft issued shall be priced at the selling rate for the original Foreign Draft.

c. Liability. In addition to liability limitations elsewhere in this Agreement, Bank’s liability for any loss or damage shall not exceed the total amount of the fee charged to Customer related to the particular Foreign Draft which gave rise to the loss or damage. Neither Bank nor the Drawee Bank shall be liable for any loss, cost or expenses resulting from the delay in presenting the Foreign Draft for payment or from the refusal or inability of the Drawee Bank to pay the Foreign Draft by reason of any delay in presenting the Foreign Draft for payment or from the refusal or inability of the Drawee Bank to pay the Foreign Draft by reason of any law, decree, moratorium, regulation, compulsion or control of public authority or of domestic or foreign government, de jure or de facto, or any agency thereof, or resulting from declared or undeclared war, censorship, blockade, revolution, insurrection or civil commotion.

d. Drafts; Safekeeping. Bank may deliver to Customer from time to time blank draft forms. Customer shall hold all such draft forms and completed drafts in safekeeping until their use in an authorized transaction by authorized personnel. Customer must destroy all canceled or otherwise used forms and notify Bank in accordance with the procedures.

e. Fees. Customer agrees to pay any service charges incurred by Bank in connection with this service and charges for special services, such as stop payment orders or expenses incurred in attempting to recover the proceeds of erroneously paid Foreign Drafts.

f. Indemnification. Except to the extent caused by Bank’s gross negligence or willful misconduct, and except to the extent recovered from the Drawee Bank, the payee or its transferee, Customer shall be liable for and shall indemnify Bank, its directors, officers, employees and agents against any loss, cost or expense (including attorney’s fees) arising out of or relating to a Foreign Draft drawn by Customer, including without limitation, the unauthorized completion or use of a Foreign Draft, conversion of a Foreign Draft, regardless of whether the conversion occurs while the Foreign Draft is held by Customer in safekeeping or thereafter, the use of a Foreign Draft for any illegal purpose, the Drawee Bank’s payment of a Foreign Draft to a party other than the payee or an authorized transferee, the placement of a stop payment order, the Drawee Bank’s failure to honor a timely stop payment order, the Drawee Bank’s failure or refusal to pay the Foreign Draft upon presentment, loss of use of funds while recovering a canceled Foreign Draft, errors in the payment of the Foreign Draft, conditions beyond the reasonable control of Bank, exchange rate fluctuations, the insolvency of the Drawee Bank, foreign exchange disruption or suspension caused by political or economic conditions in the Drawee Bank’s country or the United States. In the event of any such loss, cost or expense where recovery may be made against persons in the Drawee Bank’s country, Bank will make reasonable efforts to assist Customer in attempting to obtain a recovery from those persons; provided, however, that Customer agrees to pay the expense of such recovery efforts, including attorney’s fees, and assumes the risk of loss if the recovery efforts do not succeed. Customer’s indemnity obligations shall survive any termination of this Agreement.

6. Funds Transfers. Customer authorizes Bank to execute and charge the designated Customer account(s) for wire transfer payment orders delivered to Bank via USB FX Web. Customer agrees that all such wire transfer payment orders will be governed by the relevant Sections of this Agreement.

7. Representations and Warranties. Customer represents and warrants to Bank as of the date of this Agreement and as of the date of each Trade that: (i) Customer is authorized to enter into this Agreement and any Trade, (ii) the persons entering into the Agreement (and each Trade) on Customer’s behalf have been duly authorized to do so, (iii) the Agreement (and each Trade) is binding and enforceable against Customer in accordance with its terms, (iv) no Termination Event has occurred or is continuing and (v) Customer is acting as principal with respect to each Trade.

8. Close-Out Events. Each of the following events shall constitute a close-out event under this Agreement (each a “Close-Out Event”): (i) failure by Customer to pay Bank for any amounts due under this Agreement or any Trade, (ii) voluntary or involuntary insolvency proceeding (including without limitation any proceeding under any bankruptcy, insolvency or other similar laws governing the operations of Customer) shall have been commenced against Customer, (iii) Customer fails, or is otherwise unable, to pay its debts as they become due, (iv) Customer disaffirms, disclaims or repudiates any Trade, (v) any representation made by Customer under this Agreement shall prove to have been false or misleading in any material way at the time that it was made, (vi) Customer shall be in default of any agreement between Customer and Bank or its subsidiaries or affiliates.

9. Rights Upon Close-Out Event. If a Close-Out Event has occurred, Bank shall have the right to terminate this Agreement and, upon notice to Customer, close out all outstanding Trades on a date specified by Bank (the “Close-Out Date”). In such event, Bank shall liquidate such Trades by calculating in good faith the gain or loss of all Trades as follows: (i) determine the close out amount of each Trade, which shall be equal to the sum of the face value of each Trade in a particular currency with a Settlement Date that is the same or later than the Close-Out Date and the face value of each Trade in the same currency with a Settlement Date prior to the Close-Out Date, plus interest at the overnight LIBOR rate from and including the Settlement Date, but excluding the Close-Out Date, (ii) convert the close out amount of each group of like currency Trades into United States Dollars at the rate of exchange at which, at the time of the calculation, Bank may buy U.S. Dollars with or against currency of each closed out Trade and (iii) determine for each Trade the sums that would have been owed by Customer to Bank and the sums that would be owed by Bank to Customer (adjusted to present value by discounting the gain or loss at overnight LIBOR from and including the Settlement Date, but excluding the Close-Out Date). The preceding amounts shall be aggregated, so that all such amounts are netted into a single liquidated amount payable to or by Bank. Customer shall pay on demand any amounts owing to Bank pursuant to this section and Bank’s calculations shall be conclusively binding against Customer, absent manifest error.
B. FOREIGN CURRENCY ACCOUNTS

2. Permitted Deposits. Bank may accept the following for deposit into a FCA:
   a. Proceeds of matured foreign exchange purchase contracts;
   b. Proceeds of foreign currency denominated letters of credit or collection;
   c. Proceeds of loan disbursements; or
   d. Proceeds of loan disbursements; or
   e. Checks and other items subject to collection may not be available until funds are received by Bank.

Bank will not accept currency or coin for deposit into a FCA. Deposits not specifically enumerated above may be allowed if agreed to by Bank in writing. Only collected and verified funds can be deposited into a FCA, whereupon funds will be immediately available for withdrawal or transfer by Customer.

3. Withdrawals. Customer can make withdrawals out of a FCA in the following ways:
   a. Settlement of a foreign currency exchange sale contract;
   b. Negotiation of foreign currency denominated letters of credit or collection;
   c. Outgoing international funds transfers by wires initiated in accordance with Bank procedures; or
   d. Payment of a foreign currency loan.

Each of these methods of making a withdrawal will result in an immediate debit to the FCA for the entire amount Customer has elected to withdraw from such FCA.

4. Interest. Interest rates offered on Standard FCAs and Cayman FCAs are determined in Bank’s discretion based on the applicable currency. Such interest rates may be set at zero or at a negative interest rate. Interest is calculated based on the average daily balance method. The average daily balance method is an annualized rate that reflects the relationship between the amount of interest each fiscal month and the average daily balance in the account for such fiscal month.

5. Denomination. Customer will elect the denomination of each FCA on a separate account opening document. Transfers of funds into and out of a FCA in the currency in which that particular FCA is denominated will be made without regard to the equivalent value of that sum of foreign currency in U.S. Dollars or other foreign currencies. Transfers of funds into and out of a FCA in a currency other than the currency in which that particular FCA is denominated may be accommodated by the Bank in its discretion. Such transfers will be made at the prevailing exchange rate determined by Bank.

6. Non-Business Days. In addition to Non-Business Days specified in the Agreement, there will occasionally be other days on which Bank cannot process or complete a transaction due to holidays in foreign countries (including, but not limited to, Cayman Island holidays with respect to Cayman FCAs).

7. Other Terms. Bank may refuse a deposit, limit the amount which Customer may deposit, return all or any part of a deposit, or require that Customer close a FCA at any time. Bank may also close a FCA without prior notice and remit to Customer any balance remaining after taking into account all pending debits and charges against such FCA..

8. Foreign Currency Account Risks. Investing in any currency other than the base currency of the Customer carries risk. The value of the balances in such accounts may be significantly affected by changes in currency exchange rates. Some other risks of maintaining foreign currency balances include, but are not limited to: the effects of a different economic system in a foreign country, future political and economic developments, possible imposition of exchange controls or other government restrictions, and with respect to certain countries, the possibility of expropriation or confiscatory taxation, political or social instability, or diplomatic developments which could adversely affect the value of the currency. Should Bank’s balances in a foreign country become blocked or withdrawals by Bank become otherwise restricted, Customer’s funds in the FCA will likewise be blocked or otherwise restricted.

WHILE DEPOSITS IN STANDARD FCAS MAY BE INSURED BY THE FEDERAL DEPOSIT INSURANCE CORPORATION (“FDIC”) UP TO A MAXIMUM AMOUNT ALLOWED BY LAW, CUSTOMER IS NOT PROTECTED BY BANK AGAINST FOREIGN CURRENCY EXCHANGE RATE FLUCTUATIONS OR FROM INABILITY TO ACCESS FUNDS FROM FOREIGN REGULATIONS BY THE FDIC INSURANCE, OR ANY OTHER INSURANCE OR GUARANTY PROGRAM. CUSTOMER ASSUMES ALL RISK OF LOSS ARISING FROM ANY ACTION TAKEN WITH RESPECT TO THE CAYMAN FCAs BY THE GOVERNMENT OF THE CAYMAN ISLANDS OR ANY SOVEREIGN OR MILITARY POWER (DE FACTO OR DE JURE). IN THE UNLIKELY EVENT OF BANK FAILURE, THE BALANCES RESIDING IN CUSTOMER’S CAYMAN FCA WILL NOT BE DEEMED “DEPOSITS” UNDER RULES PROMULGATED BY THE FDIC AND WILL THEREFORE NOT BE INSURED BY THE FDIC. CUSTOMER’S CLAIM FOR FUNDS HELD IN THE CAYMAN FCA WILL BE TREATED AS UNSECURED GENERAL CREDITOR CLAIMS.

9. Limitations on Liability. In addition to other limitations on liability set forth in this Agreement, Customer expressly releases and holds harmless Bank, and its affiliates, agents and employees, from any liability, loss, damage or claim related to currency exchange rates or fluctuations in value of the currency in which the applicable FCA is denominated with respect to the U.S. Dollar and other currencies. Customer hereby assume all risks related to currency exchange rates and fluctuations in currency values, including that the foreign currency in a FCA might be worthless, in U.S. Dollars or other foreign currencies, than the U.S. Dollar or other foreign currency equivalent of such funds at the time deposited into the FCA. Bank makes no warranty and no representation about the value of any FCA balance at any time.
VI. TERMS APPLICABLE TO SPECIFIC MONEY CENTER AND SAFEKEEPING SERVICES

The following are additional terms and conditions applicable to specific Money Center and Safekeeping Services offered by Bank. Bank may change the number or type of Services offered at any time. Customer shall not be bound by the terms and conditions for the specific Services described in this Section VI to the extent Customer is not using such Service(s).

A. INVESTMENT AND DEPOSITORY SERVICES

From time to time, Customer may purchase through or from and/or sell to or through Bank certain Securities (defined below), or may make Time Deposits (defined below) at Bank through Bank’s Money Center Department (the “Money Center Department”). All such transactions shall be effected upon the following terms and conditions.

1. Definitions.

a. “Securities” means all bankers’ acceptances, certificates of deposit issued by financial institutions other than Bank, commercial paper, government securities as defined by the Securities Exchange Act of 1934 (“Act”), municipal securities (as defined by the Act), securities sold subject to repurchase agreements, and all other investment securities or products now or hereafter offered by Bank to Customer, other than Time Deposits.

b. “Time Deposit” means any time deposit now or hereafter maintained by Bank for Customer through the Money Center Department.

c. “Confirmation” means the confirmation statement described in paragraph 6 of this Section VI(A) below.

d. “Settlement Account” means any settlement account designated by Customer in a written notice delivered to Bank.

e. “Variable Debit” means the amount by which a debit to a Settlement Account differs from the amount of the immediately preceding debit.

2. Capacity of Bank; Compensation.

a. In General. In any transaction governed by this Section VI(A), Bank may be acting as principal, riskless principal, or agent. Bank’s capacity in any transaction involving Securities is indicated on the Confirmation.

b. Transactions as Principal. When acting as a principal in transactions involving Securities, Bank will either buy Securities for its own account or sell for its own account Securities owned by Bank, whether such Securities are bought before or after receiving Customer’s order. In such transactions, Bank’s compensation, if any, is reflected in the price at which Bank buys and sells the Securities.

c. Transactions as Riskless Principal. When acting as a riskless principal in transactions involving Securities, Bank will, after receiving an order to buy or sell Securities from Customer, buy or sell Securities for its own account to offset a contemporaneous sale to or purchase from Customer. In such transactions Bank’s compensation, if any, is reflected in the price at which Bank buys and sells the Securities.

d. Transactions as Agent. When acting as Customer’s agent, Bank will buy or sell Securities solely for Customer’s account. In such transactions, Bank’s compensation due from Customer, if any, is the amount of agency service charge indicated on the Confirmation.

e. Additional Fees. In addition to compensation received as a principal, riskless principal, or an agent, Bank (and the financial institution maintaining the Settlement Account, if other than Bank) may charge additional fees for services related to a transaction as specified in the current fee schedule as provided to Customer, which may be amended from time to time upon notice to Customer.

f. Other Compensation. Bank shall not be prohibited from contracting for and receiving a fee or other compensation from any other party in connection with any transaction hereunder, and any such fee or compensation from such other party shall be in addition to, and shall not be applied as a reduction of, any fee or compensation due from Customer to Bank. Such additional compensation may include, without limitation, applicable advisory, custodial, distribution and/or shareholder service fees (which may be paid as 12b-1 service fees) that Bank or its affiliates may receive from various mutual funds and/or mutual fund service providers, based upon moneys invested in the funds, and Customer acknowledges that those fees may be paid to Bank for such services.

3. Transaction Requests. Each transaction will be made pursuant to Customer’s verbal or written request, or electronically via a trading system provided or approved by Bank. Customer may give written instructions to Bank via email by sending such instructions to Bank’s email address of record, in accordance with the delivery requirements of this Section VI(A), as designated from time to time by Bank. In the event transaction requests are submitted to Bank via email, Bank is authorized to act upon any such transaction request received immediately upon receipt thereof. Bank is under no obligation to deliver to Customer acknowledgement that it has received Customer’s transaction request received via email. Bank may reject, refuse to honor, or reverse all or any portion of any transaction request with or without notice. All claims against Bank for failure to properly follow the instructions of Customer must be made within sixty (60) days from the date on which the instructions were received by Bank or such claims are expressly waived by Customer. Customer acknowledges that with respect to certain money market, mutual fund or other similar investments that Customer may acquire through Bank, such funds may from time to time have an ownership interest in securities issued by Bank or its affiliates. If on or before the settlement date, Customer fails to pay in full for any security purchased or fails to deliver security sold, Bank is authorized in its discretion and without notice or demand to take any one or more of the following actions: cancel the transaction; sell the securities covered thereby; “buy-in” securities or other property required to make delivery; charge Customer’s Settlement Account for the amount due; hold Customer liable for any resulting loss, including but not limited to, the interest cost to carry any securities purchased; or impose fees.

4. Settlement Account. Unless otherwise specified, Customer unconditionally authorizes, empowers, and directs Bank and any financial institution maintaining the Settlement Account to: (i) debit the Settlement Account on the settlement date indicated on the Confirmation for the full amount of each transaction effected under this Section VI(A) (including all fees and charges payable hereunder), notwithstanding that such debit may cause the Settlement Account to be overdrawn; and (ii) credit the Settlement Account with interest payments, maturity payments or other appropriate payments. Customer represents that no party other than the individuals designated from time to time by Customer to Bank as having such authority is required to authorize the Money Center Department to debit or credit the Settlement Account. Customer authorizes the financial institution maintaining the Settlement Account to accept debit and credit entries to the Settlement Account until such authorization is cancelled in writing through written notification of its termination in sufficient time and in such manner as to allow the financial institution maintaining the Settlement Account and the Money Center reasonable opportunity to act on it. If Customer is a consumer, Customer acknowledges that it has the right to receive notice from the Money Center Department of a Variable Debit (as defined above) 10 days prior to such debit, however, Customer hereby elects not to receive such notice when the Variable Debit is between $1 and $100,000,000.

5. Delivery. Pursuant to instructions given in a manner consistent with paragraph 3 of this Section VI(A), Customer shall direct the delivery of any Securities purchased hereunder to any account set forth in such instructions, which account may be a safekeeping account maintained at Bank, in which case such Securities will be held in accordance with the Safekeeping Terms And Conditions set forth in Section VI(B) below. If Customer shall otherwise direct the delivery of any Securities that are being sold by Bank subject to a repurchase agreement, Bank shall have the right to require that such Securities be delivered to a third-party bailee selected by Bank to hold such Securities, subject to the rights and obligations of Customer and Bank hereunder. With respect to Time Deposits, Bank will issue no certificate, passbook, or any other evidence of deposit except for the Confirmation.

6. Confirmation Statements. Promptly after effecting any transaction pursuant to this Section VI(A), Bank will deliver to Customer (via mail, fax, email, or other electronic means, including without limitation posting to a password protected website) a confirmation statement (the “Confirmation”) which shall identify Bank and Customer and specify the trade and settlement dates of the transaction, the issuer and par amount.
of any Securities or the principal amount of any Time Deposit, the interest rate or discount rate applicable to any Securities or Time Deposit, the maturity date of the transaction, the capacity of Bank as principal, riskless principal or agent, any terms and information required by applicable law, and any other terms and information which Bank may include at its sole and absolute discretion. The information contained on the Confirmation shall be considered true and correct and conclusively binding upon Customer unless Customer notifies Bank of any error therein within three (3) business days after the date the Confirmation is deemed as delivered to Customer pursuant to paragraph 14 of this Section VI(A) below.

7. Disclosures, Notices and Other Account Information. All disclosures, notices and other Customer account information from Bank may be delivered to Customer in electronic form (including, without limitation posting to a password protected website) to the extent Customer elects to receive such information through electronic delivery, subject to the Terms and Conditions of Electronic Delivery set forth in Section VI(C) below. Customer agrees that sending information in this manner will constitute good and effective delivery of the information to Customer, regardless of whether Customer actually accesses the website or other electronic medium containing the information.

8. No Representation or Warranty. Customer acknowledges and agrees that Bank makes no representation or warranty, express or implied, with respect to the validity, enforceability, collectability, or investment quality of any Securities sold hereunder.

9. Interest on Time Deposits. All Time Deposits will earn interest from the date of deposit until their respective maturity dates computed at the rate and in the manner established by Bank from time to time. Bank will advise Customer of the applicable interest rate at the time that the request for the Time Deposit is made.

10. Early Withdrawal of Time Deposits. Customer agrees that each Time Deposit will remain on deposit with Bank until the maturity date thereof. A penalty may be imposed if Customer withdraws the principal of any Time Deposit before the maturity date thereof. The amount of such penalty will be specified in the current fee schedule, which may be amended from time to time.

11. Repurchase Transactions. Customer shall not be entitled to purchase any Securities which are government securities, subject to Bank’s agreement to repurchase, and to be held by Bank for the account of Customer, unless Customer shall have first executed and delivered to Bank a written repurchase agreement, in substance satisfactory to Bank, governing such repurchase transaction. In the event of any conflict between the terms of such written repurchase agreement and the terms of this Section VI(A), the terms of such written repurchase agreement shall control.

12. Joint Accounts. In the event that any account opened hereunder is a joint account for more than one Customer (each such Customer hereafter called a “Co-Tenant”), all Co-Tenants jointly and severally agree that any one Co-Tenant shall have authority on behalf of the joint account (i) to buy, sell, and otherwise deal in Securities at Bank and to establish Time Deposits at Bank through Bank; (ii) to receive on behalf of such joint account Confirmations and all other demands, notices, reports, statements of account and communications of every kind; and (iii) to deal with Bank on behalf of such joint account as fully and completely as if such Co-Tenant alone were interested therein, all without notice to the other Co-Tenant(s). Bank is authorized to follow the instructions of any Co-Tenant given in accordance with paragraph 3 of this Section VI(A) in every respect concerning such joint account and is under no duty to inquire into the purpose or propriety of any such instruction. The liability of each Co-Tenant with respect to such joint account shall be joint and several. Any notice sent to one Co-Tenant shall be deemed to be notice to all Co-Tenants. If conflicting instructions are received from a Co-Tenant (whether one or more), Bank may, at its sole and absolute discretion, take any of the following actions: (a) choose which instructions to follow and which to disregard; (b) suspend all action in the account until written instruction signed by all owners is received; (c) close the account and deliver all securities and other property, net of debits or liabilities, to the address of record; and/or (d) take other appropriate legal action.

13. Amendment; Termination. Notwithstanding the provisions set forth in paragraph 28 of Section II above, Bank may amend the terms set forth in this Section VI at any time in any respect, effective upon thirty (30) days prior notice to Customer and Customer or Bank may terminate the Service(s) described in this Section VI at any time effective upon notice to the other party. If any Service described in this Section VI is terminated for any reason, Customer will continue to be responsible for any obligation incurred by Customer prior to termination.

14. Notices. All Confirmations, notices, or other disclosures or communications from Bank to Customer shall be deemed delivered upon transmission of fax, email, or other electronic communication to Customer or upon five (5) business days after the date of deposit in the United States mail, postage prepaid, and addressed to the mailing or email address provided to Bank. All written confirmations, notices, instructions, or other communications from Customer to Bank shall be sent to the attention of Customer’s Money Center Department representative at such address designated by Bank from time to time.

15. No Investment Advice. Customer acknowledges that Bank will not provide supervision, recommendations or advice to Customer in connection with the investment, purchase, sale, retention, or other disposition of any Securities.

16. ERISA. If assets of an employee benefit plan subject to the Employee Retirement Income Security Act of 1974, as amended (“ERISA”), are intended to be deposited, invested or used by Customer in a transaction under this Section VI(A), Customer shall notify Bank prior to effecting that deposit, investment or transaction and will provide Bank with any additional information as Bank may reasonably request. Customer represents and warrants to Bank that any deposit, investment, or transaction pursuant to this Section VI(A) shall not result in a prohibited transaction under ERISA or shall otherwise be exempt, and Customer further agrees to indemnify and hold Bank harmless from any loss or claim arising therefrom.
B. SAFEKEEPING TERMS AND CONDITIONS

From time to time, Customer may open a safekeeping account or accounts through Bank's Safekeeping Department (the "Safekeeping Department") to hold Securities, including Securities purchased or through the Money Center, and Bank and Customer agree that such accounts and any Securities held therein will be subject to the following terms and conditions.

1. Custody of Securities. Bank agrees to hold and keep as custodian hereunder all securities that Bank has agreed to accept for the account of Customer ("Safekept Securities") and to deliver such Safekept Securities as Customer directs pursuant to the terms and conditions as described below. Bank in its discretion may refuse to accept any security for safekeeping and in any case will not accept any security for safekeeping unless it is fully paid for or good funds are available to Bank to pay for any such unpaid security.

2. Customer Instructions. Bank is authorized to accept, act upon and rely upon all written instructions given by Customer or those Authorized Users designated from time to time by Customer to Bank as having such authority as provided in accordance with this Agreement. Customer hereby represents and warrants that each Authorized User is authorized to give instructions to Bank. Customer may give written instructions to Bank via email by sending such instructions to Bank's email address of record (as may be designated from time to time by Bank) and Bank is authorized to act upon any such transaction request received immediately upon receipt thereof. Bank is under no obligation to deliver to Customer acknowledgement that it has received such instructions via email. Bank shall not be liable in any manner if it executes any oral or written instruction that comes from Customer or its Authorized User. All claims for failure to properly follow the instructions of Customer or the Authorized User must be made within thirty (30) days from the date on which the instructions were received by Bank or such claims are expressly waived by Customer.

3. Securityholder Information. Unless otherwise required by law or pursuant to written instructions, in no event shall Bank be responsible to take any action concerning any puts, calls, conversions, exchanges, reorganizations, offers, tenders or other corporate actions or similar matters relating to Safekept Securities other than to forward to Customer or its Authorized User all information received by Bank relating to any such transaction. Customer agrees that its instructions to Bank with respect to any such actions shall be in writing and delivered to Bank within sufficient time for Bank to act thereon if any action is required. Bank shall forward to Customer at Customer's address so provided to Bank any proxies, financial statements or written notices received by Bank relating to Safekept Securities held on behalf of Customer. All proxies and proxy material received by Bank relating to Safekept Securities are to be voted by Customer or per Customer's timely written instructions to Bank. Safekept Securities called for redemption prior to maturity will be presented for payment provided the trustee gives Bank adequate notice of redemption. Should any Safekept Security be called for partial redemption by the issuer of such security, Bank is authorized to accept the allocation applied by any central depository. If Bank has to allocate any redemption among its accounts, Bank shall allot the redemption proceeds in any manner it deems fair and equitable in its sole discretion.

4. Registration and Third Party Depositories. Bank shall register Safekept Securities in nominee name, and may from time to time change the registration of Safekept Securities from nominee name to Customer's name or vice versa; provided that Customer timely completes any necessary documentation provided by Bank to change the registration of the Safekept Securities. Safekept Securities held in nominee name may be deposited with The Depository Trust Company or other third party depository acceptable to Bank. Securities that are depository eligible will be held at the depository in the depositor's nominee name.

5. Collection of Income and Principal. Bank shall collect and receive the interest, principal and other income payable in connection with the Safekept Securities and shall pay any amounts so collected or received to, or credit the account of, Customer so specified to Bank or any other settlement account subsequently designated by Customer to Bank (the "Settlement Account"). Bank shall not be obligated (a) to pay to or credit the account of Customer with any payment of interest, principal or other income until Bank receives such payment in immediately available funds, or (b) to institute or participate in any collection proceedings or other proceedings to enforce Customer's rights relative to any Safekept Securities or to pursue any remedies on behalf of Customer. Bank is authorized to sign on behalf of Customer any declarations, affidavits, certificates of ownership or other documents relating to securities held by Bank in nominee name that are now or may hereafter be required with respect to all coupons, registered interest, dividends or other income.

6. Settlement Account. Unless otherwise specified, Customer unconditionally authorizes, empowers, and directs Bank (and any financial institution maintaining the Settlement Account) to (i) debit the Settlement Account on the settlement date indicated on the confirmation for the full amount of each transaction effected under this Section VI(B) (including all fees and charges payable hereunder), notwithstanding that such debit may cause the Settlement Account to be overdrawn and (ii) credit the Settlement Account with interest payments, maturity payments or other appropriate payments. Customer represents that no party other than those individuals so designated from time to time as having such authority is required to authorize the Safekeeping Department to debit or credit the Settlement Account. Customer authorizes the financial institution maintaining the Settlement Account to accept debit and credit entries to the Settlement Account until this authorization is cancelled in writing through written notification of its termination in sufficient time and in such manner as to allow the financial institution maintaining the Settlement Account and the Safekeeping Department reasonable opportunity to act on it. If Customer is a consumer, Customer acknowledges that Bank gives to its own property. Customer shall indemnify and hold Bank harmless for or from any acts or omissions of any broker or other agent designated by Customer or, in the absence of such designation, selected by Bank to receive or deliver Securities for the account of Customer.

7. Return of Payments. Customer will repay Bank, or Bank may credit Customer's Settlement Account, in the event that for any reason: (i) Bank is required to return to the issuer or to a third party any payments; (ii) Bank fails to receive from the issuer or appropriate other party a payment Bank paid to Customer in respect of Safekept Securities; or (iii) Bank must return to the issuer or appropriate other party a payment Bank paid to Customer in respect of Safekept Securities.

8. Receipt and Delivery of Securities. Bank shall not be liable or responsible for or on account of any act or omission of any broker or other agent designated by Customer or, in the absence of such designation, selected by Bank to receive or deliver Securities for the account of Customer.

9. Withdrawal of Securities. Any and all Safekept Securities may be withdrawn from Bank at any time upon a written order or receipt signed by Customer or its Authorized User. Withdrawal or delivery of securities is subject to availability (e.g., among other reasons, securities involved in a corporate action or in frozen status, restricted securities, or pledged securities may not be available for withdrawal or delivery).

10. No Investment Advice. Customer acknowledges that Bank will not provide supervision, recommendations or advice to Customer in connection with the investment, purchase, sale, retention or other disposition of the Safekept Securities.

11. Standard of Care. Bank shall use reasonable care in carrying out its duties under this Section VI(B). For purposes of this Section VI(B), "reasonable care" shall mean the same degree of care and protection that Bank gives to its own property. Customer shall indemnify and hold harmless Bank, its directors, officers, employees and agents, for and against all claims, losses, liabilities and expenses of any nature or kind, including without limitation Bank's reasonable legal fees and all expenses arising from any claim of any party resulting from any actions taken by Bank pursuant to this Section VI(B). Bank shall not be liable, directly or indirectly, for any damages or expenses arising out of the services Bank provides in accordance with this Section VI(B) except where Bank fails to act in good faith or in accordance with reasonable commercial standards of banking business. In no event shall Bank be liable for special, consequential or punitive damages even when Bank has been advised of the possibility of such damages.

12. Fees and Expenses. Customer shall pay to Bank such fees as shown on the current fee schedule, which may be amended from time to time.
time by Bank. If the fee schedule is amended, the amended fees will apply to any Safekept Securities being held in safekeeping at that time. In addition, Customer shall reimburse Bank for its commercially reasonable out-of-pocket expenses, including, but not limited to: postage, insurance, registration fees, wire fees, and other fees incurred by Bank in connection with the Safekept Securities and its services provided under this Section VI. If Customer fails to pay Bank any sums due under this Section VI within 30 days after a written late notice is sent to Customer by Bank, Bank shall be entitled to exercise any one or more of the following options:

a. to offset any sums due against any funds of Customer on deposit with Bank;
b. to offset any sums due against any interest, principal or other income received or to be received for Customer’s safekeeping account or accounts maintained pursuant to this Agreement;
c. to terminate this Agreement and return the Safekept Securities to Customer at Customer’s expense; and
d. to avail itself of any other remedy it may have in law or in equity.

13. Record and Taxes. Bank shall maintain records of Customer’s account and provide Customer with a Confirmation/Custody Receipt for all Safekept Securities following delivery to Bank and periodic statements of Safekept Securities on deposit with Bank. Bank will also send to Customer such notices and reports required by law. Customer understands and agrees that it is Customer’s obligation to prepare and file all required tax returns and to pay all taxes due on any income Bank collects for Customer.

14. Subaccounts. If Customer notifies Bank that Customer’s account is a master account for multiple underlying accounts (the “Subaccounts”) of Customer’s customers or other parties, the underlying owners of the Subaccounts shall not be deemed as third-party beneficiaries under this Safekeeping Agreement and Bank shall have no duties or obligations to those parties. Bank will conduct tax reporting as if Customer, and not Bank, was the applicable payor of the Subaccounts and Customer will be responsible for all fees and penalties imposed by relevant taxing authorities due to inaccurate reporting.

15. Amendment or Termination of Services.

a. Except as provided in paragraph 12 of this Section VI(B), the provisions of this Section VI(B) may be amended only by written amendment executed by both Customer and Bank; provided, however, that the terms of this Section VI(B) may also be amended by Bank if Bank gives written notification of such amendment to Customer and Customer does not terminate its use of Services described in this Section VI(B) within 30 days of such notification. Customer agrees that failure to so terminate such Services constitute consent to such amendment. The Services provided pursuant to this Section VI(B) may be terminated at any time either by Customer or by Bank upon written notification to the other, whereupon all Safekept Securities shall be delivered or surrendered to Customer upon a written order or receipt signed by Customer or its Authorized User; provided, however, that Bank may offset any sums due Bank as provided in paragraph 12 of this Section VI(B). Such delivery and the termination of Services shall release Bank from all further liability and responsibility under this Section VI(B).

b. The provisions of this Section VI(B) shall be continuous and shall survive any temporary or intermittent closing of any safekeeping accounts with Bank, and shall replace and substitute any prior agreement regarding the subject matter hereof between Bank and Customer despite language in such prior agreement that such prior agreement was continuous.

c. The provisions of this Section VI(B) or any of Bank’s rights and obligations hereunder shall be assignable by Bank to any entity affiliated by common control with Bank or to any successor of Bank upon merger, consolidation, reorganization or otherwise. This Agreement shall not be assignable by Customer. The provisions of this Section VI(B) shall inure to the benefit of and be binding upon Bank, its successors and assigns and Customer, his/her heirs, administrators, executors, successors and assigns.

16. Written Confirmation, Notices, Instructions and Other Communications. All Confirmations, notices, or other disclosures or communications from Bank to Customer shall be deemed delivered upon transmission of fax, email, or other electronic communication to Customer or upon five (5) business days after the date of deposit in the United States mail, postage prepaid, and addressed to the mailing or email address provided to Bank. All written confirmations, notices, instructions, or other communications from Customer to Bank shall be sent to the attention of Customer’s Safekeeping representative at such address designated by Bank from time to time.
C. TERMS AND CONDITIONS FOR ELECTRONIC DELIVERY

The following sets forth the terms and conditions of use of Bank’s electronic delivery and notification service (the “Electronic Delivery Service”) in connection with account(s) with the Money Center Department or Safekeeping Department.

The Electronic Delivery Service described in this Section VI(C) shall constitute an Internet Service as defined in Section III of this Agreement and shall be subject to the terms set forth therein, as well as any other agreements between Customer and Bank and any applicable laws or regulations. If there is a conflict between the terms and conditions set forth in this Section VI(C) and the terms and conditions of any other section of this Agreement or any other agreement between you and us as they relate to the Electronic Delivery Service, the terms and conditions set forth herein will control.

1. Electronic Delivery of Documents. Customer may elect to receive Account Communications (defined below) related to your account(s) electronically. All Account Communications will be delivered electronically by posting to Bank’s password protected website designated for Customer’s account(s) or, at Bank’s election, delivered via electronic mail to the email address provided by Customer to Bank. “Account Communications” include, without limitation, all current and future account statements, trade confirmations, security notices, maturity notices, prospectuses, offering and disclosure documents, shareholder communications (such as quarterly, semi-annual and annual reports, proxy statements, etc.), regulatory communications and other information, documents, data, notices and records regarding Customer’s account(s) with Bank. Bank may, from time to time, designate additional Account Communications that are then eligible for electronic delivery through the Electronic Delivery Service, the delivery of which will then be subject to these terms and conditions. From time to time, Bank may add to, modify or delete any feature of the Electronic Delivery Service or Account Communications eligible for delivery through the Electronic Delivery Service at its sole discretion. Customer acknowledges and agrees that by being enrolled in the Electronic Delivery Service, Customer will no longer receive Account Communications by mail that is otherwise available for delivery as part of the Electronic Delivery Service.

2. Accessing Account Communications. Bank will notify Customer via email when Account Communications are posted. Bank may also provide, in its sole and absolute discretion, Account Communications directly via email. Customer may access all Account Communications for at least thirty days from the date of initial posting. Customer acknowledges and agrees that all Account Communications will be deemed to constitute good and effective delivery to Customer upon posting, regardless of whether Customer actually or timely receives or accesses the Account Information, or if Account Communications are delivered directly to Customer via email, when so delivered.

3. Changes in Delivery Method. Customer must notify Bank if it wishes to discontinue the Electronic Delivery Service. Following Bank’s receipt of such notice and after Bank has a reasonable opportunity to act on such notice, Customer will thereafter begin to receive mailed Account Communications beginning with your next statement cycle and/or mailed confirmation statements.

4. Reporting Unauthorized Transactions or Erroneous Statements. Customer agrees to promptly and carefully review all Account Communications as and when delivered and notify Bank via telephone within three business (3) days of delivery (unless otherwise expressly provided for in the applicable customer agreement or safekeeping agreement) if Customer objects to the information provided. Absent such timely objection, Bank shall treat such information as accurate and conclusive.

5. Third Party Services. Customer acknowledges and agrees that receipt of email notifications when Account Communications are posted may be delayed, or prevented by factors affecting Customer’s or Bank’s Internet service provider(s), phone operator(s), and such other similar entity ("Third Party Service Providers"). Bank makes no representations or warranties whatsoever with regard to the products and services offered by such Third Party Service Providers and shall not be liable for any loss caused, in whole or in part, by a Third Party Service Provider.

6. International Use. Bank makes no representations or warranties that any content or use of the Electronic Delivery Service is appropriate or available for use in locations outside the United States and accessing the Electronic Delivery Services from territories where its contents or use is illegal and is prohibited by Bank. If Customer accesses the Electronic Delivery Service from locations outside the United States, Customer does so at its own risk. Customer is responsible for compliance with all local laws.

7. Proprietary Rights; Materials; Trademarks. All content included or available through the Electronic Delivery Service (other than Customer’s account information), such as advertisements, test, graphics, logos, button icons, images, audio clips and software, is the property of Bank and/or third parties and is protected by copyrights, trademarks or other intellectual property rights. The compilation (meaning the collection, arrangements and assembly) of all content on the Electronic Delivery Service is the exclusive property of Bank and/or its licensors and is protected by copyrights or other intellectual property rights. The trademarks, logos, and service marks displayed on the Electronic Delivery Service (collectively, "Trademarks") are the registered and unregistered Trademarks of Bank or third parties. Under no circumstances may Customer use, copy, alter, modify or change these Trademarks. Nothing contained on the Electronic Delivery Service should be construed as granting by implication or otherwise any license or right to use any Trademark without the express written permission of Bank or the third party that has rights to such Trademark, as the case may be.
